

MEMORANDUM

The City of OKLAHOMA CITY

Council Agenda
Item No.IX.
[[! { {item.number} } !]]
5/20/2025

TO: Mayor and City Council

FROM: Craig Freeman, City Manager

Memorandum of Understanding with the Oklahoma City Zoological Trust and the Oklahoma City Water Utilities Trust for the installation of a sewer main, Project SC-1166, Sanitary Sewer Extension and Abandonment, along the northwest shore of Northeast Lake. Ward 7.

Location:

Along the northwest shore of Northeast Lake

Background:

The Zoological Trust (Zoo) is performing exhibit improvements along the northwest shore of Northeast Lake, Project MZ-0069. A portion of sewer main must connect to the existing sanitary sewer system. It is in the best interest of the Zoo and the Oklahoma City Water Utilities Trust to cooperatively facilitate the installation of the sewer main and the abandonment of associated sewer facilities. All parties desire to enter into this Memorandum of Understanding for the purpose of construction administration and funding.

The connection allows for redundant and dilapidated sewer mains and manholes to be abandoned without loss of serviceability or functionality to the adjoining sanitary sewer system.

Review:

Utilities

Recommendation: Memorandum of Understanding be approved.
