RE: Increase in contract sheltering fees

To whom it may concern:

You received notification last year during our contract review that beginning July 1, 2024, an increase in municipal contract sheltering fees would take effect. The new fee will be a flat rate of \$185.00 per dog or cat that is brought in from your municipality to the Oklahoma City Animal Shelter. This year's contract reflects this increase. This increase captures costs spent caring for each animal. Due to this increase and change in this year's contract, it is essential that we have it signed and returned from you no later than May 15, 2024. This will ensure that we are able to take it before our City Council prior to the effective date. If you have any questions or concerns regarding this increase, please feel free to contact me directly. My contact information is below.

Sincerely,

Jon Gary

- (a) The owner of an impounded animal may reclaim the animal upon providing the Animal Welfare Division with proof of ownership and paying any and all fees and other charges as authorized in this division, except as provided herein:
  - (1) Impoundment fees and board and care fees shall be waived if the owner provides medical proof that the dog or cat was spayed or neutered at the time of impoundment, except for dogs and cats housed in special handling areas.
  - (2) An amount not greater than \$150.00 of the combined impoundment fees and board and care fees shall be waived upon the reclaim of a dog or cat housed in special handling areas, such as rabies observation and evidence holding, if the dog or cat was spayed or neutered prior to impoundment.
- (b) All dogs and cats shall be spayed or neutered and micro-chipped prior to being released, including those reclaimed or otherwise returned to their owners. The Animal Welfare Superintendent may exempt the owner of a full-breed registered animal from the requirement to spay or neuter an animal prior to release upon the owner's presentation satisfactory proof of pure breed status as verified by the American Kennel Club or similar entity and payment of a registration fee or if a licensed veterinarian certifies in writing that the animal is incapable of reproduction or that spaying or neutering the animal would be injurious to the animal's health, provided, however, that if the health condition of the animal is of a temporary nature, then the animal shall be spayed or neutered immediately after the health condition has been corrected.
- (c) The owner of a dog impounded for being at large or unconfined may reclaim the dog upon registering the dog on forms required by the Animal Welfare Division that include the owner's written verification that the fence or enclosure in which the dog is to be kept is in good repair, along with photographic evidence of the fence or enclosure and payment of the required fees.

- (1) Upon second or subsequent impoundment of a dog for being at large or unconfined, the owner may reclaim the dog upon producing to Animal Welfare an additional owner-written verification that the fence or enclosure in which the dog is to be kept is in good repair along with photographic evidence of the fence or enclosure and payment of required fees. As a condition of release, the owner shall provide to Animal Welfare a written statement, as described in this section, along with photographic evidence of the fence or enclosure every 30 days for a period of six months from the date of reclamation. At any time during the six months, the Animal Welfare Superintendent or his or her designee may visually verify that the fence or enclosure in which the dog is to be kept is in good repair.
- (2) Failure to provide to Animal Welfare the required owner-written statements and photographic evidence after the release of the dog from a second or subsequent impoundment shall constitute a class "a" offense. Failure to keep the fence or enclosure in which the dog is to be kept in good repair at any time during the referenced six month period shall result in the impoundment of the dog until such time as the animal is abandoned or the Animal Welfare Superintendent or his or her designee has visually verified that the enclosure is secure.
- (d) The division shall not release to its owner an animal being held for a judicial determination of whether it is menacing or dangerous or because the owner has been charged with cruelty to an animal or with failure to provide humane care and treatment for an animal until such case has been decided in a court or the charges are declined or dismissed. If the charges are declined or dismissed, the animal is determined to be not a menacing or dangerous animal, or the defendant is found not guilty, no fees shall be assessed to the owner. Otherwise, the animal shall only be released back to the owner pursuant to Court order and the Animal Welfare Division shall verify that any release requirements ordered by the Court and mandatory registration, spaying or neutering and micro-chipping requirements in this chapter have been met and fees required by this chapter are paid.
- (e) An animal impounded because the owner has been charged with cruelty to an animal or with failure to provide humane care and treatment for an animal may be transferred to a foster facility approved by the Animal Welfare Superintendent until the court has decided the case or the charges are declined or dismissed. The Court in its discretion may order the Superintendent to modify the placement of the animal on motion of the owner at any time prior to final disposition of the case.

If the owner of an impounded animal fails to appear at any hearing or trial scheduled in connection with a charge of cruelty to an animal or failure to provide humane care and treatment for an animal, the animal shall be deemed abandoned upon the passage of 15 days following the date of such hearing or trial, unless a motion to recall warrant has been filed before that date. If the owner fails to appear a second time at any hearing or trial, the animal shall be deemed abandoned upon the passage of five days following the date of such hearing or trial, unless a motion to recall warrant has been filed before that date.

## ARTICLE II. - HUMANE CARE AND TREATMENT

### *Footnotes:*

— (2) —

*State Law reference— Animal cruelty and related offenses, 21 O.S. § 1680 et seq.*

## DIVISION 1. - STANDARDS OF CARE

§ 8-95. - Failure to provide humane care and treatment prohibited.

