The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Grant of permanent easement to the Newalla Church of Christ to provide service of a septic tank, 20811 Katy Avenue. Ward 4.

Location:

20811 Katy Avenue

Background:

The Newalla Church of Christ, located at 20811 Katy Avenue, Newalla Oklahoma 74587, has applied for a permit from DEQ for the installation of a new septic system to replace their current one. The new system will require that a subsurface transmission line from the aerobic septic system pass under and through a platted 20-foot alley to a series of spray heads in a spray field. The alley is not currently in use as an alley, and the church owns the property on both sides of the platted alley. DEQ is requiring that the church obtain an easement from The City of Oklahoma City for the subsurface line's placement.
