[You don't often get email from librarian02@yahoo.com. Learn why this is important at <https://aka.ms/LearnAboutSenderIdentification>]

Dear Barbara Peck, my Ward 3 City Council Representative, and the OKC City Council,

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

Nearby developments including Shocks Western Heights, Antwon's Landing, Morgan Creek, Westbrooke, Coventry Manner, WindsWest, Walden Creek, Fountain Grass & Kingsridge all feature single-family homes with lakes or ponds, maintaining a consistent rural and residential character. The introduction of high-density apartments would be inconsistent with these neighboring properties and is one of the many reasons it should not be rezoned.

I pray you will agree that PUD-2029 MUST BE DENIED.

Respectfully submitted,

Name: Roni Smith

Neighborhood: Winds West

Address: 3804 Windscape Ct.

I am sending you this letter to **protest PUD-2029** and ask that you **deny the rezoning** of 8512 SW 29th Street.

The integrity, rural character, and value of our investments and infrastructure should be respected and efficiently used. The proposed changes will negatively impact every single home in this area. It will also burden the already overwhelmed school district and roadways.

PUD-2029 is out of character and it should be DENIED.

Respectfully submitted,

Cheryl Lowry

DATE: 09/11/2024

Oklahoma City Planning Commission

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8612 SW 29th Street. I'd like to share my reasons the property should remain zoned as R1 single family residential.

Density: The density of R1 is 8 per acre and the density of R4 is 15.4 per acre and this almost DOUBLES the capacity. Doubling the capacity does not uphold the character of our neighborhood. It would make daily commuting impossible especially with our current infrastructure.

Rural Character: We are a community of single-family homes; many with lakes/ponds. Our community is full of character and the proposed rezoning doesn't fit within the existing neighborhoods! This area is beautiful and peaceful and everyone in this area would be devastated to lose that!

SustainOKC11: The integrity and rural character of this development should be respected as previous investments and infrastructure are efficiently used.

Greenspace: Single Family Homes will allow for more greenspace which will preserve and complement the quality of our neighborhood.

I, Tierra Tilney am the homeowner at 9320 SW 40th Street Oklahoma City, Oklahoma 73179 and ask you to deny the rezoning of PUD-2029.

Thank you for listening to our concerns; we appreciate your time and consideration.

Respectfully sent,

Tierra Tilney
9320 Sw 40th Street Okc, Ok 73179

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The type of housing being proposed is simply not in keeping with the character of our neighborhood. We are a neighborhood of single-family homes. The proposed development would drastically alter the aesthetic of our area, replacing the existing greenery and open spaces with a high-density housing complex.

In addition, they are preparing the property West of County Line between SW 29th and SW 44th (South side of the retention pond and East side of Walden Estates) to build 175 new homes that has already been approved and is almost ready for roadwork. There are too many houses being built already and the addition of 400 apartments will tax our infrastructure, as County Line is a narrow two lane road. The potential for inadequate infrastructure will likely raise property taxes, and school over-crowding.

We ask you to honor our wishes and vote to deny PUD-2029.

Dear Sir or Madam;

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The integrity, rural character, and value of our investments and infrastructure should be respected and efficiently used. The proposed changes will negatively impact every single home in this area.

PUD-2029 is out of character, will greatly increase traffic in an already highly congested area, and overcrowd our school system that is already busting at the seams. For these reasons, I respectfully ask for the rezoning to be DENIED.

Respectfully submitted,

Subject: PROTEST PUD-2029

Hello!

Did you know there are currently **2,000 homes** being built in this area? Isn't it irresponsible to allow another 396 units to be built that are to include 1, 2, 3, and 4 bedroom units without learning the full impact that these new homes will bring to the area? Yes, it IS irresponsible and that is why we are counting on you to vote to DENY PUD 2029.

I am sending you this letter to **protest PUD-2029** and ask that you **deny the rezoning of 8512 SW 29th Street.**

The proposed rezoning and subsequent construction of apartments will significantly **alter the character** and dynamics of the surrounding homes and neighborhoods. This area is currently zoned for single-family residential, which has fostered a close-knit, community-oriented environment. Introducing high-density housing will **disrupt the existing fabric of our neighborhood** and potentially lead to overcrowding, increased traffic, and put a strain on local infrastructure.

