

MEMORANDUM

OCMFA Agenda
Item No. MFA. B
5/20/2025

The City of OKLAHOMA CITY

TO: Chairman and Trustees of the Oklahoma City Municipal Facilities Authority

FROM: Craig Freeman, City Manager/General Manager, OCMFA

Joint Resolution with The City of Oklahoma City authorizing The City of Oklahoma City to expend funds from the 2017 General Obligation Bond Authorization (2025 Sale) for the purchase of advanced engineering services contract and related expenses for Project BC-0237, Bridge Replacement, NE 178th Street and North Triple X Road, 500 feet west of the intersection, from the Oklahoma City Municipal Facilities Authority, in the amount of \$113,316; and assigning contract from the Oklahoma City Municipal Facilities Authority to The City of Oklahoma City. Ward 7.

Location:

NE 178th Street and North Triple X Road, 500 feet west of the intersection

Background:

The original contract for this project between the Oklahoma City Municipal Facilities Authority (OCMFA) and H.W. Lochner, Inc. provided for the Engineer's preparation of plans and specifications for Bridge Replacement at the above location. In anticipation that the project would be funded in the City's 2017 General Obligation Bond Authorization, the OCMFA engaged the Engineer to provide for design and other engineering services related to the project.

2017 General Obligation Bond Authorization (2025 Sale) funds are now available in the amount of \$113,316 and the project is fully funded. Staff therefore recommends The City of Oklahoma City (City) authorize the purchase of the OCMFA's engineering services contract and related expenses with 2017 General Obligation Bond Authorization (2025 Sale) funds in the amount of \$113,316.

The OCMFA having no further funding or other contractual responsibilities related to this project, staff also recommends that the OCMFA assign all rights, titles and interest in and to Project BC-0237, entered into between the OCMFA and the Engineer on June 7, 2022, to the City.

The attached Joint Resolution provides for the above actions.

Engineer:

H.W. Lochner, Inc.

Estimated Construction Cost:

\$976,061

Engineering Fee:

\$113,316

Source of Funds:
