Request for Proposals

RFP-OCMFA-042
Dental Program

SPECIAL PROVISIONS

(Special Instructions and Scope of Services)

Special Provisions are deemed to be part of the Professional Services Agreement and shall supersede any conflicting term, requirement or condition in the Professional Services Agreement.

(Rest of page intentionally left blank)

The Opportunity

Project Summary

By and through The Oklahoma City Municipal Facilities Authority (OCMFA), a public trust, the Oklahoma City Post-Employment Benefits Trust (OPEBT), a voluntary employee's beneficiary association trust, and the City of Oklahoma City (The City), the sole beneficiary of the OCMFA, is accepting proposals from licensed dental plan administrators or insurance plans to provide quotes for their fully insured dental plan.

The plan is for the benefit of current employees and/or eligible former employees of the City of Oklahoma City, the Oklahoma City Zoological Trust, the Oklahoma City Public Property Authority, Oklahoma City Employee Retirement System, and the McGee Creek Authority and their eligible dependents. The contract will be managed by the Human Resources Department – Employee Benefits Division of the City of Oklahoma City on behalf of the OCMFA and OPEBT. The Plan Administrator term as used in this request-for-proposal is the City, represented by the Human Resources Department, Total Rewards Manager.

The resulting contractual agreement will be between the approved Proposer and the OCMFA and with concurrence by The City and OPEBT. Contracting with the OCMFA, City and OPEBT allows for a multi-year agreement between the parties, subject to annual fiscal appropriations by the City Council of the City of Oklahoma City. OPEBT will be concurring on behalf of the retired beneficiaries of the Trust.

Background

Incorporated in 1890, the City of Oklahoma City has had a Council-Manager form of government since 1927. Mayor David Holt, elected by all Oklahoma City voters, heads a council of eight who are elected by ward. The City Manager is the chief administrative officer and is responsible for management of the City's 18 departments, in addition to management or oversight of the City's major trusts and authorities.

The City provides all basic municipal services including police and fire protection, municipal courts, street maintenance, traffic control, parks, financial services, human resources management, grants management, and information technology services. In conjunction with public trusts, the City also provides water and wastewater utilities, solid waste collection, drainage utility services, golf courses, airports, transportation, parking, public events facilities and zoo facilities.

The City has collective bargaining agreements with three employee groups: Fraternal Order of Police, (FOP), International Association of Fire Fighters (IAFF), and the American Federation of State, County, and Municipal Employees (AFSCME). However, only the FOP and AFSCME

employee groups participate in The City's total rewards programs. The IAFF contracts independently for benefits on behalf of members covered by their collective bargaining agreement. (City employees covered by the IAFF contract are **not** part of the participants that will be covered under any agreement resulting from this RFP process.)

The City provides a self-funded major medical plan, Life/AD&D, and dental insurance plans to employees, retirees, and their eligible dependents. Each year The City/OCMFA/OPEBT provides an open enrollment period that allows participants the opportunity to update dependent eligibility, and/or to select the self-funded major medical plan and other insurance options. Participants cannot change coverage outside of the open enrollment period. Election changes may be made during the plan year due to a qualifying event.

Specifications have been prepared outlining the dental coverage and services to be quoted. Alternative service(s) may be submitted in addition to responses to the items requested in the outlined specifications and should be preceded with a summary of how the alternative could be more advantageous to the City.

Proposers are required to submit proposals with benefit designs **identical** to the major provisions of the current dental benefit plan design. Please refer to the RFP Questionnaire. The City is also interested in obtaining proposals with benefit enhancements as outlined in the RFP Questionnaire.

Statement of Need

This request-for-proposal is intended to solicit proposals for a multi-year agreement from a Proposer who is capable of providing the level of service and expertise required for average membership of 3800 active subscribers plus dependents and 1800 retiree subscribers plus dependents. The duration of any agreement is anticipated to be a maximum of five years. Both parties will have the option to terminate any agreement, with or without cause, upon appropriate and timely notice to the other party.

Proposers must have the financial viability to perform under the contract. Proposers must have sophisticated resources available to achieve the total rewards administration goals outlined in the administration plan, as evidenced by this request-for-proposal. Proposers must have staff resources able to absorb the additional work created by adding an account the size of the City of Oklahoma City and its related entities, without a substantial dislocation of current staff, or the need to hire a significant number of new employees. Proposers must also have the technical resources in place to accurately and efficiently process large amounts of data, and comply with the legislative and regulatory environments, including the Health Insurance Portability and Accountability Act (HIPAA) and the Patient Protection and Affordable Care Act (PPACA).

Goals

The component services desired by the City include, but not limited to:

- Large provider network
- Benefit claims adjudication
- Cost-containment programs

The terms of the agreement should also allow for such provisions to the OCMFA member communications, legal, and regulatory reporting as required by the service component.

Scope of Services

Description of Services

Proposers should design and outline all facets of their proposed program, including staffing, outreach, funding, and other elements as outlined in the goals. Proposers are encouraged to think creatively and design programs that will meet the needs of the employees, retirees, and eligible dependents of OKLAHOMA CITY. That said, all proposals must include the following elements.

DESCRIPTION	FREQUENCY/DURATION/QUANTITY
Regulatory compliance	Monthly
Program management reporting and financial reporting	Monthly
Advisory services to the plan administrator	Quarterly
Audit inquiries	As needed

Contract Management Expectations

As part of the City of Oklahoma City's commitment to becoming more outcomes-oriented, the Contracting Entity seeks to actively and regularly collaborate with the selected Services Provider to enhance contract management, improve results, and adjust service delivery and policy based on learning what works. Reliable and relevant data is necessary to ensure compliance, inform trends to be monitored, evaluate results and performance, and drive service improvements. As such, the Contracting Entity reserves the right to request/collect other key data and metrics from the selected Services Provider.

The performance Guarantees outlined in the RFP Questionnaire highlight key priorities that will be analyzed with the selected Services Provider collaboratively during the life of the contract. This is not an exhaustive list, but rather an indication of significant performance metrics of interest to the Contracting Entity. Additional important performance metrics can be defined collaboratively with the selected Services Provider. The selected Services Provider could be expected to report monthly on these key priorities.

Contract Payment

The Contracting Entity issues payment in accordance with the Professional Services Agreement. Proposer(s) should invoice the Contracting Entity at the email address that appears in the Notice to Proposers.

CONDITIONS AND CAVEATS

Notwithstanding anything in the renewal or proposal to the contrary, BCBSOK reserves the right to revise or withdraw any term herein or to change our charge for the cost of coverage (premium, fees or other amounts) at any time before or during the contract period if any local, state or federal legislation, regulation, rule or guidance (or amendment or clarification thereto) is enacted or becomes effective/implemented, which would require BCBSOK to pay, submit or forward, on its own behalf or on the Employer Group's behalf, any additional tax, surcharge, fee, or other amount (all of which may be estimated, allocated or pro-rated amounts). BCBSOK also reserves the right to change the premium rates it charges the Employer Group at any time before or during the contract period to the extent that any local, state or federal legislation, regulation, rule or guidance (or amendments or clarifications thereto) is enacted or becomes effective/implemented which results in increased projected claim costs or an increase to BCBSOK's expenses or cost of plan administration.

The Affordable Care Act establishes a minimum value standard of benefits of a health plan. The minimum value standard is 60% (actuarial value). This health coverage does meet the minimum value standard for the benefits it provides.

After the initial benefit plan design(s) is quoted, HCSC will not be providing a Minimum Value determination for any requested alternative benefit plan design(s). After you have notified HCSC of your final benefit plan design selection(s) for the upcoming policy year or renewal period, a statement indicating whether each selected benefit plan design meets/does not meet Minimum Value standards will be included in the corresponding Summary of Benefits and Coverage document(s) provided by HCSC.