PUD-2029 should be DENIED.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

This whole community and surrounding areas are full of lakes/ponds and single-family residential homes with kids and grandkids enjoying time in the fresh outdoor air. Greenspace is very important to our mental health and keeping the lower density of our neighborhood allows us to continue to enjoy our investment as we always intended.

DENY PUD-2029. It's not appropriate land use.

Thank you!

To: mayor@ok.gov
Subject: PROTEST PUD-2029/8612 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny application for 8612 SW 29th Street. I'd like to share with you why the property should be denied. My family built our home 6 years on the outskirts of OKC to be able to enjoy the beauty of west OKC. We have lakes and ponds and a very close-knit community in Kingsridge West. We struggle now to be recognized as a part of OKC, roads are NOT well maintained but we understand that is a sacrifice to live in a more rural part of OKC. The proposed application would perpetuate that issue with more traffic with the density of dwellings. It also destroys the character of our neighborhood. I am not against developing the property, I just have very serious concerns that doubling the current capacity with something larger than single family homes will destroy the integrity of previous investments and infrastructure. In fact, single family homes will allow for more greenspace with will preserve and compliment the quality of our neighborhood. Please think of those taxpayers who have lived here and respect that apartments are not a good option here. No sidewalks or access to public transportation is available. The school system is not setup to handle that many families! There is overcrowding on buses now and children are sitting on the floor of the buses to have transportation to and from school. Please consider the liability of that portion of the decision if nothing else.

I am the homeowner at 8725 SW 39th, OKC OK 73179 and ask you to deny the application for PUD-2029.

Thank you for listening to my concerns and appreciate you time and consideration.

Tiffany Pratt

8725 SW 39th

City Council or Local Planning Board

Dear "Members of the City Council",

I hope this letter finds you well. I am writing to express my strong opposition to the proposed apartment complex that is set to be built directly across the street from my home at [Your Address]. I firmly believe that this development will have a detrimental impact not only on my property but also on the overall character of our neighborhood.

Our community has always been a residential area, characterized by single-family homes and a sense of tranquility that we all cherish. The introduction of an apartment complex will undoubtedly change the dynamics of our neighborhood, leading to increased traffic congestion and noise, which could disrupt the peace we have enjoyed for so long.

Moreover, I have serious concerns about the potential decrease in property values that could result from this development. The presence of multi-unit housing often correlates with a decline in the surrounding property values, which poses a financial burden on homeowners like myself. Real estate is not just an investment for many of us; it is our home, and we should be able to feel secure in its value.

In addition, I worry about the potential increase in crime and drug-related activities that can accompany apartment complexes. With higher population density, there is a risk of attracting individuals who may not have the best interests of our community at heart. Our

neighborhood has worked hard to maintain a safe and welcoming environment, and I fear that this development could jeopardize that.

I urge you to reconsider the approval for this apartment complex and to prioritize the concerns of your constituents who wish to preserve the integrity of our residential community. It is crucial that development aligns with the character of the area and the wishes of those who call it home.

Thank you for taking the time to read my concerns. I hope to see a commitment to protecting our community's well-being reflected in your decisions.

Sincerely,

Rick Tyson

Subject: PUD 2029 It's time to take a drive: Sunday Cruise

Some people who received this message don't often get email from nothreestory@gmail.com. [Learn why this is important](#)

Good morning to our City Council team!

It's fun to grab a good coffee and take a drive so we encourage you to get out this weekend and drive around our community.

You all have a very important role in determining what our community will look like in the future so it is imperative that if you make a decision you are informed.

Please make sure you put a lid on that coffee as you travel up and down County Line as it is in horrible disrepair. Citizens have been begging for years for the road to be repaired. Please keep in mind there are already over 2,000 new homes being built that will put that heavily traveled road in an even more disastrous state. Let's not add in high density housing that will add 396 more residences! DENY PUD-2029

Cruise down Eagle Lane, also, but be careful not to ruin the undercarriage of your car. It is only wide enough for ONE car and if another vehicle is on the road you have to drive on the grass. Just like County Line it has potholes, surface deterioration, edge failure, cracking, and rutting that will shred your undercarriage. Everyone on Eagle Lane knows this so we are warning you so it doesn't happen to you!

