

MEMORANDUM

Council Agenda
Item No. X. R
9/26/2023

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Concurrence with the Oklahoma City Water Utilities Trust in receiving the Engineering Report from CP&Y, Inc. dba STV Infrastructure, and authorizing negotiation of an amendment to the Engineering Contract, Project ST-0154, Wastewater Treatment Plant Biosolids and Odor Management, Deer Creek Wastewater Treatment Plant.

Location:

Deer Creek Wastewater Treatment Plant

Purpose:

To receive the engineering report and authorize engineering services.

Background:

This project develops a comprehensive and detailed evaluation of the biosolids and odor management and design of immediate improvements so that systems and processes can be operated reliably and efficiently.

The original contract must be amended to incorporate the engineer's scope of work related to support services and to add rates and hours for an Electrical Engineer.

Engineer:

CP&Y, Inc. dba STV Infrastructure

Engineering Fee:

To be determined

Estimated Construction Cost:

\$17,910,000

Review:

Utilities Department

Recommendation: Concur with the Oklahoma City Water Utilities Trust in receiving the report and authorizing negotiation of an amendment.
