Employee Medical Center Program

## **SPECIAL PROVISIONS**

(Special Instructions and Scope of Services)

**Special Provisions are deemed to be part of the Professional Services Agreement and shall supersede any conflicting term, requirement or condition in the Professional Services Agreement.**

# The Opportunity

## *Project Summary*

By and through The Oklahoma City Municipal Facilities Authority (OCMFA), a public trust, the Oklahoma City Post-Employment Benefits Trust (OPEBT), a voluntary employee's beneficiary association trust, and the City of Oklahoma City (The City), the sole beneficiary of the OCMFA, is accepting proposals from licensed on-site employee clinic to provide quotes to administer the City's on-site employee medical center.

The plan is for the benefit of current employees and/or eligible former employees of the City of Oklahoma City, the Oklahoma City Zoological Trust (retirees only), Central Oklahoma Transportation and Parking Authority, the Oklahoma City Public Property Authority, Oklahoma City Employee Retirement System, and the McGee Creek Authority and their eligible dependents. The contract will be managed by the Human Resources Department – Employee Benefits Division of the City of Oklahoma City on behalf of the OCMFA and OPEBT. The Plan Administrator term as used in this request-for-proposal is the City, represented by the Human Resources Department, Total Rewards Manager.

The resulting contractual agreement will be between the approved Proposer and the OCMFA and with concurrence by The City and OPEBT. Contracting with the OCMFA, City and OPEBT allows for a multi-year agreement between the parties, subject to annual fiscal appropriations by the City Council of the City of Oklahoma City. OPEBT will be concurring on behalf of the retired beneficiaries of the Trust.

## *Background*

Incorporated in 1890, the City of Oklahoma City has had a Council-Manager form of government since 1927. Mayor David Holt, elected by all Oklahoma City voters, heads a council of eight who are elected by ward. The City Manager is the chief administrative officer and is responsible for management of the City's 18 departments, in addition to management or oversight of the City's major trusts and authorities.

The City provides all basic municipal services including police and fire protection, municipal courts, street maintenance, traffic control, parks, financial services, human resources management, grants management, and information technology services. In conjunction with public trusts, the City also provides water and wastewater utilities, solid waste collection, drainage utility services, golf courses, airports, transportation, parking, public events facilities and zoo facilities.

The City has collective bargaining agreements with three employee groups: Fraternal Order of Police, (FOP), International Association of Fire Fighters (IAFF), and the American Federation of

State, County, and Municipal Employees (AFSCME). However, only the FOP and AFSCME employee groups participate in The City's total rewards programs. The IAFF contracts independently for benefits on behalf of members covered by their collective bargaining agreement. (City employees covered by the IAFF contract are **not** part of the participants that will be covered under any agreement resulting from this RFP process.)

The City provides a self-funded major medical plan, an on-site health clinic, Life/AD&D, and dental insurance plans to employees, retirees, and their eligible dependents. Each year The City/OCMFA/OPEBT provides an open enrollment period that allows participants the opportunity to update dependent eligibility, and/or to select the self-funded major medical plan and other insurance options. Participants cannot change coverage outside of the open enrollment period. Election changes may be made during the plan year due to a qualifying event.

Specifications have been prepared outlining the on-site clinic services to be quoted. Alternative service(s) may be submitted in addition to responses to the items requested in the outlined specifications and should be preceded with a summary of how the alternative could be more advantageous to the City.

Proposers are required to submit proposals with offerings **identical** to the major provisions of the current onsite clinic design. Please refer to the RFP Questionnaire. The City is also interested in obtaining proposals with proposed enhancements to the clinic – outline those offerings in your supporting documentation.

### *Statement of Need*

This request-for-proposal is intended to solicit proposals for a multi-year agreement from a Proposer who is capable of providing the level of service and expertise required for average membership of 3800 active subscribers plus dependents and 1800 retiree subscribers plus dependents. The duration of any agreement is anticipated to be a maximum of five years. Both parties will have the option to terminate any agreement, with or without cause, upon appropriate and timely notice to the other party.

Proposers must have the financial viability to perform under the contract. Proposers must have sophisticated resources available to achieve the total rewards administration goals outlined in the administration plan, as evidenced by this request-for-proposal. Proposers must have staff resources able to absorb the additional work created by adding an account the size of the City of Oklahoma City and its related entities, without a substantial dislocation of current staff, or the need to hire a significant number of new employees. Proposers must also have the technical resources in place to accurately and efficiently process large amounts of data, and comply with the legislative and regulatory environments, including the Health Insurance Portability and Accountability Act (HIPAA) and the Patient Protection and Affordable Care Act (PPACA).

## Goals

The component services desired by the City include, but not limited to:

- Performance guarantees; specifically guarantees for utilization of the clinic services
- Proven record of providing clinic services to employers
- Cost-containment programs
- Capabilities to refer individuals out for specialist care
- Ability to provide a pass-through model for pricing

The terms of the agreement should also allow for such provisions to the OCMFA member communications, legal, and regulatory reporting as required by the service component.

## Scope of Services

### Description of Services

Proposers should design and outline all facets of their proposed program, including staffing, outreach, funding, and other elements as outlined in the goals. Proposers are encouraged to think creatively and design programs that will meet the needs of the employees, retirees, and eligible dependents of OKLAHOMA CITY. That said, all proposals must include the following elements.

DESCRIPTION	FREQUENCY/DURATION/QUANTITY
Regulatory compliance	Monthly
Program management reporting and financial reporting	Monthly
Advisory services to the plan administrator	Quarterly
Audit inquiries	As needed

### *Contract Management Expectations*

As part of the City of Oklahoma City's commitment to becoming more outcomes-oriented, the Contracting Entity seeks to actively and regularly collaborate with the selected Services Provider to enhance contract management, improve results, and adjust service delivery and policy based on learning what works. Reliable and relevant data is necessary to ensure compliance, inform trends to be monitored, evaluate results and performance, and drive service improvements. As such, the Contracting Entity reserves the right to request/collect other key data and metrics from the selected Services Provider.

The performance Guarantees outlined in the RFP Questionnaire highlight key priorities that will be analyzed with the selected Services Provider collaboratively during the life of the contract. This is not an exhaustive list, but rather an indication of significant performance metrics of interest to the Contracting Entity. Additional important performance metrics can be defined collaboratively with the selected Services Provider. The selected Services Provider could be expected to report monthly on these key priorities.

### *Contract Payment*

The Contracting Entity issues payment in accordance with the Professional Services Agreement. Proposer(s) should invoice the Contracting Entity at the email address that appears in the Notice to Proposers.