The Planning Commission was unaware that Eagle Lane is a public road during our hearing so we want to ensure that it is, and it's the city's job to maintain it.

Thank you, in advance for doing your due diligence and cruising around our communities and our roads.

Respectfully,

Your Neighborhood Advocates

Subject: DENY PUD 2029 Low Noise Level, No Transit, Not Walkable & Dangerous to Bike

Good morning!

Please see attached google map showing how far away the bus stops are located. Please see screenshots from Redfin, Realtor and Redfin showing this area is NOT walkable or bikeable and has NO transit in the area. Realtor.com rates our noise level as low for the area. Adding in high density housing only increases the noise level and light pollution. Please also see letters attached from our neighbors.

Next week we will do some education on how far away our grocery stores, hardware stores, and sit down restaurants are located as well as sending pictures that depict the character of our neighborhood.

Barbara, we are looking forward to meeting you next week. Thank you for taking the time to meet with us and learning more about our community. Educating yourself on our community is vital information that we feel confident will help you to support us in our fight to DENY PUD 2029.

Thank you and have a nice weekend.

Subject: PUD 2029 has STRONG OPPOSITION Letters attached and quotes form our community

Good morning City of Oklahoma! Stay safe out there! The weather is a little nasty today. Our lake is full and probably will start flooding over 29th and Lightner, again, here shortly.

Barbara, we are looking forward to meeting with you tonight and appreciate you taking the time to visit with us. We are confident you will represent all our best interests and be supportive of our community by voting to DENY PUD 2029.

Thanks and here's to a good week!

Respectfully,

Your Neighborhood Advocates

"The city has long forgotten about us and now all of sudden they are approving for every inch of land to be built up."

"Wow, the value of homes will definitely drop. People who want to live on 2 or 3 acres won't want to live across the street from apartments"

"We moved out here to get away from the city; and now it is turning into the city."

"What is the city doing with all the money the developers pay anyway? I don't see that money doing ANYTHING to help OUR area?"

"I'm just sick over this!"

"They are never going to fix County Line and now I'm kind of scared if they do because of how much longer our commute will take if they ever decide to fix it and it's tore up for months. They should have fixed it BEFORE they started building everywhere."

"We tried to fight Bellflower and I can tell you in my experience; they just didn't care."

Well, good luck, and I mean that, but they didn't care and built all those townhomes in my backyard. We tried to fight it and got it anyway."

"I've got some questions for you about this process because they are doing this over by turnpike and my daughter lives there and they don't understand how this works and no one is really trying to help them."

"There is only ONE way in and out of our neighborhood. This is just not right."

"That is the worst spot for apartments; I just can't even believe we are having to explain to people; it just doesn't make any sense."

"This will definitely ruin your lake."

"We are praying for you all and so sorry you have to go through all this."

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The type of housing being proposed is simply not in keeping with the **character of our neighborhood**. We are a neighborhood of single-family homes. The proposed development would drastically alter the aesthetic of our area, replacing the existing greenery and open spaces with a high-density housing complex.

We ask you to honor our wishes and vote to deny PUD-2029.

RE: **PROTEST PUD-2029** / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns that come with a **higher population density**, that this area isn't built to accommodate. These include, but are not limited to, **increased traffic on smaller side streets**, loss of greenspace, school capacities when Western Heights is already short staffed for teachers and bus drivers, emergency response times, etc.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The **proposed development is simply too large** for our area. The increase in population density would put a strain on our **already overburdened infrastructure, leading to increased traffic congestion on a two-lane road and put a strain on our public services**. Keeping it zoned for single family residential will lessen that burden.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

We purchased our home in this area for the open-air feel and the enjoyment of the **green space**. The rural **feel of the community** is what has kept us rooted. High density housing is out of line for our community.

This is not appropriate use of the land. DENY PUD-2029.

