Subdivision and Zoning

March 12, 2024

Status of public improvements serving Sweetwater.

Letter of Credit (\$1,974,027.00):

An estimate of \$1,974,027.00 for the construction of paving and drainage improvements, and a sewer lift station, appears to be adequate for surety purposes. A 10% cost overrun is included in this estimate.

Engineering records reflect that the following improvements were constructed in accordance with approved plans and specifications and completed effective as of dates shown:

Sewer lift station: March 5, 2024

Paving and drainage improvements were completed: October 6, 2023

Sanitary sewer improvements were completed: June 15, 2023

Water improvements were completed: August 11, 2023
