

MEMORANDUM

Council Agenda
Item No. IX. AH
4/8/2025

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Amendment No. 1 to Contract for Engineering Services with Kimley-Horn and Associates, Inc., Project MC-0645, New Fiber Corridor for the Information Technology Data Center, 3738 SW 15th Street, Central Maintenance Facility, fee increase of \$1,177,882. Ward 3.

Location:

3738 SW 15th Street

Background:

This 2017 General Obligation Bond project provides for a new Fiber Corridor for the Information Technology Data Center.

The original contract included Data Collection and Workshops to evaluate and to establish design criteria, with the possibility of a future amendment for preparation of a Preliminary Report, Final Plans and Specifications, Bidding, Construction Administration and other services related to this project. The design criteria has been established and it is in the best interest of the City to direct the Engineer proceed with the remaining tasks. Additionally ODOT funding has been secured, therefore, the project shall be designed and constructed in accordance with current applicable Oklahoma Department of Transportation (ODOT) policies, manuals, and standards.

The Preliminary Report is expected to be submitted in fall 2025.
