With respect to claims involving any insured hereunder, except with respect to limits of insurance, each such interest shall be deemed separate from any and all other interest herein and coverage shall apply as though each such interest was separately insured.

The insurance coverage and limits required under this agreement must be evidenced by properly executed certificates of insurance on the forms furnished by The City. The certificate must be signed by the authorized representative of the insurance company(s) shown in the certificate with proof that he/she is an authorized representative thereof. In the event of a reduction in any aggregate limit, the Contractor shall immediately notify The City and shall make reasonable efforts to have the full amount of the limits appearing on the certificate reinstated. If at any time The City requests a written statement from the insurance company(s) as to any impairments to the aggregate limit, the Contractor hereby agrees to promptly authorize and have delivered to The City such statement. The Contractor authorizes The City to confirm all information so furnished as to the Contractor's compliance with its insurance requirements with the Contractor's insurance agents, brokers, surety, and insurance carriers. 4.11.2 No work shall commence under this Agreement unless and until the required certificates of insurance are provided and in effect.

4.11.3 The insurance coverage and limits required of the Contractor under this Agreement are designed to meet the minimum requirements of The City. Such coverage and limits are not designed as a recommended insurance program for the Contractor. The Contractor alone shall be responsible for the sufficiency of its own insurance program. Should the Contractor have any question concerning its exposures to loss under this Agreement or the possible insurance coverage needed therefore, the Contractor should seek professional assistance.

4.11.4 The Contractor shall provide to The City evidence of the following insurance requirements as set forth herein:

indemnification may apply, and the Contractor, at its expense, shall assume the defense of the City with counsel satisfactory to the City. This section shall survive the expiration of this Agreement. Provided, however, the Contractor need not release, defend, indemnify or save harmless the City or its officers, agents and employees, from damages or injuries resulting from the negligence of the City, its officers, agents or employees. It is understood that this indemnity and hold harmless provision is not limited by the insurance required under the provisions hereof.

- 4.15 Payments.** The City shall make payment for all Services to the Contractor monthly upon receipt of approved claims made by Contractor in accordance with law and directed to the attention of the City Representative. Final payment will not be made until a Request for Payment is received by The City from the Contractor.

If the Municipal Counselor of The City shall find that said bonds or certificates of insurance fail to comply with the requirements of this Agreement or the Specifications, Contractor shall obtain additional endorsement or changes in coverage and any other instruments necessary to comply therewith.

- 4.18 Whole Agreement.** This Agreement together with the Contract Budget and the Specifications constitute the entire agreement between the parties hereto. No change or variation from the terms and conditions of this Agreement may be made except by written instrument duly executed by both parties and Contractor shall not be entitled to claim extras of any kind or nature.

**5.2.2** If The City experiences an inadequacy of funding for necessary payments under this Agreement, the Contract Manager may reasonably reduce the Services and related compensation otherwise to be provided under this Agreement; however, such reduction in compensation shall take into account existing financial obligations to third parties incurred by Contractor in contemplation of this Agreement extending until the end of this Agreement, and further, such reduction in services shall not alter the obligation of the City to provide services to the District.
