**MEMORANDUM**

TO: Sharmanlyne Vickers, Purchasing Agent  
Procurement Services Division, Finance Department

FROM: Wade Gourley, Chief of Police *WG*  
Oklahoma City Police Department

DATE: March 19, 2024

SUBJECT: Sole Source – Magnet Forensics (GrayKey - License renewals and equipment)

The OKCPD Special Investigations is requesting approval for the purchase of one additional GrayKey annual license and device as well as the renewal of the three current licenses from Magnet Forensics. The current software expires 5/13/2024. The renewed and additional licenses will be for the period of 05/14/24 to 05/13/25.

The GrayKey is a device utilized for the unlocking of secured mobile devices. The software can be utilized to open most Apple iPhone or iPad device operating current iOS versions; and any Android based device. With this software license package, the GrayKey device will open all Android devices in addition to the current menu of Apple iOS devices through a brute force method. The complexity associated with the encryption and algorithmic safety and countermeasures utilized by both of these operating systems continues to become more complex and requires significant reverse engineering on behalf of GrayKey.

GrayKey is a proprietary product which was purchased last year by Magnet Forensics. There are no competitors in existence that offer the GrayKey line of products. A sole source letter from Magnet Forensics has been provided documenting their ownership of all distribution and marketing rights of the GrayKey products and licenses.

The cost per license is \$33,105.00 for a total of \$132,420.00.

Estimated Cost: \$133,085.00

Source of Funds:

State Asset Forfeiture – Police Special Operations Supp – PD Maintenance & Operations –
