## The City of OKLAHOMA CITY

**NO: 2010**

**DATE: SEPTEMBER 26, 2023**

**TO: THE MAYOR AND MEMBERS OF THE CITY COUNCIL**

**SUBJECT: JUNE 30, 2023 QUARTERLY INVESTMENT REPORT**

### **Background:**

Annualized return on the portfolio was 2.61% for the quarter and 2.02% fiscal year to date. Investment income was \$13.85 million for the quarter and \$42.95 million year-to-date. As per the Federal Open Market Committee's June 14<sup>th</sup> statement on the economy, recent indicators suggest that economic activity has continued to expand at a modest past. Job gains have been robust recently and unemployment has remained low. Inflation remains elevated. On May 3, the Committee raised the federal funds rate to a target range of 5.00 to 5.25 percent and anticipates that additional firming may be appropriate to return inflation to 2 percent over time. The federal funds rate has a significant influence on the interest earnings of the portfolio.

The City's investment policy incorporates City Charter, Municipal Code and state statute requirements and establishes objectives for the investment of City funds. These objectives, in order of priority are safety, liquidity and return on investment. The investment policy also requires an investment report be submitted to the Mayor and Council on a quarterly basis.