Respectfully submitted,

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The **proposed development is simply too large** for our area. The increase in population density would put a strain on our **already overburdened infrastructure, leading to increased traffic congestion on a two-lane road and put a strain on our public services**. Keeping it zoned for single family residential will lessen that burden.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

Doubling the density of this land will increase our noise pollution and increase our traffic. Our roads are in terrible condition already and with so many new homes already being built it **would be irresponsible** to add 396 more housing units without seeing the impact of the current construction.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The proposed rezoning and subsequent construction of apartments will significantly alter the character and dynamics of the surrounding homes and neighborhoods. This area is currently zoned for single-family residential, which has fostered a close-knit, community-oriented environment. Introducing high-density housing will disrupt the existing fabric of our neighborhood and potentially lead to overcrowding, increased traffic, and put a strain on local infrastructure.

PUD-2029 should be DENIED.

I am sending you this email to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street

As it is not an appropriate use of the land.

Noise pollution will increase due to doubling the original density and lack of appropriate green space. Certain land uses are not compatible and cannot easily be neighbors. Please vote no to protect my home, investment and community and mental health.

Respectfully submitted

Subject: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

You don't often get email from kwoods722@gmail.com. [Learn why this is important](#)

Dear City Clerk of Oklahoma City and the OKC City Council,

I am writing to formally protest PUD-2029 and to respectfully request that the rezoning of 8512 SW 29th Street be denied. The proposed development is inconsistent with the character of our community and poses significant risks to the integrity, rural character, and value of our investments and infrastructure.

Our neighborhood and its surrounding areas are primarily composed of single-family homes and natural greenspaces, including lakes and ponds. These features are essential to the well-being of our families, providing a safe environment for children and grandchildren to enjoy outdoor activities. Preserving this lower-density residential area is critical to maintaining the quality of life and mental health benefits derived from access to open spaces.

Allowing PUD-2029 to proceed would undermine the intent and expectations of residents who invested in this community. The proposed changes are incompatible with the existing neighborhood character and represent an inappropriate use of the land. The preservation of our neighborhood's low density and greenspaces is essential to upholding the value and enjoyment of our properties as originally intended.

For these reasons, I respectfully urge you to deny the PUD-2029 rezoning request.

Respectfully submitted,
Name: Krista Gustaveson
Neighborhood: Walden Creek/Walden Estates
Address: 3220 Rockhampton Ave, Oklahoma City, OK 73179
Phone number & email: 801-882-3994 - kwoods722@gmail.com

Sincerely,
Krista Gustaveson

You don't often get email from naedrdrmk@sbcglobal.net. [Learn why this is important](#)

WARNING: The sender of this email could not be validated and may not match the person in the "From" field..

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

Nearby developments including Shocks Western Heights, Antwon's Landing, Morgan Creek, Westbrooke, Coventry Manner, WindsWest, Walden Creek, Fountain Grass & Kingsridge all feature single-family homes with lakes or ponds, maintaining a consistent rural and residential character. **The introduction of high-density apartments would be inconsistent with these neighboring properties.**

We moved to the Westbrooke addition in 2012. At a time, the traffic along County Line Road between SW 15th Street and Highway 152 was mostly a few vehicles from time to time. We rarely had to wait for traffic along County Line to clear before leaving the Westbrooke addition from SW 25th Street. County Line road south of SW 29th Street was in poor condition then (multiple potholes and multiple patched potholes, with several locations where the road bed is sunken below level) and is still in poor condition. In the last few years, more residential additions south of 29th Street has caused a dramatic increase in vehicular traffic along County Line Road as well as along SW 15th Street, SW 29th Street and SW 44th Street. At all times during the day beginning with morning rush hour traffic until after evening rush hour, we have to wait for multiple vehicles to pass along County Line to exit the Westbrooke Addition off of SW 25th Street or onto SW 29th Street from Westbrooke Blvd. The traffic includes occasional 18-wheeler traffic that might be trying to access the turnpike from the warehouses along Council. Evening rush hour traffic is often backed up along SW 29th Street from County Line Road to approximately half way to Council Road and along County Line Road north towards SW 15th Street. SW 29th Street was recently repaved from Council Road to Morgan Road; however, County Line Road south of SW 29th Street has not been repaved or well maintained for several years. The addition of high-density apartments will increase the vehicular traffic along area roads that are not suited for more traffic.

