

MEMORANDUM

Council Agenda
Item No. IX. K
3/25/2025

The City of OKLAHOMA CITY

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Resolution authorizing the purchase of software support services for Boomi software, including installation, technical and training services from State Contract (COKC01546), estimated cost \$150,000, March 28, 2025 through March 27, 2026.

Purpose:

Boomi software provides an integration platform as a service (iPaaS), which enables the connection of different systems and applications to allow for integrations, automation and data management.

Background:

The Information Technology Department purchased the Boomi software bundle in October 2022 to be used in conjunction with several projects being planned by the Utilities Department. The Information Technology Department has a continuing need for support services for the Boomi software bundle.

The estimated cost for this State contract is based on anticipated expenditures for this commodity. The City and Trusts are under no obligation to purchase from this agreement. All purchases are subject to future appropriations and the availability of funds.

Staff is requesting Council authorize the purchase of software support services for Boomi software, including installation, technical and training services from State contract (COKC01546), estimated cost \$150,000, March 28, 2025 through March 27, 2026.
