TO: Chairman and Trustees of the Oklahoma City Public Property Authority

FROM: Craig Freeman, City Manager/General Manager, OCPPA

Amendment No. 1 to the 2016 Pre-Opening Consulting, Operating and Management, and Sublease Agreement with The City of Oklahoma City and SMG/ASM, Oklahoma City Convention Center, 100 Mick Cornett Drive, amending the terms for the solicitation of sponsorships and extending the term through September 1, 2028. Ward 7.

Location:

100 Mick Cornett Drive

Purpose:

To adjust the 2016 agreement for the solicitation of sponsorships related to the Oklahoma City Convention Center managed by SMG/ASM and extend the term of the agreement.

Background:

In 2016, the City, the Trust, and SMG/ASM entered into a lease management agreement for the new MAPS 3 convention center. This agreement stipulated that SMG/ASM was the exclusive entity to solicit sponsorships for the facility. This amendment allows SMG/ASM to work with a third party organization to solicit specific sponsorships for the venue or solicit sponsorships themselves.

This amendment also extends the term of the agreement for the first 3-year renewal until September 1, 2028.