Respectfully request that PUD-2029 BE DENIED.

Sincerely,

Roy and Debbie Dean

City Council or Local Planning Board

Dear "Members of the City Council",

I hope this letter finds you well. I am writing to express my strong opposition to the proposed apartment complex that is set to be built directly across the street from my home at [Your Address]. I firmly believe that this development will have a detrimental impact not only on my property but also on the overall character of our neighborhood.

Our community has always been a residential area, characterized by single-family homes and a sense of tranquility that we all cherish. The introduction of an apartment complex will undoubtedly change the dynamics of our neighborhood, leading to increased traffic congestion and noise, which could disrupt the peace we have enjoyed for so long.

Moreover, I have serious concerns about the potential decrease in property values that could result from this development. The presence of multi-unit housing often correlates with a decline in the surrounding property values, which poses a financial burden on homeowners like myself. Real estate is not just an investment for many of us; it is our home, and we should be able to feel secure in its value.

In addition, I worry about the potential increase in crime and drug-related activities that can accompany apartment complexes. With higher population density, there is a risk of attracting individuals who may not have the best interests of our community at heart. Our neighborhood has worked hard to maintain a safe and welcoming environment, and I fear that this development could jeopardize that.

I urge you to reconsider the approval for this apartment complex and to prioritize the concerns of your constituents who wish to preserve the integrity of our residential community. It is crucial that development aligns with the character of the area and the wishes of those who call it home.

Thank you for taking the time to read my concerns. I hope to see a commitment to protecting our community's well-being reflected in your decisions.

Sincerely,

Rick Tyson

You don't often get email from mayberryedd@aol.com. [Learn why this is important](#)

To: City Council,

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

Nearby developments including Shocks Western Heights, Anton's Landing, Morgan Creek, Westbrooke, Coventry Manner, Winds West, Walden Creek, Fountain Grass and Kingsridge West all feature single-family homes with lakes or ponds maintaining a consistent rural and residential character. The introduction of high-density apartments would be inconsistent with these neighboring properties.

I have lived in this quiet community for 32 years and love the peaceful surroundings and the small-town feel. Bringing in a 400, 3 story high unit apartment complex is not appropriate for this particular piece of land. Not to mention an additional 400 to 1000 more vehicles will be added to our small two-lane roads. This is unacceptable. Apartments need to be on main roads, not nestled inside of residential neighborhoods.

PUD-2029 MUST BE DENIED. I am asking for your vote to deny the rezoning of 8512 SW 29th Street.

Respectfully Submitted,

Gay Mayberry

Hello City of Oklahoma City!

We can't let you all clock out without receiving an email from Your Neighborhood Advocates.

Part of our crew is out talking with more neighbors who do not want DOUBLE the DENSITY built on that plot of land.

R1 zoning is the correct zoning. Don't mess with it; you all got it right the first time around.

Have a nice night!

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you **deny the rezoning** of 8512 SW 29th Street.

The proposed rezoning and subsequent construction of apartments will significantly **alter the character** and dynamics of the surrounding homes and neighborhoods. This area is currently zoned for single-family residential, which has fostered a close-knit, community-oriented environment. Introducing high-density housing will **disrupt the existing fabric of our neighborhood** and potentially lead to overcrowding, increased traffic, and put a strain on local infrastructure.

PUD-2029 should be DENIED.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

Subject: PROTEST PUD 2029 PACKING THE CITY COUNCIL CHAMBERS : 29 times more letters sent THAN people notified (and we aren't done)

Good morning, OKC!

Let's talk about the dynamics of our community and why it is incredibly hard to get people to a meeting that takes place on a Tuesday morning at 8:30.

Our dynamic is largely made of residents who fall into one of two categories; working class or retired. Let's take a look at the working class first. Folks who work a day shift would need to take a day off which would mean using PTO (if they even have it) or taking the day off with pay. Folks who work a night shift are exhausted and most likely want to go home and unwind or they are still on the clock at 8:30 in the morning.

