## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution declaring the necessity for acquiring certain permanent easements, Projects PC-0926, Street Widening Improvements, South Post Road from SE 44th Street to SE 74th Street, and WC-1023, 60-inch Water Transmission Main Replacement, SE 74th Street from South Douglas Boulevard to South Post Road; South Post Road from SE 74th Street to SE 44th Street; and SE 44th Street from South Post Road to South Douglas Boulevard. Ward 4.

**Location:**

PC-0926 – South Post Road from SE 44th Street to SE 74th Street.

WC-1023 – SE 74th Street from South Douglas Boulevard to South Post Road; South Post Road from SE 74th Street to SE 44th Street; and SE 44th Street from South Post Road to South Douglas Boulevard.

**Background:**

Tinker Air Force Base is planning to expand eastward, thereby crossing South Douglas Boulevard and eventually closing the road to public access. Due to the road closure, two miles of an existing 60-inch water main must be replaced around Tinker Air Force Base's new expansion limits.

This American Rescue Plan Act (ARPA) project provides for the roadway widening of South Post Road from the existing 2-lane to a new 3-lane. These improvements include intersection, traffic signal, drainage, and the water main replacement.

Final Plans for PC-0926 and WC-1023 are expected early 2024 with construction anticipated to begin Spring 2024 and completed late 2026.
