You don't often get email from johnjet777@gmail.com. [Learn why this is important](#)

Dear Ms. Lakin and Oklahoma City Board,

I am a neighbor and I object to this home being given an exemption. What you never hear about is the pain from NOISE that direct neighbors must endure from these short term homes. Some guests are professional and quiet. Others think it's a hotel, and party until late and make noise in the day as well.... What is our true recourse? Just bear it. Terrible.

I object.

John Kraemer 4700 NW. 61st Street, OKC, OK

Thanks for listening.

John
