Facility Name: Will Rogers World Airport
Facility Location: 7100 Terminal Drive, Oklahoma City, Oklahoma
Project Name: Passenger Boarding Bridge Replacement – Phase II
Project Number: OCAT WRWA 2418

WHEREAS, Contractor, and Fidelity and Deposit Company of Maryland, as Surety, jointly and severally, bind themselves, their heirs, executors, administrators, successors and assigns unto the Oklahoma City Airport Trust, hereinafter called "Trust," the City of Oklahoma City, hereinafter called "City", and any other public trust of the City of Oklahoma City that may be participating in the below described project, hereinafter called "Participating Trust", in the full and just sum of Three Million Three Hundred Forty Thousand Nine Hundred Ninety Nine Dollars (\$3,340,999) such sum being equal to 100% of the Construction Contract price for the performance and making of the following Trust owned work and improvement.

NOW, THEREFORE, if the Contractor shall fully and faithfully execute the work and perform said Contract according to its terms, conditions, and covenants, and in exact accordance with the Construction Contract and Project Manual for the project referenced above including any applicable written change orders and modifications approved by the Trust, then the Contractor and Surety shall have no obligation under this Performance Bond unless specified herein.

IT IS FURTHER EXPRESSLY AGREED AND UNDERSTOOD by the parties hereto in furtherance of the obligations set forth in this bond that:

1. If there is no default by the Trust or the City, the Surety's obligation under this Performance Bond shall arise after:
 - A. The Trust, by and through the Director or Airports, hereinafter "Director", provides notice to the Contractor and the Surety that the Trust is considering declaring a contractor in default. The notice shall indicate whether the Trust is requesting a conference among the Trust through the Director, Contractor and Surety to discuss the Contractor's performance. If the Trust does not request a conference, the Surety may, within five (5) business days after receipt of the Trust's notice, request such a conference. If the Surety timely requests a conference, the Director shall attend. Unless otherwise agreed by the Director, any conference requested on this section shall be held within ten (10) business days of the Surety's receipt of the Trust's notice. If the Trust, the Contractor and the Surety agree, the Contractor shall be allowed a reasonable time to perform the Construction Contract, but such an agreement shall not waive the Trust's right, if any, subsequently to declare a Contractor in Default;
 - B. The Trust declares a Contractor in Default, terminates the Construction Contract and notifies the Surety; and
 - C. The Trust agrees to hold in escrow the balance of the Contract amount until Final Acceptance of the work in accordance with the terms of the Construction Contract for payment to the Surety or a contractor selected to perform the Construction Contract.
 - D. Failure of the Trust to comply with the notice requirement of paragraph 1(a) shall not constitute a failure to comply with a condition precedent to the Surety's obligations or release the Surety from its obligations, except to the extent the Surety demonstrates actual prejudice.

2. When the Trust has satisfied the conditions of Paragraph 1, the Surety shall promptly and at the Surety's expense take one of the following actions with the written consent of the Trust by and through the Director of Airports:
 - A. Arrange for the Contractor to perform and to complete the Construction Contract;
 - B. Undertake to perform and to complete the Construction Contract itself, through its agents or independent contractors for performance and completion of the Construction Contract secured with performance and payment bonds executed by a qualified surety equivalent to the bonds used on the Construction Contract and to pay to the Trust any amount of damages as described in Paragraph 3 in excess of the Balance of the Construction Contract Amount incurred by the Trust as a result of Contractor Default; or
 - C. Waive its right to perform and complete the Construction Contract under paragraph 2(a) and 2(b) and within thirty (30) days:
 - 1) Investigate and determine the amount owed to the Trust due to Contractor Default and make payment of any amounts owed to the Trust; or
 - 2) Deny liability in whole or in part and notify the Trust citing the reasons for the denial.
 - D. If the Surety does not proceed as provided in Paragraph 2(a), (b), or (c), the Surety shall be deemed to be in default on this Performance Bond seven (7) days after receipt of an additional written notice from the Trust by and through the Director to the Surety demanding that the Surety perform its obligations under this Bond, and the Trust shall be entitled to enforce any remedy available to the Trust. If the Surety proceeds under provision 2(c)(i) and the Trust refused the payment or the Surety has denied liability, in whole or in part, under 2(c)(ii) and without further notice the Trust shall be entitled to enforce any remedy available to the Trust.
3. If the Surety elects to proceed under 2(a), (b), or (c), then the responsibilities of the Surety to the Trust shall not be greater than the obligations of the Contractor under the Construction Contract and the responsibilities of the Trust to the Surety shall not be greater than those of the Trust under the Construction Contract. Notwithstanding the previous statement and the Trust's commitment to pay the Balance of the Contract Amount, the Surety is obligated without duplication for:
 - A. the responsibilities of the Contractor, its own undertaking or that of its subcontractors for the correction of any defective work and completion of the Construction Contract;
 - B. any additional legal, professional design or engineering and delay costs resulting from the Contractor's Default and resulting from the actions or failure to act of the Surety under Paragraph 2;
 - C. any additional costs incurred by the Trust associated with procuring and securing a new contractor; and
 - D. liquidated damages in the amount set forth in the Construction Contract or any actual damaged caused by delayed performance or non-performance of the Contractor.
4. If the Surety elects to proceed under 2(a), (b), or (c) then Surety's liability is limited to the amount of this Performance Bond plus any item listed in Paragraph 3, but Surety shall not be liable to the Trust or others for obligations that are unrelated to the Construction Contract unless specified herein.
5. The Surety hereby waives notice of any change orders, modifications or amendments, including changes of time, to the Construction Contract or other obligations.
6. Any proceeding, legal or equitable, under this Bond may be instituted in any court of competent jurisdiction in the State of Oklahoma and shall be instituted within two (2) years after a declaration of the Contractor's Default, or within two (2) years after the Contractor ceases working or within two (2) years after the Surety refused or fails to perform its obligations under this Bond, whichever occurs first.