Now, our second largest group is those retired folks who are trying to enjoy their hard earned retirement. It is cold, flu, and covid season unfortunately and being around large groups of people increases the chances of getting sick. Lots of our retired community folks don't want to take the risk.

You have now **received over 500 letters and ONLY 17 people were notified** by the city utilizing the law that requires folks within 300-400 feet to be notified. That is **more than 29 times the number of people notified** and you will continue to get more.

THE PEOPLE HAVE SPOKEN! PUD-2029 MUST BE DENIED.

Thank you!

Your Neighborhood Advocates

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The type of housing being proposed is simply not in keeping with the **character of our neighborhood**. We are a neighborhood of single-family homes. The proposed development would drastically alter the aesthetic of our area, replacing the existing greenery and open spaces with a high-density housing complex.

We ask you to honor our wishes and vote to deny PUD-2029.

Respectfully sent,

Name:

Jeri Brown

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

This whole community and surrounding areas are full of lakes/ponds and single-family residential homes with kids and grandkids enjoying time in the fresh outdoor air. Greenspace is very important to our mental health and keeping the lower density of our neighborhood allows us to continue to enjoy our investment as we always intended.

DENY PUD-2029. It's not appropriate land use.

Thank you!

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The **proposed development is simply too large** for our area. The increase in population density would put a strain on our **already overburdened infrastructure, leading to increased traffic congestion on a two-lane road and put a strain on our public services**. Keeping it zoned for single family residential will lessen that burden.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

Doubling the density of this land will increase our noise pollution and increase our traffic. Our roads are in terrible condition already and with so many new homes already being built it **would be irresponsible** to add 396 more housing units without seeing the impact of the current construction.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

Respectfully sent,

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to Protest PUD-2029. It is not an appropriate use of the land!

Noise pollution will increase due to doubling the original density and lack of appropriate green space. Certain land uses are incompatible and cannot easily be neighbors. Please **vote no** to protect my home, investment and community & **mental health**.

Subject: PUD 2029 VIDEO OF PELICANS ON OUR LAKE IT'S INCREDIBLE

 [Pelicans Video 01-29-22.mp4](#)

Good morning City of Oklahoma!

Please, take 45 seconds and watch the video of pelicans on our lake. It is amazing. As you are watching it look for the big open field in the background; you can't miss it! Now, I want you to envision high density housing there which will include FIFTEEN, 40 FEET TALL apartment buildings and 800 concrete parking spaces. Watch as the drone flies back over the lake and you can see that the apartments will be visible from homes on BOTH sides of the lake. (Video credit to Scott Egelston: 3300 S. Eagle Lane)

WE ARE BEGGING YOU, please, don't take away OUR beauty and impact OUT mental health. We can accept houses there but we can NOT accept 40 foot tall buildings.

PUD-2029 MUST DENIED!

May you find beauty in your day!

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The **proposed development is simply too large** for our area. The increase in population density would put a strain on our **already overburdened infrastructure, leading to increased traffic congestion on a two-lane road and put a strain on our public services**. Keeping it zoned for single family residential will lessen that burden.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

This whole community and surrounding areas are full of lakes/ponds and single-family residential homes with kids and grandkids enjoying time in the fresh outdoor air. Greenspace is very important to our mental health and keeping the lower density of our neighborhood allows us to continue to enjoy our investment as we always intended.

DENY PUD-2029. It's not appropriate land use.

Thank you!

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The proposed rezoning and subsequent construction of apartments will significantly alter the character and dynamics of the surrounding homes and neighborhoods. This area is currently zoned for single-family residential, which has fostered a close-knit, community-oriented environment. Introducing high-density housing will disrupt the existing fabric of our neighborhood and potentially lead to overcrowding, increased traffic, and put a strain on local infrastructure.

PUD-2029 should be DENIED.

To: Barbara Peck, our Ward 3 City Council Representative, and the OKC City Council
RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

Nearby developments including Shocks Western Heights, Anton's Landing, Morgan Creek, Westbrooke, Coventry Manner, Winds West, Walden Creek, Fountain Grass & Kingsridge all feature single-family homes with lakes or ponds, maintaining a consistent rural and residential character. **The introduction of high-density apartments would be inconsistent with these neighboring properties.**

PUD-2029 MUST BE DENIED.