Rates/fees are projected to be effective for the 12-month period beginning on the effective date indicated.

Offer assumes the contract situs will be Oklahoma.

Insured benefits must comply with applicable state mandates.

Unless otherwise indicated, proposal offers assume standard HCSC administration practices/contract provisions/reports/materials and renewal offers assume existing administration practices/contract provisions/reports/materials.

We reserve the right to revise or withdraw our offer if, at any time during the projected coverage period:

- The actual number of enrolled contracts (in total, by product, or by benefit plan), the Single/Family mix, or the Medicare/Non-Medicare mix varies by +/- 10% from our projections.
- The information upon which our projections were based (benefit levels, census/demographics, commissions, etc.) becomes outdated or inaccurate.

Commissions are included in the quoted rates/fees. Upon inquiry from employer groups, HCSC will provide information to the employer group regarding commissions and other compensation paid to the employer's agent by HCSC in connection with the employer's policy or contract with HCSC.

Employer will contribute a minimum of 25% toward the cost of coverage.

A minimum of 75% of eligible employees excluding waivers, or a minimum of 50% of eligible employees including waivers, enroll for coverage.

Offer is contingent upon Underwriting approval of any changes to the plan's eligibility definitions.

This offer expires as of the effective date indicated above.

City of Oklahoma City
Employee Benefits Guide

City of Oklahoma City

Dear City of OKC Employee,

It is Open Enrollment time! The Total Rewards Team has worked diligently to ensure no increase for medical premiums for active employees for the third straight year!

HR continues to work hard to evaluate and meet the needs of our workforce. The first year of the new EPO medical plan has been a positive change. For 2025, a new 457 and 401a plan administrator, VOYA, will streamline and enhance the offerings provided, while saving employees in fees. Please take time during Open Enrollment to review and invest in your 457 to maximize your overall retirement security.

The Total Rewards Team is here to support you during Open Enrollment in a way that best suits your busy schedule. We are committed to assisting each employee no matter if you prefer self-service via One OKC Cloud or on-site enrollment. If you plan to enroll on-site, please make sure you have your Multi-Factor Authentication (MFA). If you have login or MFA issues, IT will be onsite to assist.

I encourage each of you to take a small amount of time to log in to One OKC Cloud and review your other benefits and beneficiaries to make sure they are still meeting you and your family's needs.

Additional information and/or changes for Open Enrollment will be communicated through InsideOKC, www.okc.gov/oe, and/or departments.

Let's keep the momentum going as one of the top 35 organizations to work for in Oklahoma.

Things to Know for 2025

New 457 Vendor

We are moving to a single administrator, Voya Financial. This will lower costs for you, provide greater fee transparency, improve services and simplify account management.

MissionSquare and Nationwide are the current recordkeepers for the City of Oklahoma City's deferred compensation plans. Any account you currently have with either MissionSquare or Nationwide will be transferred automatically to Voya® in December 2024. Refer to pages 42–43 for more information.

One OKC Cloud

Every employee should have access to One OKC Cloud and will have access to make their own elections and changes to their benefit selections. In addition, employees are **STRONGLY** encouraged to check and periodically update their beneficiaries. For more information to enroll or make changes, click on QR code or www.okc.gov/oe.

Important Note: Benefits are subject to Labor negotiations with applicable collective bargaining groups. Benefits and/or rates referenced herein are subject to change. If such change occurs, employees will be notified.

