**KNOW ALL MEN BY THESE PRESENTS THAT THE OKLAHOMA CITY WATER UTILITY TRUST**, a Public Trust ("Grantor") in consideration of Ten or more dollars in hand paid, the receipt of which is hereby acknowledged, and other good and valuable consideration, does hereby grant and warrant unto **OKLAHOMA GAS AND ELECTRIC COMPANY**, an Oklahoma corporation ("Grantee"), its successors and assigns, the right, privilege and authority, subject to the conditions outlined herein, to enter upon and install, erect, construct, operate, maintain, and reconstruct underground and/or above ground a system of poles, anchors, guy wires, conduits, wires, cables, vaults, junction boxes, switches, fuses, transformers, service connection boxes and other fixtures for the transmission and distribution of electrical current and communication messages, including the right of ingress and egress to and from said system across adjoining lands of Grantor, together with the authority to cut down, control the growth of, or trim and keep trimmed any tress that may in the judgment of the Grantee interfere with or endanger said line or its maintenance and operation.

The real property covered by this easement is situated in OKLAHOMA COUNTY, State of Oklahoma, and is described as follows.

Grantee further acknowledges and agrees that any activity of the Grantee must not interfere with this facility. Furthermore, all ingress and egress will be coordinated with the Oklahoma City Water Utilities Trust General Manager or designee as access to Grantor's property is restricted.

Grantor further covenants and agrees that no building or other structure shall ever be erected nor shall any excavation or other removal of soil, so as to change the grade of terrain, be accomplished by Grantor, its heirs or assigns, within the above-described easement area unless the written consent of the Grantee is first obtained. The rights and privileges above granted to continue so long as same are used or needed for the transmission and distribution of electric current or communication messages; but should the Grantee remove its property from the premises and abandon the right of way herein granted, then the rights granted in this easement shall terminate.
