The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution extending time to award contract, Project M4-TK010, MAPS 4 Bike Lanes Phase 1A, NW 16th Street and NW 19th Street between East Overholser Drive and North Indiana Avenue; awarding contract to RCC Traffic, LLC, \$1,896,069.75; and approving contract and bonds. Wards 1, 2, 3 and 6.

Location:

NW 19th Street between East Overholser Drive and North Tulsa Avenue
North Tulsa Avenue between NW 16th Street and NW 19th Street
NW 19th Street between North Tulsa Avenue and North Indiana Avenue

Background:

As a part of the MAPS 4 Program, The City of Oklahoma City will construct several miles of bike lanes. This project is for the MAPS 4 Bike Lanes Phase 1A.

Bids were opened on February 5, 2025, for the MAPS 4 Bike Lanes Phase 1A project with two bids received. The lowest bid submitted by Action Safety Supply Co., LLC, listed the incorrect awarding agency, on the bid bond which is a fatal flaw in the bidding process. The project engineer and City staff reviewed the bids and recommend awarding the contract to the next lowest and best bidder, RCC Traffic, LLC.

The contract award is beyond the provisions of the Public Competitive Bidding Act mandate that a contract for construction be awarded within 30 days of bid opening but no more than 45 days upon mutual written agreement between the contractor and City. The contractor has submitted a letter agreeing to hold the bid prices beyond the 30-day limit until approval of the contract by City Council.
