Borrower shall provide Lender, at Lender's or the Secretary's request, with copies of all audit reports and/or unaudited quarterly financial statements prepared by Borrower. Borrower shall immediately notify Lender in writing of all material proceedings, litigation or claims which may adversely affect Borrower's rights or any part of the Project or Project Site, and of all complaints or charges made by any governmental authority affecting the Project, Project Site, or Borrowers which may require material changes in the development of the Project or use of the dwelling(s) constructed.

5.9 Incidence of Loss. Notwithstanding anything contained herein to the contrary, the foregoing indemnification given by Borrower to Lender shall not be effective or enforceable against Borrower unless, 1) Lender gives Borrower written notice of any such claims or actions of said person or entity made against Lender within ten (10) working days of Lender's written notice of such claims or actions, and 2) Lender does not commence or enter into any settlements or negotiations of settlement with any person or entity relating to the matters covered by Borrower's indemnification without Borrower's prior written consent. If Borrower fails to defend or perform its obligations under this indemnification within ten (10) days after written request by Lender, Lender may settle, commence, appear in or defend any

action or proceeding purporting to affect the rights, duties or liabilities of the parties to the Loan Documents, or the Project Site or the Project and Borrower shall pay all of Lender's costs and expenses incurred, on demand. This section shall survive execution, delivery and performance of the Loan Documents.

Upon the nonoccurrence of any of the foregoing, Lender may declare an Event of Default and exercise its rights and remedies under Article VI here below.

ARTICLE VI DEFAULT AND REMEDIES

6.1 Event of Default. The occurrence of any of the following events and failure to cure within stated periods shall constitute an Event of Default:

- (a) Failure of assisted units to qualify as affordable housing throughout the affordability period, as defined in the Definitions section and in the Recitals above.
- (b) Any default by Borrower in the repayment of any indebtedness owed to Lender under the Loan Documents for any purpose or reason, which is not paid in full within thirty (30) days from the date the debt is due and payable.
- (c) Any breach by Borrower of the non-monetary representations, warranties, covenants and conditions of this Agreement (except as to any breach in Labor conditions) or the Loan Documents, that is not cured by Borrower to Lender's reasonable satisfaction within sixty (60) days from the receipt of written notice thereof. If a non-monetary breach or default by Borrower occurs that is outside of the control of Borrower and which cannot be cured within said sixty (60) days, Borrower shall have commenced to cure its breach or default within said sixty (60) days and thereafter diligently proceed to cure its breach or default. Notwithstanding anything to the contrary herein, any violation, breach or default by Borrower of the Act or any laws, ordinances, rules or regulations applicable to the Project, the Project Site or Borrower's use of the Loan Funds not cured within the applicable period shall constitute an Event of Default;
- (d) Any breach by Borrower of the non-monetary representations, warranties, covenants and conditions of this Agreement applying to Labor requirements which cannot be cured by the Borrower within ten (10) working days from receipt of written notice.
- (e) Any written representation, warranty or disclosure made to Lender by Borrower which proves to be materially false or misleading as of the date when made, whether or not such representation or disclosure appears in this Agreement or the Loan Documents;

- (h) Failure by Borrower to defend, indemnify and/or hold harmless Lender under Section 5.10 of this Loan Agreement.

6.2 Remedies. Upon the occurrence of an Event of Default, Lender may, besides any other remedies which Lender may otherwise have, under the Loan Documents or by law, at its option without prior demand or notice, take any or all of the following actions:

- (a) Immediately terminate any further advance of Loan Funds; and/or

(b) Declare the Note immediately due and commence collection proceedings against Borrowers, and/or foreclose the Mortgage.

All remedies of Lender provided for herein and in any other of the Loan Documents are cumulative and shall be in addition to all other rights and remedies provided by law. The exercise of any right or remedy by Lender shall not constitute a cure or waiver of default hereunder or under any other of the Loan Documents or invalidate any act done under any notice of default, or prejudice The CITY in the exercise of any of its rights hereunder or under any other Loan Documents unless, in the exercise of any of its rights hereunder or under any other Loan Documents unless, in the exercise of said rights, The CITY shall solely realize all amounts owed to it.

The Lender agrees to give Borrower's Limited Partner written notice at the address listed in the Declaration of Affordability Requirements of any and all defaults by the Borrower under the Loan Documents, and an opportunity, at the Limited Partner's option, to cause the cure of such default within the cure periods set forth below, prior to exercising any remedies under the Loan Documents. The Lender agrees that the Limited Partner will have ten (10) days after the Limited Partner's receipt of notice of such default to cure, or cause the cure of a monetary default under the Loan Documents, and thirty (30) days (or such longer period as is set forth in the Loan Documents) after the Limited Partner's receipt of such notice to cure any non-monetary defaults under the Loan Documents, or, as to non-monetary defaults, such longer period as is reasonably necessary for the Limited Partner to cause cure, provided that cure is commenced within the above cure period and diligently prosecuted, including, without limitation, such time period as is necessary to remove Borrower's general partner, if necessary in order to effect a cure. The Lender agrees to accept cure by the Limited Partner as if such cure were made by Borrower.

ARTICLE VII SPECIAL PROVISIONS

7.1 Nothing in the Loan Documents shall limit or restrict the ability of Borrower's limited partner, [The Huntington Community Development Corporation], its successors and assigns (the "Limited Partner") to transfer, sell or assign its ownership interest in Borrower, from time to time, without consent of Lender, provided that said Limited Partner remains liable for payment of any then unpaid capital contributions to Borrower, as and when payable, as set forth in Borrower's Partnership Agreement, notwithstanding any such transfer, sale or assignment. In particular, Lender hereby consents to any transfers, sales or assignments of limited partnership interests in Borrower to any affiliate of the Limited Partner or any entity in which the Limited Partner, or an affiliate, is the manager or managing general partner and agrees that such transfers shall not constitute defaults under the Loan Documents.

7.2 The withdrawal, removal, transfer and/or replacement of the general partner of Borrower pursuant to the terms of the Amended and Restated Agreement of Limited Partnership of Borrower ("Borrower's Partnership Agreement") shall not constitute a default under any of the Loan Documents, and any such actions shall not accelerate the maturity of the Loan; provided that Borrower agrees to notify the Lender of any proposed replacement general partner prior to replacement, and, upon replacement, shall notify the Lender of the name and contact information of the replacement general partner with reasonable promptness.

The CITY shall enforce this affordability period through a mechanism acceptable to the CITY and approved by HUD. If the affordability requirement is not met, the funds provided under this Agreement shall be immediately due and payable to the CITY's HOME Program. The affordability restriction may terminate upon foreclosure or transfer in lieu of foreclosure.
- iv. The Developer understands that the initial occupant(s) of the eleven (11) HOME-assisted units must initially have income at or below 50 percent of the Area Median Income; as determined using HUD's Section 8 definition of income. Of the forty-three (43) project units, eighteen (18) must be rented to households earning less than 50% of the Area Median income (inclusive of the eleven (11) HOME-assisted units). The remaining twenty-five (25) units must be rented to households earning less than 60% of the Area Median Income. This project requires verification of all tenant asset income. Tenants must be aged fifty-five (55) or over.
- v.
