SURVEYOR'S REPORT & NOTES

(1) The attached boundary survey was based upon the recorded final plat of Sunnyslane Estates to Oklahoma City, Cleveland County, Oklahoma, as filed in Plat Book 8, Page 5, Dated May 22, 1970, in the Cleveland County Clerk's records. Additionally, this survey was made to establish the boundary locations as shown hereon and is based upon found monuments by other surveyors.

(2) This does not represent a complete search of the County Clerk's records to determine ownership. No courthouse research was made by the undersigned for additional deeds or easement information, except as noted hereon. The undersigned has not abstracted the subject property.

(3) This survey does not represent a complete search of the County Clerk's records to determine if any easements or rights-of-way affect the property except as noted.

(4) No excavations were made during the progress of this Survey to locate underground utilities and facilities. Call 1-800-522-6543 or the owners of underground facilities to have them marked before any excavation.

(5) Except as specifically stated or shown this Survey does not reflect any easements, rights-of-way, building lines, restrictive covenants, subdivision restrictions, zoning or other land use regulations. Further this Survey does not show any other facts which an accurate and current title search would disclose.

(6) All buildings, surface or subsurface improvements on or adjacent to the subject property are not necessarily shown. This "Boundary Survey" was made to locate the boundary lines of said property and not necessarily to locate all improvements.

(7) It is advised, by the undersigned, that all adjoining property owners should be contacted prior to building any fences or other structures along or on the property lines. Certain legal rights may exist with existing fences that have been used for particular periods of time for lines of possession. If any difference of opinion is indicated a resolution should be reached, preferably in writing, between the owners on the location of any improvements along or on the property lines.
