

# MEMORANDUM

Council Agenda  
Item No. IX. F  
12/31/2024

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the sole source purchase of support and maintenance services for the Vesta 911 Switching and Call Processing System from AT&T (COKC01295), estimated cost \$509,801.87, retroactive to December 19, 2024 through December 18, 2025.

### **Background:**

On September 1, 2015, the City Council approved a purchase and maintenance agreement with AT&T for an Automatic Call Distributor based 9-1-1 Switching and Call Processing System (Vesta) for the Public Safety Communications Center.

The Vesta 911 Switching and Call Processing system for the Oklahoma City 9-1-1 Public Safety Communications Center (Center) is proprietary to AT&T. Continued services are essential for the ongoing maintenance and support of Vesta. AT&T is the sole source supplier for the Vesta 911 Switching and Call Processing System and services related thereto.

Staff requests Council authorize the sole source purchase of support and maintenance services for the Vesta 911 Switching and Call Processing System from AT&T (COKC01295), estimated cost \$509,801.87, retroactive to December 19, 2024 through December 18, 2025.

### **Estimated Cost:**

\$509,801.87

### **Source of Funds:**

1331 – 2501603 – 52010095 Information Technology > OCITY > Public Safety Communications Center > PSC Wireless 911

### **Review:**

Finance Department

**Recommendation:** Resolution be adopted.
