

AMENDMENT NO. 1 TO CONTRACT FOR APPRAISAL SERVICES

This amendment is made and entered into this 16TH day of JANUARY, 2024, by and between The City of Oklahoma City, a municipal corporation, herein called "City", and its successors in interest, and Valbridge Property Advisors, Oklahoma, herein called "Appraiser".

WITNESSETH:

Project No. MC-0702-C
Appraisal Services; and

WHEREAS, on August 30, 2022, the City engaged the Appraiser to perform on-call city-wide Appraisal services; and

WHEREAS, subsequent to the execution of the original contract, it has been determined to be in the best interest of the City to include federal requirements to allow for funding of projects through the American Rescue Plan Act (ARPA); and

WHEREAS, the original contract must be amended to incorporate the aforementioned federal requirements; and

NOW, THEREFORE, in consideration of the mutual covenants contained hereinafter relating to the project, the parties agree to amend the contract as follows:

- I. Addition of **EXHIBIT C – REQUIRED FEDERAL PROVISIONS – ARPA FUNDS** to read as follows:

EXHIBIT C REQUIRED FEDERAL PROVISIONS – ARPA FUNDS PROJECT NO. MC-0702-C APPRAISAL SERVICES

The Appraiser will comply with the following federal requirements and clauses and all applicable laws including but not limited to applicable federal regulations and executive orders. In the event of conflict between the following federal provisions and the terms of the Contract, these federal provisions shall prevail.

A. Remedies

Any violation or breach of terms of this Contract on the part of the Appraiser or its subcontractors may result in the suspension or termination of this Contract or such other action that may be necessary to enforce the rights of the parties of this Contract. The

duties and obligations imposed by the Contract and the rights and remedies available thereunder are in addition to, and not a limitation of, any duties, obligations, rights and remedies otherwise imposed or available by law.

B. Termination for Cause and for Convenience

1. The City may, by written notice, terminate this Contract in whole or in part at any time, either for the City's convenience or because of failure to fulfill the Contract obligations. Upon receipt of such notice, work and services must be immediately discontinued (unless the notice directs otherwise) and all materials as may have been accumulated in performing this Contract, whether completed or in progress, delivered to the City.
2. If the termination is for the convenience of the City, an equitable adjustment in the Contract price will be made for performed work and services, but no amount will be allowed for anticipated profit on unperformed work or services.
3. If the termination is due to failure to fulfill the Appraiser's obligations, the City may take over the work and services and prosecute the same to completion by Contract or otherwise. In such case, the Appraiser shall be liable to the City for any additional cost occasioned to the City thereby.
4. If, after notice of termination for failure to fulfill Contract obligations, it is determined that the Appraiser had not so failed, the termination will be deemed to have been effected for the convenience of the City. In such event, adjustment in the Contract price will be made as provided in paragraph (2) of this clause "B".
5. The rights and remedies of the City provided in this clause "B" are in addition to any other rights and remedies provided by law or under this Contract.

C. Equal Employment Opportunity

During the performance of this Contract, the Appraiser agrees as follows:

1. The Appraiser will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Appraiser will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Appraiser agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this clause "C".
2. The Appraiser will, in all solicitations or advertisements for employees placed by or

on behalf of the Appraiser, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3. The Appraiser will send to each labor union or representative of workers with which the Appraiser has a collective bargaining Contract or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Appraiser's commitments under this clause "C", and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. The Appraiser will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
5. The Appraiser will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
6. In the event of the Appraiser's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Appraiser may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
7. The Appraiser will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) of this clause "C" in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Appraiser will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event an Appraiser becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the Appraiser may request the United States to enter into such litigation to protect the interests of the United States.

D. Compliance with the Copeland "Anti-Kickback" Act

1. Appraiser.

The Appraiser shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this Contract.

2. Violation; liability for unpaid wages; liquidated damages.

In the event of any violation of paragraph (1) of this clause "E", the Appraiser and any subcontractor responsible therefor shall be liable for the unpaid wages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of paragraph (1) of this clause "E", in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forth hours without payment of the overtime wages required by paragraph (1) of this clause "E".

3. Withholding for unpaid wages and liquidated damages.

The City shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from any moneys payable on account of work or services performed by the Appraiser or subcontractor under any such Contract or any other federal contract with the same Appraiser, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same Appraiser, such sums as may be determined to be necessary to satisfy any liabilities of such Appraiser or

subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this clause "E".

4. Subcontracts.

The Appraiser or subcontractor shall insert in any subcontracts paragraphs (1) through (4) of this clause "E" and also a clause requiring the subcontractors to include these paragraphs in any lower tier subcontracts.