It shall be unlawful for any person owning an animal to fail to provide said animal with humane care and treatment in accordance with the standards set forth herein.

(Ord. No. 23145, § 2, 10-3-06)

§ 8-96. - Standards of humane care and treatment.

The following standards of humane care and treatment are established for all animals within the City:

- (a) *Food requirements.* Food shall be free from contamination and of sufficient quantity and nutritive value to maintain an animal in good health. An animal shall be fed at least once a day except as dictated by hibernation, veterinary treatment, normal fasts or other professionally accepted practices. All food receptacles shall be kept clean and sanitary.
- (b) *Water requirements.* Safe, clean water shall be provided as often as necessary for the health and comfort of each animal. Frequency of watering shall consider age, species, condition, size and type of animal. Animals shall be watered as required by applicable State and Federal laws. All water shall be provided in sturdy, stable receptacles of adequate size for the animal and shall be kept clean and sanitary.
- (c) *Space requirements.* Enclosures or shelters for animals shall be constructed and maintained to provide sufficient space for each animal to make normal postural and social adjustments and to provide each animal with adequate freedom of movement to maintain good physical condition.
- (d) *Indoor shelter requirements.* Facilities shall be sufficiently heated, cooled and ventilated as to protect the animal from extremes of temperature and to provide for its health and prevent injury or disease. Sufficient light shall be provided, but lighting of primary enclosures shall be designed to protect the animal from physical harm. Such lighting shall be uniformly distributed and of sufficient intensity to permit routine inspection and cleaning.
- (e) *Outdoor shelter requirements.* For purposes of this subsection, "outdoor" shall mean not within an enclosed structure, and subject to the weather and elements. Natural or artificial shelters appropriate to the local climatic conditions for the particular species of animal shall be provided for all animals left outdoors. A suitable method of drainage shall be provided to rapidly eliminate excess water.
  - (1) shelter for a dog or cat shall consist of a moisture proof and windproof structure of suitable size to accommodate the animal and to allow retention of body heat. It shall be made of durable material and shall be provided with a sufficient quantity of suitable bedding material to provide insulation and protection against cold and dampness and to promote retention of body heat. A dog will be considered "outdoors" regardless of access to an outdoor doghouse or similar structure, unless the structure has an independent source of heat that is safe for use in outdoor structures and does not pose a danger to the animal. The animal's body heat is not a sufficient source when the temperature is below 32 degrees Fahrenheit in Oklahoma City. A vehicle shall not be considered an adequate shelter and shall be prohibited, as described in Section 8-115 of this Chapter.
  - (2) shelter for livestock or domesticated fowl shall protect the animal from the weather.

(3) shelter for exotic wildlife shall be appropriate to the size and needs of the animal and in compliance with the requirements set forth in Chapter 35, Article VIII of this Code.

- (f) It shall be unlawful and a violation of Section 8-95 for any person to leave any dog outdoors and unattended for a period of one-half hour or longer, during such a period when the temperature is below 32 degrees Fahrenheit in Oklahoma City.

In the event temperatures are as described in subsection or facilities are not available as required in (e)(1) of this Section, then the dog shall be brought indoors and remain indoors until outdoor temperatures allow placement of an animal outdoors.

- (g) *Sanitation requirements.* All shelters, enclosures, cages, and litter boxes shall receive necessary cleaning to remove excreta, waste materials, dirt, and trash to minimize disease hazards and to reduce odors. Litter in litter boxes and shaving or other materials used in cages or enclosures shall be changed as frequently as necessary to minimize disease hazards and to reduce odors.

- (h) *Veterinary and other care requirements.* All animals shall have the veterinary and other care necessary to prevent suffering.

(Ord. No. 23145, § 2, 10-3-06; Ord. No. 24523, § 1, 8-28-12; Ord. No. 26995, § 1, 2-15-22)

§ 8-97. - Animal Welfare Superintendent may impound animal and/or provide terms and conditions for care.

- (a) Whenever the Superintendent or his/her designee finds any animal is without humane care or treatment, he may, at the owner's expense, impound the animal for protective care. In the event of sickness or injury of the animal and upon the advice of a licensed veterinarian, the Superintendent may take appropriate action to relieve pain and suffering; this shall include the option of immediate humane euthanasia of the animal.
- (b) The Animal Welfare Superintendent may issue a citation to the owner for a violation of Section 8-95 and/or may specify the terms and conditions under which the owner may regain or maintain custody of the animal, which terms and conditions statement shall be signed by the owner. The Court may designate that the signs inform both children and adults of the presence of the menacing or dangerous animal and may include a graphic of a snarling dog and wording that warns of the presence of the menacing or dangerous animal.

