This letter is written in support of the "Standards for Specific Uses", as required by Chapter 59, Article IX, Section 9350. An *Application For Special Permit* submitted for the White Rabbit Lounge requires compliance with Section 9350.25.1, specifically. The White Rabbit Lounge will be a drinking establishment that seeks "*Sitdown, Alcohol Permitted*" use.

The White Rabbit Lounge will be located at 219 South Klein Ave, Oklahoma City OK, 73008. This location is not within 300 feet of any church property, public or private school. Additionally, there is no outdoor seating/activity area at this time.

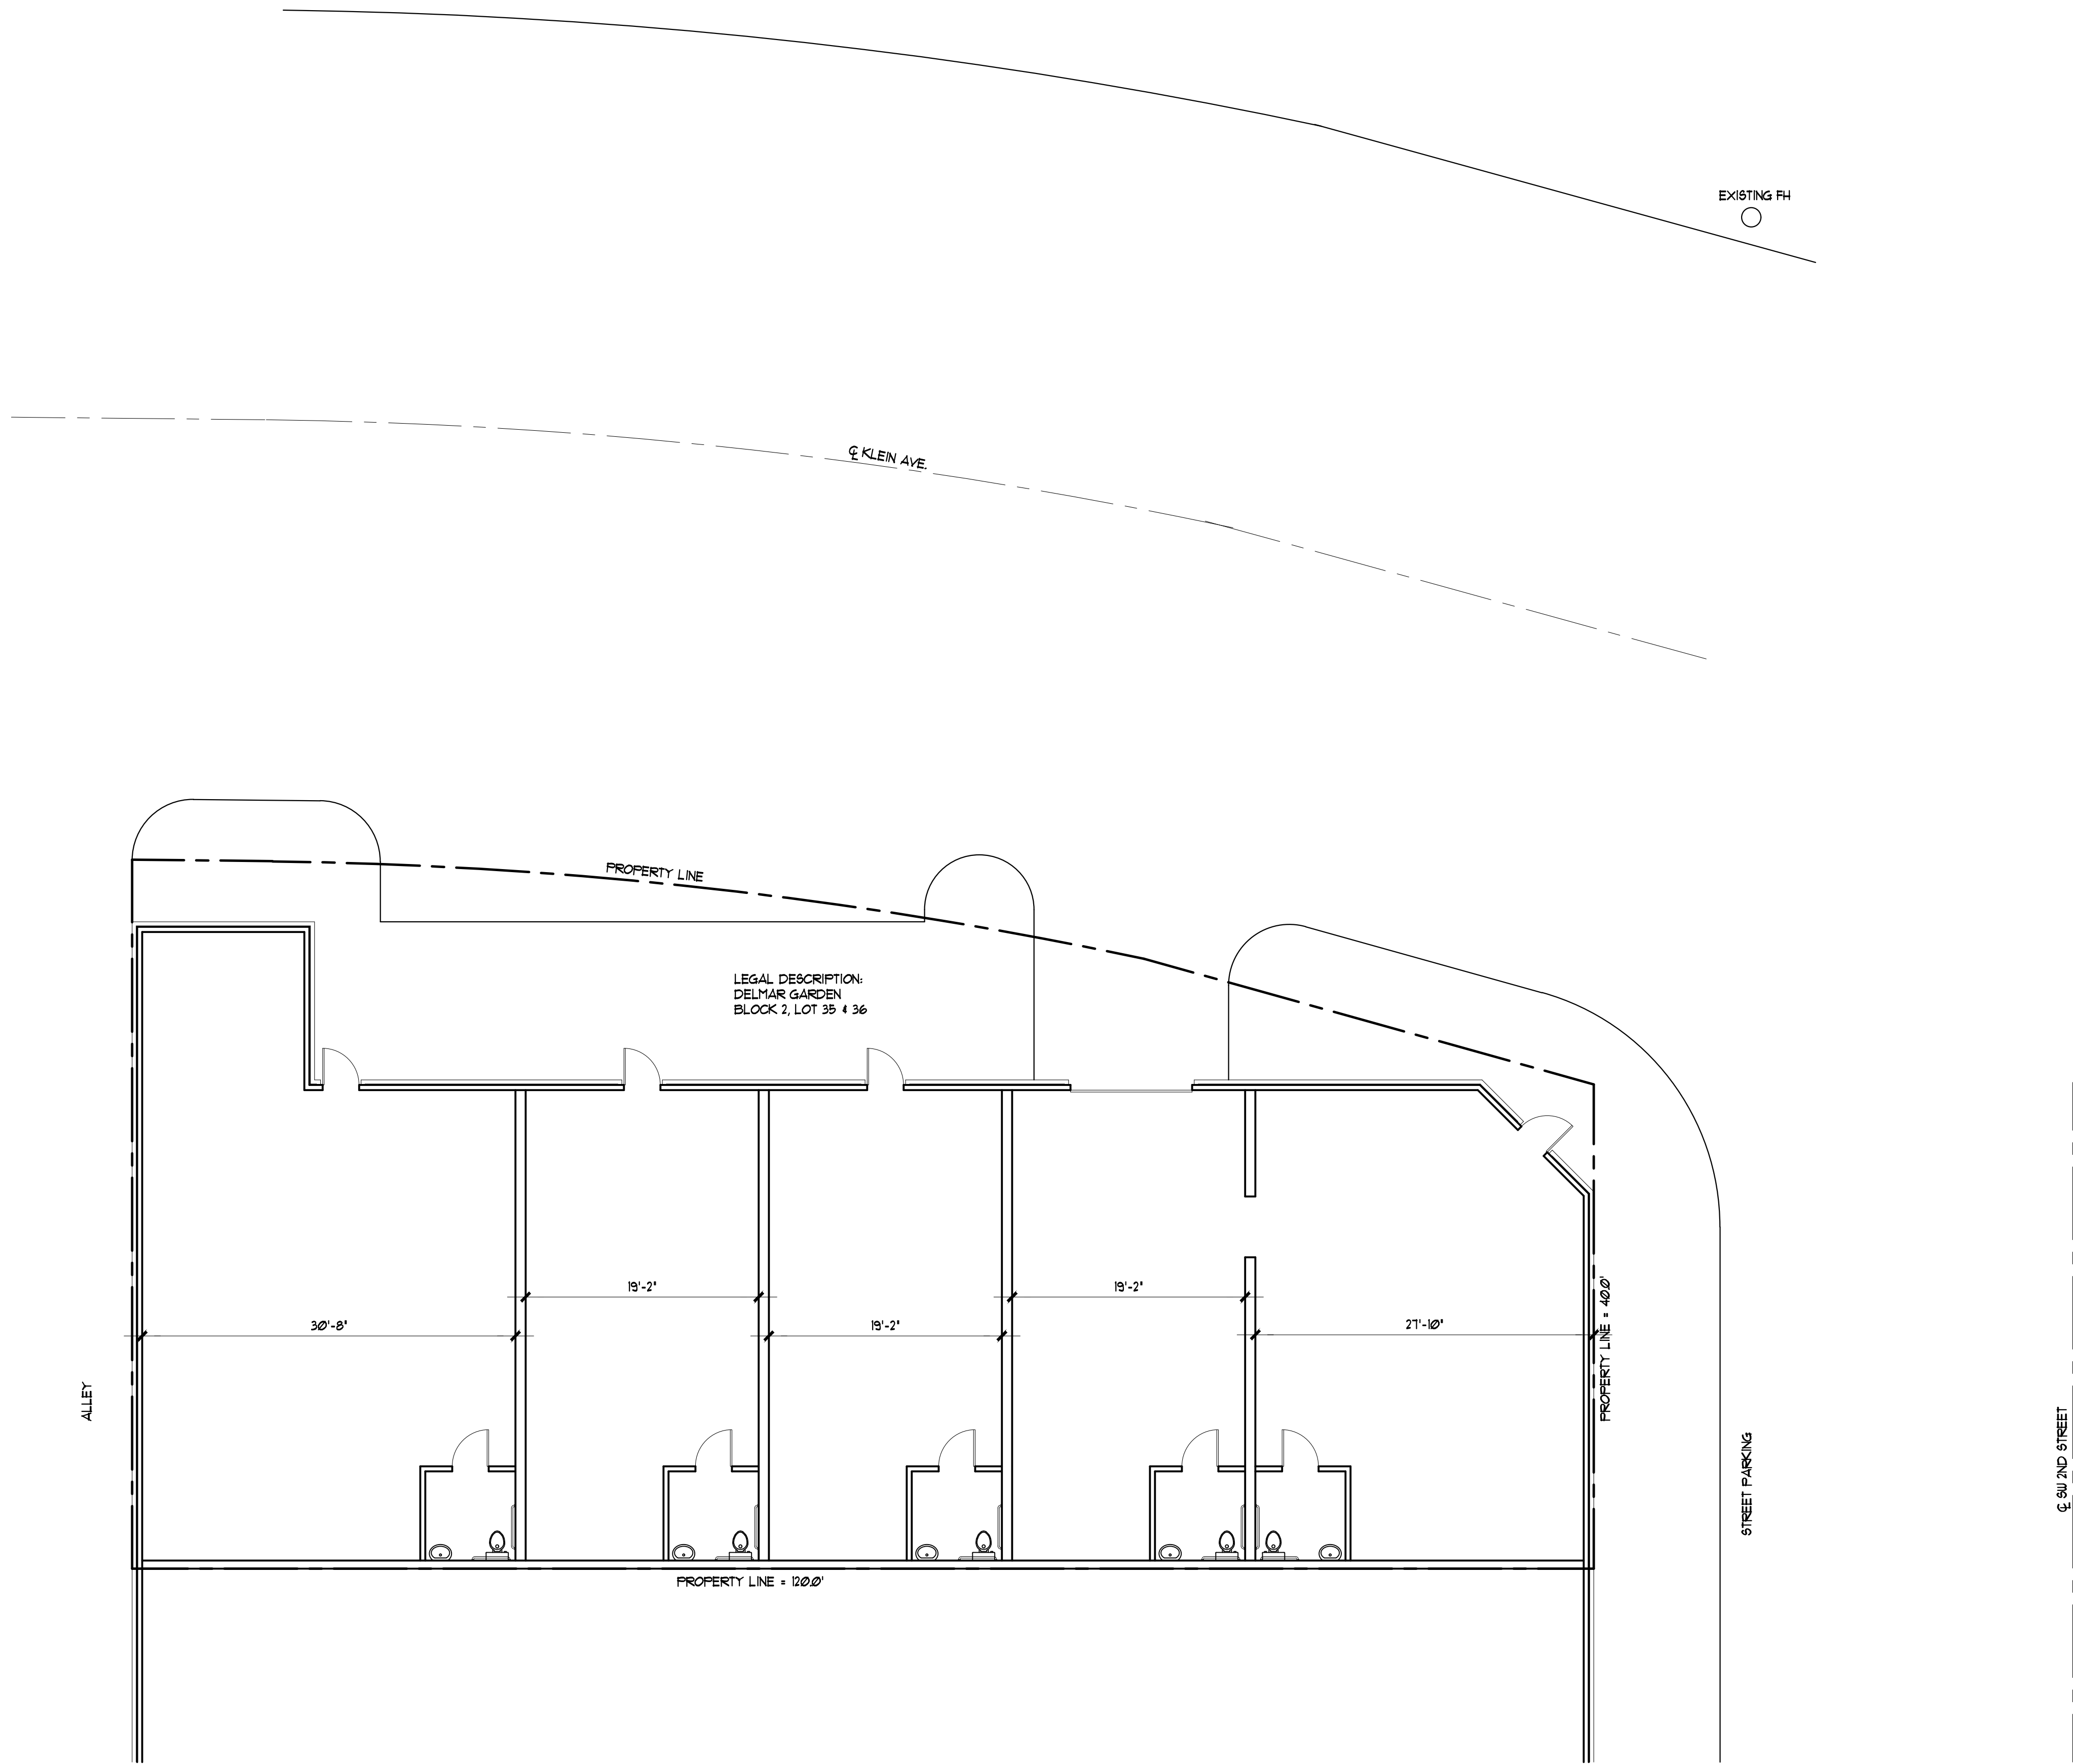

All site plan requirements specified in 59-4250.2.D. are in compliance. A detailed site plan showing the location and dimensions of the property designated for the sale and consumption of alcoholic beverages is attached to the application. The Oklahoma County Assessor's office has provided a 600ft Radius Report listing all owners of property within 600 feet of the exterior boundary of the subject property upon which the permit is requested. The report satisfies the ten individual property owners of ten separate parcels minimum requirement. This report will accompany the application.

The owner has provided written authorization for said property to be used as a drinking establishment, and grants permission for the premises to operate under a "*Sitdown, Alcohol Permitted*" use (59-8300.33). All location, site plan and notification requirements have been realized and are in compliance.

Requirements set forth by Chapter 59, Article IX, Section 9350 are satisfied. Please, let me know if additional information needs to be provided.

Sincerely,

Paul Hale
