

MEMORANDUM

Council Agenda
Item No. X. I
2/25/2025

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in approving the Plans and Specifications to be advertised for bids, Project WC-0863-2, Balancing Tank Replacement, Atoka Pipeline Pump Stations, Coalgate and Macomb.

Location:

Atoka Pipeline Pump Station, Coalgate and Macomb

Background:

Each pump station along the Atoka pipeline is served by a five-million-gallon tank. The existing steel tanks are original to the pipeline from 1964 and need to be replaced. The tanks at Stonewall, Ada, and Konawa pump stations were replaced in an earlier phase. This project will replace the existing tanks at Coalgate and Macomb with new concrete tanks.

Bid Receipt Date:

March 12, 2025 (This is a unit-price based project.)

Engineer:

Burns & McDonnell Engineering Company, Inc.

Estimated Completion Date:

November 2026

Source of Funds:

OCWUT–Water Facility Fund Trust Capital–Atoka Booster Stations–Project WC-0863-2–Architect & Engineering (6060-3901600-W6407-WC0863-2-54040007)

Review:

Utilities Department

Recommendation: Concur with the Oklahoma City Water Utilities Trust in approving the plans and specifications to be advertised for bids.
