

**AMENDMENT NO. 1 TO PROFESSIONAL SERVICES AGREEMENT
BETWEEN THE CITY OF OKLAHOMA CITY AND
THE EMERGENCY MEDICAL SERVICES AUTHORITY**

This Amendment No. 1 to the July 19, 2022 Professional Services Agreement between the City of Oklahoma City and the Emergency Medical Services Authority ("Agreement"), dated this JUNE 20TH, 2023, is made between the City of Oklahoma City ("City"), and the Emergency Medical Services Authority ("EMSA"), collectively the "Parties."

WHEREAS, on December 16, 2008, the City approved Ordinance No. 23,765 establishing a method by which City residences receiving City utilities may obtain an EMSAcare membership payable as part of their utility bills; and

WHEREAS, after collecting the EMSAcare fees for EMSA, the City remits the fees to EMSA according to EMSA's annual budget approved by City Council, and the City retains certain revenue to act as billing agent for EMSA and for a revenue stabilization fund; and

WHEREAS, the obligations of both the City and EMSA are set forth pursuant to the Agreement entered into annually between the two parties. In return for the billing and other administrative services the City provides to EMSA, EMSA agrees to use all the revenue received for operating and capital expenses related to the provision of emergency medical services to Oklahoma City. EMSA also agrees that all equipment, ambulances and buildings purchased with the revenue will be owned and/or titled in the City's name; and

WHEREAS, EMSA has submitted for City Council approval, an amended 2022-2023 budget (attached hereto as Exhibit 1) showing that it needs an additional \$1,020,577 for operating and capital expenses. In conjunction therewith, EMSA has provided the City documentation as required pursuant to Section II(B)(4) of the Agreement and Exhibit 1 thereto (Lease Agreement), that all equipment, ambulances, and buildings purchased by EMSA since adoption of Ordinance No. 23,765 is titled in the City's name.

NOW THEREFORE, it is mutually agreed by and between the Parties to amend the Agreement as follows:

All terms and provisions of the July 19, 2022 Professional Services Agreement between the City of Oklahoma City and the Emergency Medical Services Authority, shall remain the same and in full force and effect except for the following amendments indicated by underlining and strike-throughs, to subsection II(A)(4) of the Agreement:

II. Scope of Services

A. Services to be provided by the City of Oklahoma City

The City of Oklahoma City agrees to provide the following services to EMSA:

* * * *

4. EMSA ~~has originally~~ submitted its 2022-2023 budget to the City, showing that the costs of the Medical Services Program for the fiscal year will total \$4,702,550. However, on 2023, EMSA submitted an amended 2022-2023 budget showing the need for an additional \$1,020,577 for its operating and capital expenses for the year. The City will collect the Medical Services Program fee from the participating Utility Customers and will then remit funds to EMSA, retaining fees for the City's administrative and banking costs, as outlined in paragraph II.A.5. herein. The City will also retain the Medical Service Program revenue received from Utility Customers that exceeds its administrative/banking costs and the costs of the Medical Services Program for a revenue stabilization fund. The revenue stabilization fund shall only be used for the provision of Medical Service Program services, related City administrative costs and services as provided in this Agreement and purchase of any needed capital such as a building to house EMSA staff. The revenue stabilization fund is intended to provide more level costs to Utility Customers over time. However, should the Medical Service Program revenues collected from City Utility Customers be inadequate to cover the City's costs and EMSA's Medical Services Program costs, the City will be under no additional obligation, pursuant to this Agreement, to remit its own funds to EMSA.
