WHEREAS, it has been brought to the attention of The City of Oklahoma City that certain structures exist within the City with legal descriptions, street addresses, and ownership as reflected by the current year's tax rolls, and mortgage holders as shown by the records of the County Clerk, as shown on the legal notice forms numbered as follows:

attached hereto and made part hereof; and,

WHEREAS, pursuant to a public hearing held by and before the Council of The City of Oklahoma City on May 21, 2024, ten (10) days prior notice of which was posted upon the subject property and also mailed to the above referenced and designated owners and mortgage holders by first class mail postage prepaid, with a receipt of mailing from the postal service which indicates the date

and the name and address of the person to whom the notice was mailed, said Council has found, based upon the evidence presented, all of which is incorporated herein and made a part hereof for all purposes, that the said structures are unsecured structures as defined by 11 Oklahoma Statute, Section 22-112.1(C), the same being as reflected by the conditions of decay or disrepair described on said attached legal notice forms; and,

WHEREAS, due to the unsecured condition of each of said structures as above described, the Council finds and concludes that the boarding and securing of said structures will make such structures less available for transient occupation, decrease a fire hazard created by such structures, and decrease the hazard that such structures will constitute an attractive nuisance to children; and,

WHEREAS, the Council finds and concludes that the boarding and securing of such unsecured structures will promote and benefit the public health, safety and welfare; and

WHEREAS, the Council desires (1) to authorize the City Manager, or his designee, to cause the required boarding and securing work to be performed by a contractor or other agents for the City; (2) to authorize the City Clerk to pursue the recovery of costs for such work as provided for by law; and, (3) to direct the City Treasurer to deposit any revenues recovered into the specific City fund from which said revenues were appropriated.

NOW THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF OKLAHOMA CITY:

(1) As a result of the inspection and observation of the structures listed above by City inspectors, the structures listed and described on said attached legal notice forms are hereby found and declared by the Council of The City of Oklahoma City to be unsecured structures as defined by 11 Oklahoma Statute, Section 22-112.1(C);

(2) That the boarding and securing thereof would make such buildings less available for transient occupation, decrease a fire hazard created by such buildings and decrease the hazard that such

buildings will constitute an attractive nuisance to children. Furthermore, it has been determined that the boarding and securing of said structures would promote and benefit the health, safety and welfare of the general public and the community.

(3) The 'boarding and securing' of a structure, as this phrase is used in this resolution, means the closing, boarding and/or locking of any or all exterior openings, to prevent entry into the structure. To be correctly boarded and secured, all openings into a structure must be secured in the manner set forth in the Notice of Violation. Structures which are not secured by these standards may be subject to additional boarding and securing by The City of Oklahoma City.

AND, BE IT FURTHER RESOLVED that the Council does hereby authorize the City Manager, or his designee, to cause the required work to be performed by a contractor or other agents for the City, and the City Clerk, the Purchasing Agent, City Manager or his designee, when appropriate, is hereby authorized to solicit for bids on such required work and is hereby directed to award said contract to the lowest and best bidder.

AND, BE IT FURTHER RESOLVED by the Council that, upon completion of any required work by the contractor, the City Clerk is hereby authorized and directed to send a certified statement of the costs of any such work performed to the owners and mortgage holders and, if payment is not made within thirty (30) days, to certify the costs of any such work to the County Treasurer for addition of said costs to the ad valorem tax rolls for the particular property, all as authorized by 11 Oklahoma Statutes, Section 22-122.1(C).

AND, BE IT FURTHER RESOLVED by the Council that any and all revenues recovered for such work shall be deposited by the City Treasurer into a specific City fund which said revenues were originally appropriated.

AND, BE IT FURTHER RESOLVED that the City Clerk is hereby directed to forthwith file

in the Office of the County Clerk a Notice to the public and prospective purchasers which advises all interested persons of the above Council actions and the possibility of the existence of a tax lien in favor of The City of Oklahoma City for the costs of the boarding and securing of said structures if such work is performed by the City, and that such costs are the personal obligation of the property owner from and after the date of filing of said notice.

AND, BE IT FURTHER RESOLVED that the City Manager or his designee are hereby authorized to summarily abate any subsequent need for boarding and securing of said structures occurring within six months after the initial boarding and securing done pursuant to this Resolution and that any such subsequent boarding and securing shall be performed pursuant to the procedures set forth in 11 Okla. Stat., Section 22-112.1(C)(1) and (C)(9).
