

MEMORANDUM

Council Agenda
Item No. X. C
1/2/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in approving Amendment No. 2 to the Contract for Engineering Services with AECOM Technical Services, Inc., Project WC-0962, second Atoka Pipeline construction program manager for Stanley Draper Reservoir to Atoka Reservoir, extending the contract through August 13, 2024. Ward 4.

Location:

Stanley Draper Reservoir to Atoka Reservoir

Background:

The Second Atoka Pipeline is being designed and bid. The construction program manager will provide administrative and technical support services to enhance operations and assist City staff with the efficient and timely construction of the pipeline.

Subsequent to execution of the contract as previously amended, it has been determined to be in the best interest of the Trust to renew the contract for the first of the two available renewals. This will allow for the continuation of work authorized in Amendment No. 1 and therefore does not affect nor change the previously approved scope or fee. Amendment No. 2 takes the place of Renewal No. 1.

It is also necessary to amend the Indemnity and Insurance sections to current standards. The original contract must be amended to incorporate the aforementioned Indemnity and Insurance sections, and renewal of services.

Engineer:

AECOM Technical Services, Inc.

Engineering Fee:

Original Contract Amount	\$1,890,368
Amendment No. 1	1,442,000 (7.63% increase)
Amendment No. 2	<u>0</u>
Revised Contract Amount	\$3,332,368

Source of Funds:

OCWUT-Water Facility Fund-Water Trust Capital-2nd Atoka Pipeline-Project WC-0962-A&E (360-3060-3901600-06409-WC-0962-54040001)

Review:

Public Works Department

Recommendation: Concur with the Oklahoma City Water Utilities Trust in approving the amendment.
