Departments are to contact vendors for pricing to ensure the appropriate price on behalf of the City or participating Trust is being quoted according to contract pricing. Staff has made the most frequently used vendors available on this contract (see vendors marked with *). Please confirm/complete the vendor registration with the City prior to purchases, for any other listed vendor that may need to be used under this agreement. Send the completed vendor registration form to vendorregistration@okc.gov. It will also be necessary to submit a request to purchasing@okc.gov to request additional vendors from this vendor list be added to the contract.
