Bond No.: 30197391

The conditions of this obligation are such that whereas, said Contractor has by a certain contract between WYNN CONSTRUCTION CO., INC., and the City, dated this 13TH day of FEBRUARY, 2024, agreed to construct: Project M4-NPS12, MAPS 4 C.B. Cameron Park Raw Water Line, all in compliance with the plans and specifications therefore, made a part of said contract and on file in the office of the City Clerk; and to maintain the said improvement in the amounts set forth above against any failure due to workmanship or material for a period of two (2) years for the project from the date of acceptance of the project by the City.

NOW, THEREFORE, if said Contractor shall pay or cause to be paid to the City, all damage, loss, and expense which may result by reason of defective materials and/or workmanship in connection with said work occurring within a period of two (2) years for the project from and after acceptance of said project by the City, then this obligation shall be null and void, otherwise to be and remain in full force and effect.

It is further agreed that if the said Contractor or Surety herein shall fail to maintain said improvements against any failure due to defective workmanship and/or material for a period of two (2) years for the project, and at any time repairs shall be necessary that the cost of making said repairs shall be determined by the City, or some person or persons designated by them to ascertain the same, and if, upon thirty (30) days' notice, the said amount ascertained shall not be paid by the Contractor or Surety herein, or if the necessary repairs are not made, the said amount shall become due upon the expiration of thirty (30) days and suit may be maintained to recover the amount so determined in any Court of competent jurisdiction. And that the amount so determined shall be conclusive upon the parties as to the amount due on this bond for the repair or repairs included therein, and that the cost of all repairs shall be so determined from time to time during the life of this bond as the condition of the improvements may require.

It is further expressly agreed and understood by the parties hereto that no changes or alterations in said contract and no deviations from the plan or mode of procedure herein fixed shall have the effect of releasing the sureties, or any of them, from the obligations of this bond.

IN WITNESS WHEREOF, the said Contractor has caused these presents to be executed in its name and its corporate seal to be hereunto affixed by its duly authorized officers; and the said Surety has caused these presents to be executed in its name and its corporate seal to be hereunto affixed by its attorney-in-fact, duly authorized so to do, the day and year first above written.
