### **Oklahoma Open Records Act and Confidential Information**

All materials submitted to the Contracting Entity pursuant to this Bid or Proposal potentially become subject to the mandates of the Oklahoma Open Records Act, 51 O.S. § 24A.1. *et seq.* The purpose of this Act is to ensure and facilitate the public's right of access to and review of government records so they may efficiently and intelligently exercise their inherent political power. Almost all "records," as that term is defined in the Act, may be disclosed to the public upon request. Except where specific state or federal statutes create a specific and express exemption or confidential privilege, persons who submit information to public bodies have no right to keep this information from public access nor have a reasonable expectation that this information will be kept from public access.

If you believe that any of the information you have submitted to the Contracting Entity pursuant to this Bid or Proposal is exempt or confidential under a specific state or federal statute, and therefore not subject to public access under the Oklahoma Open Records Act, you must comply with the following:

1. Place said documents/records in a separate electronic file attachment marked “Confidential”. DO NOT label your entire Bid or Proposal as “Confidential” – label only those portions of the Bid or Proposal that you feel are exempt or are made confidential by state or federal law as “Confidential”.
2. For each such document for which you are claiming an exemption or a confidential privilege, identify the federal and/or state law that creates said privilege, e.g., for trade secrets, see 21 O.S. § 1732 (Larceny of Trade Secrets) and the Uniform Trade Secrets Act, 78 O.S. § 85 et seq.

Should an Open Records request be presented to the Contracting Entity requesting information you have identified as “Confidential,” you will be responsible for defending your position in the District Court, if needed.

If you fail to identify any records submitted as part of your Bid or Proposal as “Confidential”, you are agreeing that said records are not exempt or confidential and are subject to public access.

Upon receipt of a request by a third party to review or copy records properly identified as “Confidential,” you will be notified of the request and thereby given an opportunity to immediately enforce and protect your rights by initiating an action in a court of competent jurisdiction. Should you fail to timely bring an action to enforce your rights, then the requested records will be released by the Contracting Entity based upon its determination of the application of the Oklahoma Open Records Act.

**This form is a sample only and should not be submitted with proposal. Forms will be completed prior to agreement approval.**

**NON-DISCRIMINATION STATEMENT**

The Proposer agrees, in connection with the performance of work under this Agreement/Contract:

a. That the Proposer will not discriminate against any employee or applicant for employment, because of race, creed, color, sex, age, national origin, ancestry or disability. The Proposer shall take affirmative action to insure that employees are treated without regard to their race, creed, color, age, national origin, sex, ancestry or disability. Such actions shall include, but not be limited to, the following: employment, promotion, demotion or transfer, recruitment, advertising, lay-off, termination, rates of pay or other forms of compensation and selection for training, including apprenticeship. The Proposer agrees to post, in a conspicuous place available to employees and applicants for employment, notices to be provided by the City Clerk/Secretary of the Contracting Entity setting forth the provisions of this section, and;

b. That the Proposer agrees to include this non-discrimination clause in any subcontracts connected with the performance of this Agreement/Contract.

c. In the event of the Proposer's non-compliance with the above non-discrimination clause, this Agreement/Contract may be canceled or terminated by the Contracting Entity. The Proposer may be declared by the Contracting Entity ineligible for further Agreement[s]/Contract[s] with the Contracting Entity until satisfactory proof of intent to comply is made by the Proposer.

**Professional Services Agreement**

**Attachment “F” (“Insurance”),**

**Insurance Certificates**

**Attached behind this page is a Certificate of Insurance provided by the SERVICES PROVIDER to meet the requirements listed below. The SERVICES PROVIDER shall maintain the insurance throughout the entire contract.**

Prior to approval of this contract, the CONSULTANT/SERVICE PROVIDER shall obtain insurance coverage as provided below. The CONSULTANT/SERVICE PROVIDER must provide, pay for, and maintain the types of insurance policies provided herein, in amounts of coverage not less than those set forth below. Certified, true and exact copies of all insurance policies required and endorsement pages shall be provided to the City and its participating trusts on a timely basis if requested by City staff.

All insurance must be from responsible insurance companies which are authorized to do business in the state of Oklahoma and are acceptable to the City and its participating trusts. The required insurance coverage and policies shall be performable in Oklahoma City, Oklahoma, and shall be construed in accordance with the laws of Oklahoma.

Nothing in this Section shall define or limit the rights of any party to this contract under any other provision of this contract, including but not limited to any indemnification provision.

- A. Additional Insureds: All liability policies (except professional liability and worker’s compensation and employer’s liability policies) shall provide that the City and its participating trusts are named additional insureds without reservation or restriction. The City and any of its participating trusts shall be named as loss payees on the CONSULTANT/SERVICE PROVIDER’s valuable papers insurance policy for this Project.

All insurance coverage of the CONSULTANT/SERVICE PROVIDER shall be primary and non-contributory to any insurance or self-insurance program carried by the City and its participating trusts.