On-Site Enrollment Location

Open Enrollment will be held at the OKC Convention Center (100 Mick Cornett Dr, Oklahoma City, OK 73109) the week of October 28 to November 1, 2024 from 8am to 4pm. Staff will be available to assist in assisting with self-enrollment in One OKC Cloud. Representatives from American Fidelity will be on-site to assist with Accident, Cancer, Long Term Disability, and Individual Life plans. Vendors for medical, dental, life, EAP, and retirement will be on-site to answer any questions. **EMBARK will be providing shuttles from the downtown campus. Please check InsideOKC for more information and updates as the event nears.**

Beneficiary Update

As part of the Oracle Cloud conversion, the decision was made to have employees reload the Group Life beneficiaries. While the City has the prior historical beneficiary record in Peoplesoft, HR is encouraging all employees to designate Group Life beneficiaries in One OKC Cloud self-service as well as periodically review and update their beneficiaries as needed. Beneficiary designations and changes can be completed at anytime throughout the year in One OKC Cloud self-service. Please note Employee Benefits does have access to historical beneficiary information in the event the employee has not updated the beneficiary in One OKC Cloud. Once the employee has made the update in One OKC Cloud, this will become the source of record.

Eligibility & Coverage Information

Plan Eligibility

Eligibility is determined by the requirements stated in the appropriate plan document or insurance policy. Since the plans are subject to change, eligibility may also change. If you change coverage from one plan to another, you and your dependent(s) must meet the requirements of the new plan selected.

Benefits Information

Additional information regarding your benefits can be found at www.okc.gov/oe. If you need to meet with Employee Benefits, please call 297-2144 to set up an appointment.

Employee and Dependent Eligibility

You are eligible to participate in the City's health and welfare plans if you are classified as a regular, full-time active employee, excluding Fire Fighters, or in one of the following categories: 1) An employee on paid disability leave due to an on-the-job injury or illness who was a regular, full-time active employee on the date the disabling injury or illness occurred; 2) An elected official of the City; 3) The City Auditor or a regular, full-time active employee of the City Auditor's office; 4) The Municipal Counselor or a regular, full-time active employee of the Municipal Counselor's office; or 5) A full-time active Oklahoma City Municipal Judge; or 6) An eligible employee of a participating public trust.

Employees must provide official documentation establishing a legal relationship with dependents in order for the dependents to be eligible for coverage. **You and your dependents will not be covered until you complete the appropriate paperwork with the Employee Benefits Division, provide the necessary documents to be enrolled (i.e. birth certificates, marriage license, copy of the social security card, etc.) and pay the required premium(s). Acceptable documentation must be received in the Employee Benefits Division of the Human Resources Department within 31 days of becoming eligible.** Refer to the Guide to Qualifying Change in Status in this guide for additional information.

Eligible Dependents Include

- Spouse, including Common Law partner.
- Child(ren), under age 26, (or those who qualify as a dependent under the Internal Revenue Code).
- Child(ren), currently enrolled in coverage, who are physically or mentally incapable of self support on the date coverage would otherwise end at age 26.

About this Guide

This benefit guide is a compilation of City sponsored employee benefits. It is intended for informational purposes only. The actual benefits available and the full descriptions of these benefits are governed in all cases by the relevant plan document, insurance contracts, and Ordinances and Resolutions of The City of Oklahoma City, and, where applicable, collective bargaining agreements. If there are discrepancies between the benefit guide and the actual plan documents, insurance contracts, and Ordinances and Resolutions, the documents, contracts, and Ordinances and Resolutions will govern. Please refer to Supplemental Benefits Information and Disclosures for additional information.

Administrative Information

Clerical Error/Delay

Clerical error or delay will not invalidate coverage or cause coverage to be in force. Coverage is governed solely by terms and provisions of the Plans, and City policy. Additionally, payment or lack of payment of premiums will not cause coverage under a Plan to commence or terminate. However, upon discovery of clerical error or delay, which results in over or under collection of premiums, an adjustment will be made to reflect the correct amount of premiums. The City has the right to collect premiums owed by the employee and conversely, the employee will be reimbursed if an overpayment occurs. Additionally, if a clerical error results in the processing of claims against the Plan, any payments disbursed to providers will be invalidated and payment of services will be the responsibility of the employee.

