Good Morning James—

We will be submitting a request to close a statutory right of way between 13th and 16th along the railroad tracts later this week. Due to time constraints, we are requesting a double notice to occur on this application. My understanding is that Jon Dodson and Councilperson Hamon discussed this, and the Councilperson was supportive of this request. We will follow up with a copy of the application post submittal.

Should you have any questions, please do not hesitate to reach out. Thank you in advance for your assistance on this project.