- (1) the Court may order the owner of a menacing or dangerous animal to notify the Animal Welfare Division immediately if the animal escapes from its enclosure or restraint and is at large, or if it bites or attacks a person or domestic animal, or if it dies.
  - (2) if so ordered by the Court, in the event of the animal's death, satisfactory proof of such death shall be provided to the Animal Welfare Division within 48 hours of the animal's death. If so ordered, the owner shall provide the Animal Welfare Division with the name, address, and phone number of the person receiving the animal, as well as the location at which the animal shall be maintained.

(1)

the Court may order that prior to transferring the classified animal to the custody or ownership of another, it shall be the responsibility of the owner to notify the person receiving the menacing or dangerous animal in writing of the classification of the animal as menacing or dangerous and that the person receiving the animal shall be responsible for meeting the requirements of this division prior to obtaining the animal. If the animal is to be moved outside the City limits, the Superintendent shall give notice to the Animal Welfare Superintendent of the City in which the animal will be located.

Furthermore, any person redeeming a dog or cat not licensed as required by ordinance shall pay the required license tax to the city clerk and secure a tag and present the receipt therefor and the tag to the person in charge of the pound before the latter releases the dog.

No impounded dog or cat shall be released to the owner until all requirements of this article and Article IX have been met and the required license has been purchased. The city clerk shall not issue a license for any dog until the city clerk or chief of police has been furnished with a certificate of a veterinarian or other person legally authorized to immunize dogs, showing that the dog has been immunized against rabies during the calendar year, or within six (6) months prior to the impounding of the dog, if immunized in a previous year; provided, however, that the city clerk or chief of police may authorize the release of an impounded dog if the owner or his agent has deposited a cash bond in the sum of ten dollars (\$10.00) with the city clerk, conditioned upon the agreement by the owner or his agent that such dog will be immunized against rabies within five (5) working days from the date of posting said bond. If the owner or his agent furnishes the city clerk or chief of police with certificate of a veterinarian or other person legally authorized to immunize dogs that the dog has been immunized against rabies within the time aforesaid, the city clerk shall refund the cash bond to the owner or his agent, less any fees for impounding and keeping which may be due to the city. If the owner or his agent does not furnish the city clerk or the chief of police with such certificate within the five-day period, then the bond shall be forfeited to the city. The

#### **Sec. 4-65. Redemption by owner.**

An owner of an impounded animal or his agent may redeem the animal, prior to its sale or destruction as provided for herein, by paying the required fees against the animal and meeting any other requirements which may be prescribed in this chapter.

(Ord. No. 882, § 1, 9-6-88)

#### **Sec. 4-66. Sale of impounded animals.**

As soon as practicable after any animal of apparent value has been impounded, the poundmaster or other officer of the city shall notify the chief of police or his authorized designate, who shall post a notice of such impoundment at the police station. Such notice shall describe the animal and notify the owner, if any, to redeem the animal upon payment of all fees and charges, prior to the date of sale. Provided, in the case of animals which are licensed or tagged, every effort is made to personally notify the owner. Such notice shall also state the date, time and place of public auction of any unredeemed animals listed thereon. Unless an emergency is deemed to exist requiring alternate disposition of any animal, any such auction and sale shall not be before the third day after posting such notice as for dogs, cats, fowl or other similarly-sized animals, and not before the thirtieth day after posting such notice as for livestock.

Sales herein provided for shall be for cash to the highest bidder. The minimum acceptable bid shall be ten dollars (\$10.00) or an amount equal to three (3) times the daily maintenance fee of the animal, whichever may be higher. The sale shall be conducted under the authority of the chief of police or his designate. If there be no acceptable bid, any animal may be re-offered for sale or may be sacrificed in a humane manner, in the discretion of the chief or his designate.

Notwithstanding anything to the contrary herein, any impounded livestock animal shall be kept for thirty (30) days prior to sale or sacrifice. Upon sale, the minimum acceptable bid for such animal shall be the equivalent of the city's cost of impounding and maintenance. In addition to other requirements herein, the procedure for sale of livestock shall include the following:

- (a) Date, time and place of such sale shall be published in a newspaper of general circulation in the city at least three (3) days prior to the sale.
- (b) Bidding shall be by sealed bid delivered personally to the office of the city clerk no later than 11:00 a.m. of the date of the sale.

The purchaser of any animal at any sale provided for herein, shall pay over to the city clerk all necessary monies, in cash, on the date of sale no later than the close of business; provided, such purchaser on that date may instead post a cash bond in the amount of twenty dollars (\$20.00) conditioned upon payment of all monies, including license and vaccination fees, and any additional maintenance charges, within a period of time set by the city clerk. Failure to pay over required monies within the time fixed shall result in forfeiture of the bond without more. Provided further, the amount of any such bond may be increased by the city clerk in the case of the sale of any livestock animal. Any purchase for which no monies nor bond have been tendered at close of business on the day of sale shall be deemed null and void, and the subject animal may be re-offered for sale or otherwise disposed of under law.

If a claim is so made and approved by the council, the city clerk shall pay him such excess; but, if a claim is not so made, the excess shall belong to the city.