HIPAA Compliance

The Health Insurance Portability and Accountability Act (HIPAA) requires that your health insurance plan limit the release of your health information to the minimum necessary required for your care. If you have questions about your claims, contact your insurance carrier first. If, after contacting the insurance carrier, you need a representative of the Employee Benefits Division to assist you with any claim issues, you may be required to provide written authorization to release information related to your claim. The City of Oklahoma City advises you that the HIPAA Notice of Privacy Practices is available to you by accessing okc.gov/departments/personnel/benefits. If you do not have access to the internet and you would like a copy of the HIPAA Notice of Privacy Practice, or if you have any questions, please contact a representative of the Employee Benefits Division at 405-297-2144.

IMPORTANT NOTICE: If dependent eligibility changes during the year you must notify the Employee Benefits Division of the Human Resources Department within 31 days of the qualifying event.

**For more information, contact Employee Benefits at

Our Game Plan to Keep Your Employees Safe

As we navigate the changes that have occurred since the pandemic began, American Fidelity realizes that the most important priority is the safety and well-being of our employees and yours.

While considering adjustments you must make at your organization, you may be wondering how your partners' business practices are changing.

We are taking a thoughtful approach and continuing to work hard to ensure safety. We will follow CDC guidelines as we approach in-person enrollments.

Here are some changes we will be incorporating:

Greetings

Handshakes have been a common practice in the past. Your account manager will no longer offer their hand as a greeting.

Handouts

All product and service promotional materials may be provided electronically if requested.

Sanitization

Hand sanitizer will be available and account managers will disinfect the area after each session, including cleaning the 10-key pad used for signatures.

Adhering to Your Guidelines

Social distancing guidelines are being implemented in most workplaces to reduce the spread of COVID-19. We understand you will likely have safety protocols in place when your employees return to work. Many of these guidelines will take time to get used to. Please let us know how we can assist with adhering to your standards.

Before entering your building, our account representatives are prepared to do the following:

Stay home if they are feeling sick and not return to work until authorized by a healthcare provider

Practice social distancing by following signage or limiting capacity in confined spaces

Maintain good hygiene and cleaning practices by cleaning hands often and sanitizing areas as needed

Our Promise to You

If one of our account representatives receives a positive COVID-19 diagnosis after visiting your location, we will communicate to you as soon as possible so that contact tracing can take place. Additionally, account managers that are traveling by mass transit for work or personal reasons will adhere to a 14-day quarantine before returning to your location.

We are committed to educating your employees about their available benefits and helping them complete their enrollment in as safe of an environment as possible.

Please contact your dedicated American Fidelity account manager to discuss specifics about your upcoming enrollment.

Health Plan Benefits Comparison

The City of Oklahoma City offers employees a choice in major medical plans: (the Preferred Provider Organization (PPO) and Exclusive Provider Organization (EPO) administered by BlueCross and BlueShield of Oklahoma.) Only you can decide the type of major medical plan that is right for you and your family. Additional information and the provider directory can be found at www.bcbsok.com/okc.

PPO Plan

The PPO Plan offers a broad network of doctors, allowing you the ability to select almost any doctor or hospital. By selecting a network doctor, lower coinsurance and deductibles are available. However, non-network care is still partially covered. A prescription drug plan (administered by Prime Therapeutics) is provided with the PPO Plan. Prescription drugs must be included on the plan formulary in order to be covered.

- Advantages:** Choice of doctors and hospitals
Disadvantages: Greater out-of-pocket expense during the plan year

EPO Plan

If your preferred doctor or specialist is not in the EPO network, you must select another doctor or specialist within the EPO network in order to have your medical visits covered by the EPO plan.

Prescription drugs must be included on the plan formulary in order to be covered.

- Advantages:** Less out-of-pocket costs during the plan year
Disadvantages: More restricted choice in doctors, hospitals, and prescription medications

Comparison

The following pages provide a summary of the PPO Plan and the EPO Plan offered by the City of Oklahoma City.

This information is only a summary. If there are discrepancies between the chart and the actual plan documents, insurance contracts, or ordinances and resolutions, the plan documents, contracts, or ordinances and resolutions will govern.

