OCAT Agenda  
Item No. V. P  
3/28/2024

TO: Trustees, Oklahoma City Airport Trust

FROM: Jeff Mulder, Director of Airports

Assignment and Assumption Agreement with Oshkosh Aerotech, LLC (formerly JBT AeroTech Corporation), who is authorized to conduct business in the State of Oklahoma.

**Location:**

Will Rogers World Airport

**Background:**

The Oklahoma City Airport Trust (Trust) and JBT AeroTech Corporation (Assignor) entered into the Construction Contract on September 28, 2023 (Original Agreement). The Assignor agreed to furnish all materials and perform all work for Project No. OCAT WRWA 2308, Passenger Boarding Bridge Replacement – Phase I (Project).

JBT AeroTech Corporation underwent a conversion in its corporate structure to Oshkosh Aerotech, LLC (Assignee). The Assignee understands and accepts the assignment and hereby assumes, agrees and undertakes to furnish all materials, perform all of the work, obligations, covenants and agreements of Assignor pursuant to the Original Agreement for Project No. OCAT WRWA 2308, Passenger Boarding Bridge Replacement – Phase I. From and after March 28, 2024, all references to JBT AeroTech Corporation in the Original Agreement shall be deemed to reference Oshkosh Aerotech, LLC. The Assignee accepts and assumes this assignment and any covenants contained in this instrument and agrees to strictly honor and comply with all terms, provisions, conditions, obligations, and liabilities created by or under the Original Agreement as if it were an original contracting party to the Original Agreement.

**Recommendation:** Agreement be approved.
