RE: Verification of Liability Coverage Continues Until Notified

Verification of Liability Insurance:

This is to confirm that all State of Oklahoma agencies, colleges, and universities and their employees are provided with liability coverage through a self-insurance pool administered by the Office of Management and Enterprise Services' (OMES) State Risk Management under authority of 74 O.S. § 85.58A. Coverage under this program corresponds with the Oklahoma Governmental Tort Claims Act (GTCA) – 51 O.S. § 151, et seq.

The State of Oklahoma enjoys sovereign immunity and waives its immunity only to the extent specified in the GTCA or any other statute if such statute legally raises the limits of liability above those stated in the GTCA.

Coverage under the OMES State Risk Management Program is continuous until otherwise notified. If you have questions or concerns related to the State's liability coverage, contact State Risk Management.