NOTE: All City major medical plans include transition related health care benefits, including gender confirmation surgery, hormone therapy, and mental health counseling among other treatments. Contact your healthcare provider or health insurance provider for more information.

The Advantage network does not include CVS pharmacies. If you have prescriptions with CVS, you must transfer your prescriptions to an in-network pharmacy in order to receive benefits.

Mail Order

If you are taking a covered, maintenance (or long-term) medicine, consider using the home delivery pharmacy service, Express Scripts® Pharmacy. With home delivery, you enjoy the ease of having your maintenance drugs delivered anywhere in the U.S. You could also save time and possibly money. To start using the home delivery pharmacy service visit express-scripts.com/rx. Click on "Register Now" or "Get Started" to create an account using your Member ID and follow the steps, or you can call (833) 715-0942. Your doctor can send a new prescription electronically to EXPRESS SCRIPTS HOME DELIVERY, or by phone or fax.

Specialty Pharmacy

Specialty medicines are used to treat conditions like multiple sclerosis, hepatitis C and rheumatoid arthritis. These prescriptions that are approved for self-administration (like oral capsules or injections you can give yourself) must be filled through an in-network specialty pharmacy to avoid paying higher out-of-pocket costs. Your drug list may have a mark for specialty drugs, and if it requires prior authorization.

Prior Authorization

A prior authorization is a requirement that the physician obtain approval prior to prescribing a specific medication. Your physician will be responsible for submitting the required documentation.

Step Therapy

Some medications require that alternatives be prescribed and determined to be ineffective or not appropriate treatment options. Your physician will be responsible for submitting the required documentation.

The BlueCard Program

The BlueCard Program allows you to use a BlueCross BlueShield of Oklahoma EPO/PPO Physician or Hospital outside the state of Oklahoma and to receive the advantages of EPO/PPO benefits and savings.

Health Plan Provisions

Coverage is provided only for a service or supply, which is "necessary for diagnosis, care or treatment of a physical or mental condition involved." Only that part of a charge that is "reasonable and customary" is payable.

Pre-Certification is required for inpatient hospital services, skilled nursing facility services, services received in a Coordinated Home Care Program, and private duty nursing services, at least one day prior to the scheduling of the admission.

Private room limit is the Institution's semi-private rate. If the institution does not offer a semi-private rate, a semi-search rate will be utilized for coverage.

Medical or dental benefits paid by "other plans" will be taken into account when determining benefits under this Plan. Medicare benefits will be calculated before the medical benefits of this Plan are determined.

Claims

Claims must be filed with the Claims Administrator within twelve (12) months of the date of service. Claims received after twelve (12) months will be denied.

The Claims Administrator will have discretionary authority to construe and interpret the Plans and determine whether a particular claim is covered.

BlueCross BlueShield of Oklahoma has established a process to review your dissatisfactions, complaints and/or appeals. If you have a question or complaint, an initial attempt should be made to resolve the problem by directly communicating with a BlueCross BlueShield of Oklahoma Service Representative. In most cases, a Customer Service Representative will be able to provide you with a satisfactory solution to your problem. However if a resolution cannot be reached in an informal exchange, you may request an administrative review of the problem through the appeal process described in the Oklahoma City Medical Plan Document.

Plan Modification and Amendment

The Mayor and City Council may modify or amend the Plans from time to time at its sole discretion and such amendments or modifications may affect Covered Persons, which could include elimination of any Plan.

Right of Subrogation

In the event you are injured in an accident caused by the negligence of a third party, (i.e. automobile accident, supermarket slip and fall, etc.), the Plans will pay eligible claims. However, the Plans reserve the right to recover expenses paid on your or your dependent's behalf, from the negligent third party or from you if you receive a monetary settlement. You are required to notify the Plan Administrator of all such injuries.

Employee Information

This is a general summary of your benefit design. Please refer to your dental benefit booklet for other details and for limitations and exclusions.

