

MEMORANDUM

Council Agenda
Item No. IX. G
11/19/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the purchase of fleet management technologies with related software solutions and hardware updates, services, training and support through Sourcewell Cooperative Purchasing (COKC01083), estimated cost \$200,000, November 23, 2024 through November 22, 2025.

Purpose:

To authorize the purchase of fleet management technologies software, licensing, support, and professional services for City and Trust departments.

Background:

Fleet management technologies software is used to manage the vehicle and equipment fleet. This includes maintenance history, parts/inventory management, gasoline usage and other components. The continued functionality of this software is critical to the maintenance of the City's and Trusts fleet.

The City will be purchasing from an existing government contract with Sourcewell Cooperative Purchasing. This contract provides access to discounted pricing from Verizon Connect NWF Inc., a wholly owned subsidiary of Verizon Connect and Samsara, Inc. Sourcewell Cooperative Purchasing is available to government entities for the purpose of providing a contracting alliance for nationally bid contracts. The approval of this contract is following the same procedures as used when making purchases through State contracts.

The estimated cost for this cooperative agreement is based on previous expenditures for this commodity. The City is under no obligation to purchase from this agreement. All purchases are subject to future appropriations and the availability of funds.

Staff requests Council authorize the purchase of fleet management technologies software, licensing, support through Sourcewell Cooperative Purchasing (COKC01083), estimated cost \$200,000, November 23, 2024 through November 22, 2025.