Respectfully submitted,

Name: Chris & Gina Basco

Neighborhood: Westbrooke

Address: 2417 Renwick Ave OKC 73129

Subject: PUD 2029 PROTEST Did you know that an entire community is PROTESTING PUD 2029?

Shocks Western Heights, Coventry Manner, Anton's Landing, Kingsridge, WestWinds, Morgan Creek, Cedar Ridge, Walnut Creek, Westbrooke and Fountain Grass are all neighborhoods that make up a community. We have talked to our neighbors in ALL of these communities and they are asking you to DENY PUD 2029. This is so much larger than just the 17 homeowners that got notified.

Our community is banding together to let Our City Council Members and our Mayor know that high density housing is not appropriate land use. It is zoned for R1 and needs to stay that way.

Have a nice weekend; the weather is looking fabulous!

Respectfully sent,

Your Neighborhood Advocates

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

This whole community and surrounding areas are full of lakes/ponds and single-family residential homes with kids and grandkids enjoying time in the fresh outdoor air. Greenspace is very important to our mental health and keeping the lower density of our neighborhood allows us to continue to enjoy our investment as we always intended.

DENY PUD-2029. It's not appropriate land use.

Thank you!

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The proposed rezoning and subsequent construction of apartments will significantly alter the character and dynamics of the surrounding homes and neighborhoods. This area is currently zoned for single-family residential, which has fostered a close-knit, community-oriented environment. Introducing high-density housing will disrupt the existing fabric of our neighborhood and potentially lead to overcrowding, increased traffic, and put a strain on local infrastructure.

PUD-2029 should be DENIED.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

The type of housing being proposed is simply not in keeping with the **character of our neighborhood**. We are a neighborhood of single-family homes. The proposed development would drastically alter the aesthetic of our area, replacing the existing greenery and open spaces with a high-density housing complex.

We ask you to honor our wishes and vote to deny PUD-2029.

Respectfully sent,

Subject: DENY PUD-2029 PUD-2029 PROTEST

Good afternoon!

Please find more protest letters attached from our community.

Ms. Peck expressed in our neighborhood meeting that we can continue to send protest letters until Monday, December 2nd and assured us they would all still count.

We are requesting assistance with locating the link that has all the letters you have received to date in it. Would someone please send that to us? We appreciate it as I don't recall how we got it before the Planning Commission meetings.

Thanks, in advance, for your assistance and for your vote to DENY PUD 2029.

We hope you all had a great weekend and got out to enjoy the fabulous weather.

Respectfully submitted,

Your Neighborhood Advocates

To: Barbara Peck, our Ward 3 City Council Representative, and the OKC City Council
RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **Protest PUD-2029**. It is not an appropriate use of the land!

I enjoy the quietness of nature and **high-density housing** will **double** the people there compared to leaving the current zoning of R1. The land is already appropriately zoned.

PUD-2029, simply put, doesn't fit our neighborhood and therefore **MUST BE DENIED**.

Respectfully submitted,

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

Nearby developments including Shocks Western Heights, Anton's Landing, Morgan Creek, Westbrooke, Coventry Manner, Winds West, Walden Creek, Fountain Grass & Kingsridge all feature single-family homes with lakes or ponds, maintaining a consistent rural and residential character. **The introduction of high-density apartments would be inconsistent with these neighboring properties.**

PUD-2029 MUST BE DENIED.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns that come with a **higher population density**, that this area isn't built to accommodate. These include, but are not limited to, **increased traffic on smaller side streets**, loss of greenspace, school capacities when Western Heights is already short staffed for teachers and bus drivers, emergency response times, etc.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

Doubling the density of this land will increase our noise pollution and increase our traffic. Our roads are in terrible condition already and with so many new homes already being built it **would be irresponsible** to add 396 more housing units without seeing the impact of the current construction.

