TO: Mayor and City Council

FROM: Kenneth Jordan
Municipal Counselor

Resolution authorizing the Municipal Counselor to waive service of process and to confess judgment without admission of liability in the amount of \$8,778.51 and all the costs of the action in the Oklahoma County District Court in the claim filed by Matthew Cochran. Ward 7.

Claimant's address:
200 NE 14th Street
Oklahoma City, OK 73111

This office acknowledges receipt of a claim from the above-referenced claimant, in which the claimant alleges that on December 16, 2024, claimant's vehicle was damaged when it was struck by a City vehicle driven by a Solid Waste Management employee at or near NE 14th Street and North Walnut Avenue in Oklahoma City. The claimant alleges damages in the amount of \$8,778.51, the cost of repairing his vehicle and a rental vehicle during the repairs. This amount is supported by documentation.

Section 153(A) of the Governmental Tort Claims Act provides:

A. The state or a political subdivision shall be liable for loss resulting from its torts or the torts of its employees acting within the scope of their employment subject to the limitations and exceptions specified in The Governmental Tort Claims Act and only where the state or political subdivision, if a private person or entity, would be liable for money damages under the laws of this state. The state or a political subdivision shall not be liable under the provisions of The Governmental Tort Claims Act for any act or omission of an employee acting outside the scope of the employee's employment.

51 O.S. 2023 Supp. §153(A).

According to the Oklahoma Supreme Court, a prima facie case of negligence is established by showing the following: "(1) a duty owed by the defendant to protect the plaintiff from injury, (2) a failure to properly exercise or perform that duty and (3) the plaintiff's injuries are proximately caused by the defendant's failure to exercise his duty of care." *McKellips v. Saint Francis Hospital, Inc.*, 741 P.2d 467, 470 (Okla. 1987) (citations omitted).

Proximate cause has two components - legal causation and cause in fact. *Id.* Cause in fact

is determined by the "but for" test: "The defendant's conduct is a cause of the event if the event would not have occurred but for that conduct." *Id.* (citations omitted). "Proximate cause" is also a synonym for "legal cause." BLACK'S LAW DICTIONARY, 804 (6th Ed. 1990). To clarify this issue, the Oklahoma Supreme Court has further defined proximate cause: "The proximate cause of an event must be that which in a natural and continuous sequence, unbroken by an independent cause, produces the event and without which the event would not have occurred." *Gaines v. Providence Apartments*, 750 P.2d 125, 126-27 (Okla. 1987) (citations omitted).

The Supreme Court of Oklahoma has further stated that the driver of a motor vehicle must always use that degree of care which is reasonable and prudent under the circumstances. *Agee v. Gant*, 412 P.2d 155 (Okla. 1966).

This office is in receipt of information from the Solid Waste Management Department and the Official Oklahoma Traffic Collision Report regarding this incident. This information indicates that on the incident date, the City's Solid Waste Management crane truck was operating westbound on NE 14th Street. This crane truck is the large truck which can be operated from the seat of the crane and the truck was traveling in "reverse" down NE 14th Street when it struck the claimant's parked vehicle. The driver of the crane truck said he not see the claimant's parked vehicle due to the crane arm. This information indicates no improper action by the claimant.

Based on the above information and applicable Oklahoma law, it is the opinion of this office that this claim should be approved, and that the Municipal Counselor should be authorized to Confess Judgment without admission of liability in the amount of \$8,778.51 and all costs of the action in the District Court. If Council agrees, a Resolution to that effect has been prepared.
