Attention: Mr. Curtis Liggins

RE: **NE Family Medical: SPUD Submittal**

Dear Curtis:

On behalf of our client, NE Family Medical, we are submitting a request for a Simplified Planned Unit Development application to be reviewed and recommended for approval by the Planning Commission for property located at 2000 and 2004 N Martin Luther King Avenue in east Oklahoma City. The subject site is currently zoned as O-1, "Limited Office" District and R-3, "Medium Density Residential" District. Currently, the O-1 zoned property is developed as with a vacant single-family structure while the R-3 zoned property is undeveloped. This application seeks to rezone the property, totaling 0.36 acres, to permit the proposed medical clinic renovation and addition to the existing single-family structure. The remainder of the SPUD will be developed at a later time, most likely as a residential. This proposed project will provide much needed medical services to the surrounding residents. This project will be a positive development to the area and will be compatible with its surrounding developments. Please find attached the following submittal documents for the above referenced project:

- SPUD Rezoning Application
- Letter of Authorization
- Warranty Deed
- Legal Description
- 300-foot Radius Ownership List
- Master Design Statement
- Conceptual Site Plan
- Filing Fee of \$1,800.00

Please review the following information for its completeness and place this application on the Planning Commission docket of **August 10, 2023**. Should you have any questions or comments, please feel free to contact this office.

Respectfully submitted,
