Purpose:

To provide pricing agreements for the purchase of covert technical equipment for the Police Department. Specialized units within the Department use covert technical equipment during investigations. This is the first renewal of two for these pricing agreements.

These agreements were originally approved by the City Council on January 2, 2024 (Item No. IX. E.) for the period ending January 1, 2025. These pricing agreements have two one-year renewal options. This is the first renewal for this agreement.

The pricing agreements meet the City's policy on renewal of contracts for goods and services. Staff has notified the vendors that the City wishes to renew the pricing agreements under the same terms and conditions as previously awarded. Letters agreeing to the renewals have been received from the vendors.

The estimated cost for these pricing agreements is based on previous expenditures for this commodity. There is no obligation to purchase from these agreements. All purchases are subject to future appropriations and the availability of funds.
