

# MEMORANDUM

Council Agenda  
Item No. IX. BG  
8/15/2023

## The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Ordinance to be introduced and set for final hearing on August 29, 2023, establishing 45 degree reverse angle parking within a setback parking area on the north side of NE 4th Street from North Kelley Avenue to North Stonewall Avenue. Ward 7.

### **Background:**

Timothy W. Johnson, P.E., President of Johnson and Associates, Inc., on behalf of their client for the Page Woodson Project, has submitted a request to establish 45 degree reverse angle parking within a setback parking area on the north side of NE 4th Street from North Kelley Avenue to North Stonewall Avenue, including two reserved parking spaces for the physically disabled, on the north side of NE 4th Street between North Kelley Avenue and North Stonewall Avenue.

The reverse angle parking stalls proposed will be eleven (11) feet wide. This width is based on the current design used by the City of Tulsa. Standard angle parking spaces are nine (9) feet wide.

At their regular meeting on July 17, 2023, the Oklahoma City Traffic and Transportation Commission voted in favor of the request and recommended it for approval by the City Council.

### **Cost:**

Applicant will bear the cost for constructing the angle parking.

### **Review:**

Public Works Department

**Recommendation:** Ordinance be introduced and set for final hearing.
