Subject: Landside Wayfinding

Project: OCAT-WRWA-2206

Lochner # 8735

To Whom It May Concern:

We have reviewed the construction outlined in the contract documents and the project closeout documents received from Crossland Heavy Contractors for the Landside Wayfinding project at the Will Rogers World Airport. Based on our knowledge and understanding, we recommend that the project be accepted as complete and any deficiencies may be addressed under the warranty period.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

H.W. LOCHNER, INC.
