

# MEMORANDUM

Council Agenda  
Item No. IX. F  
1/30/2024

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the sole source purchase of MagneGrip vehicle exhaust systems, parts and service from MagneGrip (SS25-C255000), estimated cost \$100,000, January 30, 2024 through January 29, 2025.

### **Background:**

Project MB-0830 for vehicle exhaust systems was awarded on October 30, 2007 (Item No. VI.M.). The MagneGrip vehicle exhaust systems are installed at Oklahoma City fire stations. The paramount feature of this system is the capability of safely removing vehicle exhaust from the fire stations. The MagneGrip vehicle exhaust system is unique in design and application and no other system is interchangeable with the MagneGrip system and its tailpipe nozzle connection. MagneGrip is the only company that can provide the MagneGrip System in the State of Oklahoma.

The Oklahoma City Fire Department has a need to purchase MagneGrip vehicle exhaust systems, parts, and service to maintain the systems at the current fire stations and install complete systems at new fire stations. Systems for new fire stations are normally included in the construction project. The Fire Department would like to upgrade systems at some of the fire stations with new parts as technology has advanced with safer and more versatile components.

Staff requests sole source authority for the purchase of MagneGrip vehicle exhaust systems, parts, and service from MagneGrip, estimated cost \$100,000, January 30, 2024 through January 29, 2025.

### **Estimated Cost:**

\$100,000

### **Source of Funds:**

General Fund – General Operations – Budget-Support Services – Fire Purchasing – Budget-Other Services and Charges – Budget-Materials and Supplies (001-0001-45004XX-11550-52000001-53000001)