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The density of R1 is 8 per acre and the density of R4 is 15.4 per acre and this almost DOUBLES the capacity. Doubling the capacity does not uphold the character of our neighborhood. It would make daily commuting impossible, especially with our current infrastructure. Furthermore, it would increase both noise and light pollution and impact our mental health.

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

High density housing is not appropriate land as our community lacks the necessary infrastructure. This area is not safe for walking or biking. There are no sidewalks or bike lanes and vehicles go speeding down Council, 29th Street and County Line. This area also has no transit as the EMBARK bus line does not run in our area and high-density housing doesn't fit the character of neighborhoods full of single-family homes.

I am sending you this letter to **protest PUD-2029** and ask that you deny the rezoning of 8512 SW 29th Street.

This whole community and surrounding areas are full of lakes/ponds and single-family residential homes with kids and grandkids enjoying time in the fresh outdoor air. Greenspace is very important to our mental health and keeping the lower density of our neighborhood allows us to continue to enjoy our investment as we always intended.

DENY PUD-2029. It's not appropriate land use.

Thank you!

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The proposed rezoning and subsequent construction of apartments will significantly alter the character and dynamics of the surrounding homes and neighborhoods. This area is currently zoned for single-family residential, which has fostered a close-knit, community-oriented environment. Introducing high-density housing will disrupt the existing fabric of our neighborhood and potentially lead to overcrowding, increased traffic, and put a strain on local infrastructure.

PUD-2029 should be DENIED.

Respectfully submitted,

RE: PROTEST PUD-2029 / Rezoning 8512 SW 29th Street, Oklahoma City

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

I have several concerns regarding this high-density housing that is being proposed to be built at 29th Street and Eagle Lane. Our community's infrastructure is inadequate for such a large development. The condition of County Line Road is horrendous and needs to be repaired. We do not have sidewalks or bicycle lanes and the addition of 396 more housing units will only intensify our community's traffic and commute times.

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

High density housing is not appropriate land as our community lacks the necessary infrastructure. This area is not safe for walking or biking. There are no sidewalks or bike lanes and vehicles go speeding down Council, 29th Street and County Line. This area also has no transit as the **EMBARK** bus line does not run in our area and high-density housing doesn't fit the character of neighborhoods full of single-family homes.

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The character of a neighborhood and the surrounding community are more than just aesthetics. It is also the feel of a neighborhood and that includes knowing your neighbors. It's walking down the street and borrowing a hammer, a cup of sugar, or helping fix whatever happens to be broken at the time! It's the continuity of having the same neighbors for years with a few new ones sprinkled in here and there.

We ask that you respect the feel of our neighborhood and surrounding community by voting to DENY PUD-2029.

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

The density of R1 is 8 per acre and the density of R4 is 15.4 per acre and this almost DOUBLES the capacity. Doubling the capacity does not uphold the character of our neighborhood. It would make daily commuting impossible, especially with our current infrastructure. Furthermore, it would increase both noise and light pollution and impact our mental health.

Dear Ms. Peck, Ward 3 Council Representative, and OKC City Council,

I am sending you this letter to protest PUD-2029 and ask that you deny the rezoning of 8512 SW 29th Street.

Doubling the density of this land will increase our noise pollution and increase our traffic. Some roads are in bad shape around that area, and we have many problems with new traffic congestion because of the new single home additions that are being built in the area. Because several new home additions are being built in in this area, it would be irresponsible to add 396 more housing units without seeing the impact of the current construction.

Respectfully sent,

Subject: PROTEST PUD-2029/Rezoning 8512 SW 29th street, Oklahoma City

Subject: Protest of PUD-2029 Proposal

Dear OKC City Council,

I am writing to formally protest the approval of PUD-2029, as I believe it represents an inappropriate use of the land in question.

I greatly value the quiet, natural surroundings in our area, and the proposed high-density housing would significantly increase the population, doubling the number of residents compared to maintaining the current R1 zoning. The land is already appropriately zoned for its current use, and I feel that the proposed change would disrupt the character of our neighborhood.

Simply put, PUD-2029 does not align with the needs or nature of our community, and I strongly urge that it be denied.

Thank you for your consideration.

Respectfully,

Shanon Woolsey