All insurance policies shall include a severability of interest provision wherein claims involving any insured hereunder, except with respect to limits of insurance, interests shall be deemed separate from any and all other interest herein, and coverage shall apply as though each such interest was separately insured.

- B. Deductibles: All policies must be fully insured with any single policy deductible not exceeding \$25,000. All deductibles must be declared on the certificate of insurance. If no deductible is declared, the CONSULTANT/SERVICE PROVIDER is stating a deductible does not exist and thus a deductible is not approved or accepted. If the CONSULTANT/SERVICE PROVIDER’s deductible is different than declared, then the

City and its participating trusts will hold an equal amount from pay claims until corrected.

Self-insured retentions will not be accepted unless accompanied by a bond (financial guarantee bond) or irrevocable letter of credit guaranteeing payment of the losses, related investigations, claim administration and defense expenses not otherwise covered by the CONSULTANT/SERVICE PROVIDER's self-insured retention.

- C. Policy Limits: The insurance coverage and limits required of the CONSULTANT/SERVICE PROVIDER under this contract are designed to meet the minimum requirements of the City and its participating trusts. Such coverage and limits are not designed as a recommended insurance program for the CONSULTANT/SERVICE PROVIDER. The CONSULTANT/SERVICE PROVIDER alone shall be responsible for the sufficiency of its own insurance program. Should the CONSULTANT/SERVICE PROVIDER have any question concerning its exposures to loss under this contract or the possible insurance coverage needed therefore, the CONSULTANT/SERVICE PROVIDER should seek professional assistance.

All policies shall be in the form of an "occurrence" insurance coverage or policy. If any insurance is written in a "claims-made" form, the CONSULTANT/SERVICE PROVIDER shall also provide tail coverage that extends a minimum of two year from the expiration of this contract.

The minimum aggregate limits of such insurance policies and continuing coverage shall be:

- (1) Worker's Compensation and Employer's Liability Insurance. The CONSULTANT/SERVICE PROVIDER shall provide and maintain, during the term of the contract, worker's compensation insurance as prescribed by the laws of the state of Oklahoma and employer's liability Insurance in an amount not less than One Hundred Thousand Dollars (\$100,000.00) each for all its employees employed at the site of the Project, and in case any work is subcontracted, the CONSULTANT/SERVICE PROVIDER shall require the subcontractor similarly to provide worker's compensation and employer's liability insurance for all the subcontractor's employees, unless such employees are covered by the protection afforded by the CONSULTANT/SERVICE PROVIDER. In the event any class of employees engaged in work performed under the contract or at the site of the Project is not protected under such insurance heretofore mentioned, the CONSULTANT/SERVICE PROVIDER shall provide and shall cause each subcontractor to provide adequate insurance for the protection of the employees not otherwise protected. If the CONSULTANT/SERVICE PROVIDER is exempt under the laws of the state of Oklahoma from the requirement to obtain and maintain worker's compensation insurance, then the CONSULTANT/SERVICE PROVIDER must provide the City and its participating trusts a copy of its Affidavit of Exempt Status from the Oklahoma Insurance Department.
- (2) Commercial General Liability Insurance. The CONSULTANT/SERVICE PROVIDER shall provide and maintain commercial general liability

The certificate must include the Project or Contract number and Project or Contract description or name.

- E. Cancellation. There may be no termination, non-renewal, reduction in coverage, or modification of such insurance coverage.

The CONSULTANT/SERVICE PROVIDER authorizes the City and its participating trusts to confirm all information so furnished as to the CONSULTANT/SERVICE PROVIDER's compliance with its bonds and insurance requirements with the CONSULTANT/SERVICE PROVIDER's insurance agents, brokers, surety and insurance carriers. The lapse of any insurance policy or coverage required by this contract is a breach of this contract for which the CONSULTANT/SERVICE PROVIDER shall repay and reimburse all payment made under the contract and such other damages, losses, and costs incurred by the City and its participating trusts. The City and its participating trusts may at their option suspend this contract until there is full compliance with this paragraph, and/or may suspend payment under this contract, and/or may cancel or terminate this contract and seek damages for the breach of this contract. The remedies in this paragraph shall not be deemed to waive or release any remedy available to The City and its participating trusts. The City and its participating trusts expressly reserve the right to pursue and enforce any other cause or remedy in equity or at law.

In the event of a reduction in any aggregate limit, the CONSULTANT/SERVICE PROVIDER shall immediately notify the City and its participating trusts and shall make reasonable efforts to have the full amount of the limits appearing on the certificate reinstated. If at any time the City and its participating trusts request a written statement from the insurance company(s) as to any impairments to or reduction of the aggregate limit, the CONSULTANT/SERVICE PROVIDER hereby agrees to promptly authorize and have delivered to the City and its participating trusts such statement.

- F. Duration of Coverage. All insurance coverage required under this contract shall be maintained in full force and effect until completion and formal acceptance of the Project by the City and its participating trusts. For CONSULTANT/SERVICE PROVIDERs providing claims-made insurance coverage, such coverage must be maintained in full force and effect for a period of two (2) years after the final, formal acceptance of this Project by the City and its participating trusts.
