**Case Number: SPUD-1432**

To whom it may concern:

My name is Cesar A. Barillas and I currently live at 1033 Harris Ave Oklahoma City Ok. 73107 and the reason why I'm writing this letter is because I'm against changing the current zoning of property 4420 Nw 10<sup>th</sup> street because I have a Kidney Transplant and having an Automotive Body Shop and a Car Dealership close to my home might cause harm to my kidney transplant. Paint and chemical fumes travel in the air and as you can see on one of the pictures attach to this letter the body shop will be 3 houses north from my house. There is also one picture of my current medical history and the doctors that I see at Integris Hospital. This Car Dealership and Body Shop will cause me financial hardship because I will have to move somewhere else where is safe for me to live. I want to appreciate the time you took to read this letter and hopefully you take my opinion in consideration. Thank you and have a great day.

Cesar A. Barillas
