The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution declaring a 2013 E-One Mobile Water Tanker obsolete and surplus to the needs of the Fire Department and authorizing donation to the Arcadia Fire Department.

Background:

The Fire Department has identified a 2013 E-One Mobile Water Tanker to be obsolete and surplus to the needs of the department; equipment number 1354272 (Attachment A). This vehicle has been replaced through the Fire Department's apparatus replacement plan. Donating the vehicle to the Arcadia Fire Department in Oklahoma County will benefit their department greatly as the Town of Arcadia is a mutual aid partner and has the potential to respond in coordination with multiple Oklahoma City fire stations. The City will receive a signed release from the Arcadia Fire Department indemnifying the City of Oklahoma City from any liability upon approval of the donation.

Staff is requesting the 2013 E-One Mobile Water Tanker be declared obsolete and surplus by the City of Oklahoma City and donated to the Arcadia Fire Department.
