

OCWUT Agenda  
Item. III.G  
8/27/2024

TO: Trustees, Oklahoma City Water Utilities Trust

FROM: Chris Browning, General Manager

Accept a permanent easement from The City of Oklahoma City, Project SC-0915, Lift Station Improvements, south of Lake Hefner from NW Expressway to North Portland Avenue; south of Lake Hefner from North Portland Avenue to Lake Hefner Parkway; and East Overholser Drive and NW 23rd Street.

**Location:**

South of Lake Hefner from NW Expressway to North Portland Avenue  
South of Lake Hefner from North Portland Avenue to Lake Hefner Parkway  
East Overholser Drive and NW 23rd Street

**Background:**

This easement is required for the purpose of constructing, operating, maintaining, repairing, and replacing wastewater systems and associated facilities, connections, utilities, and appurtenances thereto. This easement is necessary for the consolidation and/or replacement of lift stations with gravity sewer mains and new force mains.

**Recommendation:** Easement be accepted and recorded as provided by law.
