### **Location:**

The Pete White Health and Wellness Center, 4021 South Walker Avenue; the Will Rogers Park Senior Activity Center, 3501 Pat Murphy Drive; and the Willa D. Johnson Recreation Center, 909 Frederick Douglass Avenue.

### **Background:**

The mission of the Oklahoma City-County Health Department (“OCCHD”) is to protect health, promote wellness, prevent disease, and partner in the community. Previously, OCCHD partnered with the City to offer *Total Wellness* chronic disease prevention classes and referrals (“Program”) at certain locations. The City and OCCHD wish to enter into this Memorandum of Understanding (“MOU”) to continue the partnership, which benefits residents of Oklahoma City and Oklahoma County.

Under the MOU, the Program will be open to residents of Oklahoma City and Oklahoma County who are age 50 or over and who are at risk for chronic diseases. All Program sessions will be held at one of the facilities listed above, or at another, mutually agreeable location. The sessions will be held up to four times per year. Each session will last eight to nine weeks.

OCCHD will provide all Program-related staff and materials. The City will provide adequate meeting space at the facilities for the Program sessions. Each party will pay its own Program-related costs. Upon approval by the City, the MOU will be retroactively effective as described above. With mutual consent, it may be renewed for one year.
