

**THE CITY OF OKLAHOMA CITY
OFFICE OF
THE MUNICIPAL COUNSELOR**

Council Agenda
Item No. IX. CD
3/11/2025

TO: Mayor and City Council

FROM: Kenneth Jordan
Municipal Counselor

Resolution authorizing the Municipal Counselor to waive service of process and to confess judgment without admission of liability in the amount of \$850 and all the costs of the action in the Oklahoma County District Court in the claim filed by David Glover. Ward 2.

Claimant's address:
5437 North Military Avenue
Oklahoma City, OK 73118

This office acknowledges receipt of a claim from the above-referenced claimant in which claimant alleges on August 10, 2023, at 5437 North Military Avenue, claimant's private water line was damaged, causing a leak, when City workers turned claimant's water service back on without opening an exterior valve at his house. Damages are alleged in the amount of \$1,700, the cost to repair his private line. After negotiations, this office has agreed to recommend, and the claimant has agreed to accept, \$850 as full and final settlement of this action.

Section 153(A) of the Governmental Tort Claims Act provides:

A. The state or a political subdivision shall be liable for loss resulting from its torts or the torts of its employees acting within the scope of their employment subject to the limitations and exceptions specified in The Governmental Tort Claims Act and only where the state or political subdivision, if a private person or entity, would be liable for money damages under the laws of this state. The state or a political subdivision shall not be liable under the provisions of The Governmental Tort Claims Act for any act or omission of an employee acting outside the scope of the employee's employment.

51 O.S. 2023 Supp. §153(A).

According to the Oklahoma Supreme Court, a prima facie case of negligence is established by showing the following: "(1) a duty owed by the defendant to protect the plaintiff from injury, (2) a failure to properly exercise or perform that duty and (3) the plaintiff's injuries are proximately caused by the defendant's failure to exercise his duty of care." *McKellips v. Saint Francis Hospital, Inc.*, 741 P.2d 467, 470 (Okla. 1987) (citations omitted).

Proximate cause has two components - legal causation and cause in fact. *Id.* Cause in fact is determined by the "but for" test: "The defendant's conduct is a cause of the event if the event

would not have occurred but for that conduct." *Id.* (citations omitted). "Proximate cause" is also a synonym for "legal cause." BLACK'S LAW DICTIONARY, 804 (6th Ed. 1990). To clarify this issue, the Oklahoma Supreme Court has further defined proximate cause: "The proximate cause of an event must be that which in a natural and continuous sequence, unbroken by an independent cause, produces the event and without which the event would not have occurred." *Gaines v. Providence Apartments*, 750 P.2d 125, 126-27 (Okla. 1987) (citations omitted).

This office is in receipt of information from the Line Maintenance Division of the Utilities Department as well as Utilities Customer Service regarding this incident. This information confirms a leak on a private service line at claimant's address on August 10, 2023. This information also confirms the City turned claimant's water service on at the meter before the leak began. Additionally, claimant provided video footage and photos which show the City workers did not open the claimant's exterior water valve before turning on his water service consistent with the City's standard operating procedures.

Based on the above information and applicable Oklahoma law, it is the opinion of this office that this claim should be approved, and that the Municipal Counselor should be authorized to Confess Judgment without admission of liability in the amount of \$850 and all costs of the action in the District Court. If Council agrees, a Resolution to that effect has been prepared.
