

MEMORANDUM

Council Agenda
Item No. X. M
4/9/2024

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the McGee Creek Authority in adopting a Resolution ratifying the actions of the General Manager in approving plans and specifications to be advertised for bids, approving Addendum No. 1, extending time to award contract, and ratifying the actions of the Chairman in awarding contract to Wynn Construction Company, Inc., Project WMC-040-Revised, McGee Creek Pipeline Cathodic Protection Improvements, McGee Creek Reservoir, \$841,460; and approving contract and bonds.

Location:

McGee Creek Reservoir, Farris, Oklahoma

Purpose:

To ratify the actions of the General Manager in approving plans and specifications, the addendum, and extending time to award contract; and ratifying the actions of the Chairman in awarding the construction contract.

Justification:

An addendum was required to clarify items to award a construction contract and answer questions from potential bidders. This addendum modification takes precedence over the original plans and specifications.

Background:

This project will improve the corrosion protection system along the length of the McGee Creek pipeline.

This project was advertised under WMC-040 and the single bid submitted on February 8, 2023 from Corpro Companies, Inc. for \$534,746 was rejected in March 2023. The bid rejection was ratified in September 2023. The bidder did not provide unit prices for eight of the nine pay items. The project was re-advertised under WMC-040-Revised.

Bids Received:

October 25, 2023

Engineer:

Smith Roberts Baldischwiler, LLC

On October 25, 2023, the following bids were received:

Wynn Construction Company, Inc. \$841,460

Tabulation of Bids:

On October 25, 2023, the following bids were received:

Wynn Construction Company, Inc. \$841,460

Notification:

Addendum No. 1 was issued to prospective bidders on October 12, 2023.
