

Project M4-TK011

MAPS 4 Bike Lanes, Phase 1B

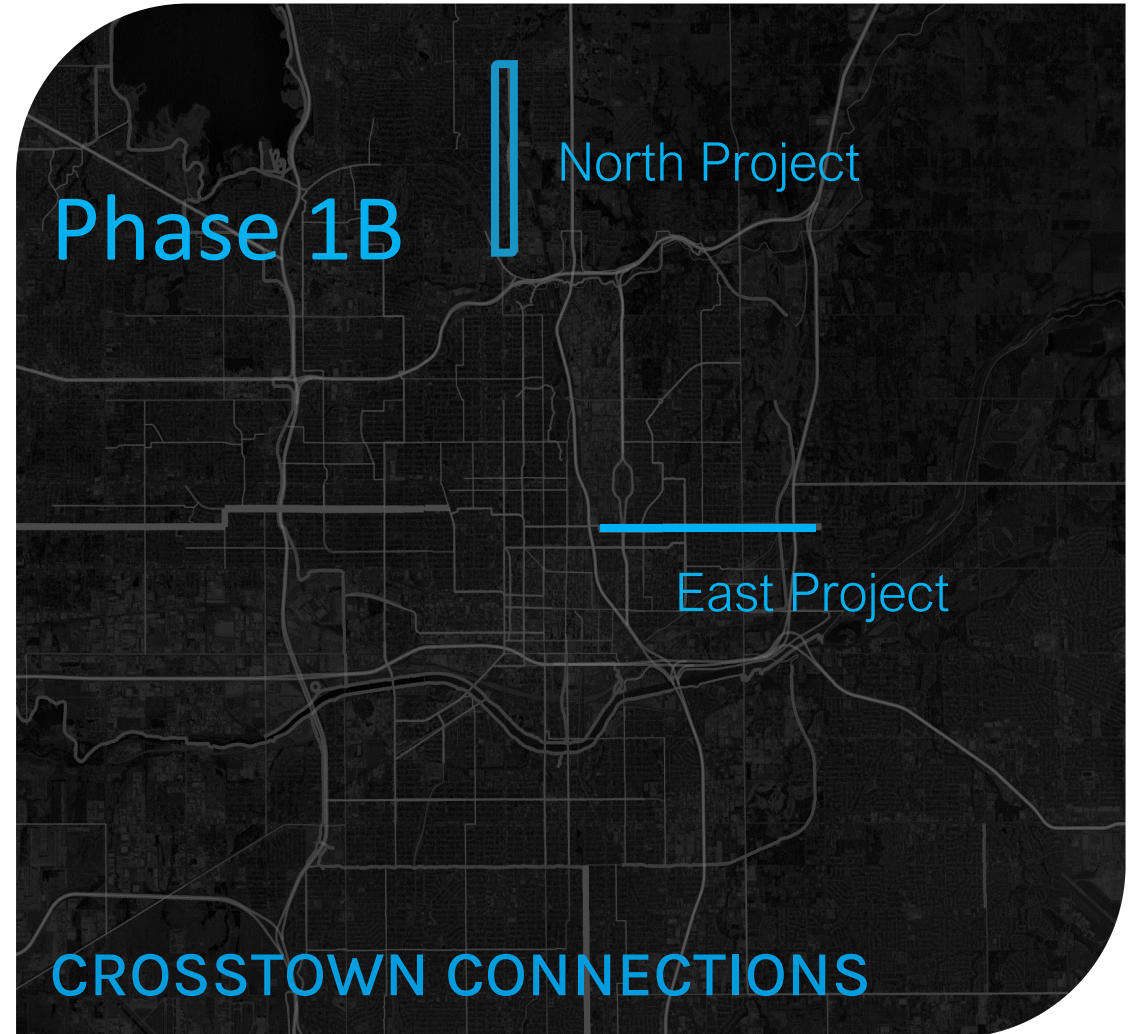

Final Plans Presentation
September 2024

MAPS4

Phase 1B Projects

- Crosstown Connection Projects
- Classen Boulevard (North Project)
 - Grand Boulevard to Britton Road
 - 2.6 miles
- NE 16th Street (East Project)
 - Walnut Avenue to Bryant Avenue
 - 2.8 miles

Bike Project Goals

- Add bike facilities to existing roadway
- Provide connection between east and north OKC and the downtown area bike infrastructure
- Focus on enhancing cyclist safety

An aerial photograph of a city street grid. A green line highlights a section of Classen Boulevard, starting from the top left and extending towards the bottom right. The line starts near a label 'Britton Road End Project' and ends near a label 'Grand Boulevard Begin Project'. Another label 'Wilshire Boulevard' is located on the left side of the highlighted section.

Britton Road
End Project

Wilshire Boulevard

Grand Boulevard
Begin Project

Classen Boulevard Highlights

- 5-ft bike lane with a 5-ft buffer
- Adding 1,155 delineators
