TO: Mayor and City Council

FROM: Kenneth Jordan

Resolution authorizing the Municipal Counselor to waive service of process and to confess judgment without admission of liability in the amount of \$2,503 and all the costs of the action in the Oklahoma County District Court in the claim filed by Paula Littlejohn. Ward 7.

Claimant's address:  
16 Bainbridge Road  
Oklahoma City, OK 73114

This office acknowledges receipt of a claim from the above-referenced claimant in which the claimant alleges that on October 14, 2024, she experienced a sewer backup inside her residence located at 16 Bainbridge Road. Claimant alleges the blockage was later determined to be on the City line. Damages are alleged in the amount of \$2,503, the cost of cleaning the wastewater out of her residence. This amount is supported by documentation.

Section 153(A) of the Governmental Tort Claims Act provides:

- A. The state or a political subdivision shall be liable for loss resulting from its torts or the torts of its employees acting within the scope of their employment subject to the limitations and exceptions specified in this act and only where the state or political subdivision, if a private person or entity, would be liable for money damages under the laws of this state. The state or a political subdivision shall not be liable under the provisions of this act for any act or omission of an employee acting outside the scope of his employment.

51 O.S. 2018 Supp. §153(A).

According to the Oklahoma Supreme Court, a prima facie case of negligence is established by showing the following: "(1) a duty owed by the defendant to protect the plaintiff from injury, (2) a failure to properly exercise or perform that duty and (3) the plaintiff's injuries are proximately caused by the defendant's failure to exercise his duty of care." *McKellips v. Saint Francis Hospital, Inc.*, 741 P.2d 467, 470 (Okla. 1987) (citations omitted).

Proximate cause has two components - legal causation and cause in fact. *Id.* Cause in fact is

determined by the "but for" test: "The defendant's conduct is a cause of the event if the event would not have occurred but for that conduct." *Id.* (citations omitted). "Proximate cause" is also a synonym for "legal cause." BLACK'S LAW DICTIONARY, 804 (6th Ed. 1990). To clarify this issue, the Oklahoma Supreme Court has further defined proximate cause: "The proximate cause of an event must be that which in a natural and continuous sequence, unbroken by an independent cause, produces the event and without which the event would not have occurred." *Gaines v. Providence Apartments*, 750 P.2d 125, 126-27 (Okla. 1987) (citations omitted).

Applicable law holds that a municipality is not liable for damages resulting from a sewer backup unless the municipality had prior notice, actual or constructive, of a nuisance or defect in the sewer line which it failed to abate, and such nuisance or defect resulted in damage to the claimant. *Oklahoma City v. Romano*, 433 P.2d 924, 927 (Okla. 1967).

This office is in receipt of information from the Line Maintenance Division of the Utilities Department regarding this claim. This information indicates that there was a blockage on the City mainline on or about October 14, 2024 near claimant's residence. This information also indicates that there have been numerous blockages in the vicinity of claimant's residence within the previous five years.

Based on the above information and applicable Oklahoma law, it is the opinion of this office that this claim should be approved, and that the Municipal Counselor should be authorized to Confess Judgment without admission of liability in the sum of \$2,503, all costs of the action in the District Court. If Council agrees, a Resolution to that effect has been prepared.