Eligibility

The following eligibility provisions apply:

- Dependent children are covered to age 26. Disabled dependent children can be covered beyond age 26.
- Retirees are eligible for coverage.

Pre-Existing Condition

A pre-existing condition exclusion will apply to expenses involving the replacement of teeth that were missing prior to the effective date of the dental contract. This exclusion will not apply to:

- Any participant who becomes eligible on the dental contract date who was covered under a previous group dental care contract by the Employer.
- Any participant who has been continuously covered for 24 months under a group dental care contract with BlueCross BlueShield of Oklahoma, which included prosthetic benefits.

Limitations

When the course of treatment will be in excess of \$300, a predetermination request should be submitted to BlueCross BlueShield of Oklahoma in advance of treatment. It is the covered persons responsibility to ensure the request is submitted.

Freedom of Choice

The dental plan allows you the freedom to choose any dentist you wish. Below highlights the differences between choosing a Contracting Network Dentist and a Non-Contracting Dentist, who is not part of BlueCross BlueShield of Oklahoma's Dental network

Contracting Network Dentist

Regardless of which plan you are enrolled in (Low Plan Option or High Plan Option), when you receive services from a Contracting Network Dentist, you receive the following advantages:

- Reduced out-of-pocket costs due to the provider accepting a negotiated (discounted) allowed amount;
- No balance billing for amounts over the allowed amount. However, you are still responsible for your co-insurance amount;
- No referral needed for specialty dentists;
- Contracting network dentists will submit claims for you.

When you receive services from a Non-Contracting Dentist, your out-of-pocket cost will be greater, as Non-Contracting Dentists do not accept any negotiated (discounted) fees. Therefore, the dentist will be reimbursed based on the Allowed Amount, as determined by the plan, and you are balance billed for costs exceeding the BlueCross BlueShield of Oklahoma Maximum Allowable Amount.

Please note, there is a difference on how Non-Contracting Dentists are reimbursed, based on the plan you may be enrolled in:

• Low Plan Option:

Claims will be reimbursed at the Maximum Allowable Charge (MAC). This is where the plan will pay a set dollar amount for each procedure, regardless of the actual billed charge. You will be balance billed for the difference between BlueCross BlueShield of Oklahoma MAC and the total billed charge. You are required to file claim forms.

• High Plan Option:

Claims will be reimbursed at a Usual and Customary (U&C) Allowed Amount, which is based on the geographic location of the rendering dentist. The U&C Allowed Amount may be higher or lower than what your dentist charged, so you may be balanced billed for the costs exceeding the BlueCross BlueShield of Oklahoma U&C Allowable Amount.

Please note that our dental plan is a "freestanding" product and can be purchased separately from the health product (i.e., an employee can elect employee only coverage for health, but elect dental for the family).

Find out what Dentists are on your dental plan.

Visit www.bcbsok.com/okc/ coverage to find a provider or review the plan document.

Flexible Spending Accounts

American Fidelity Assurance Company

Flexible Spending Accounts (FSA) are great cost savings tools to help with common medical and/or dependent care expenses not covered by your insurance. You can elect a portion of your pay to be deducted, on a pre-tax basis, from each paycheck to use for reimbursement of qualified out-of-pocket expenses throughout the plan year.

Flexible Spending Account Savings Example

With FSA		Without FSA
\$30,000	Annual Gross Income	\$30,000
- \$2,850	Health FSA Election	\$0
- \$5,000	Dependent Care Account Election	\$0
\$22,300	Taxable Gross Income	\$30,000
- \$4,430	Estimated Federal Tax (20%)	- 6,000
- \$1,695	Estimated FICA (7.65%)	- 2,295
\$16,025	Annual Net Income	\$21,705
\$0	Cost of Medical Expenses	- \$2,700
\$0	Cost of Dependent Care Expenses	- \$5,000
\$16,025	Spendable Income	\$14,005
With an FSA you have a potential annual savings of: \$2,020		
By using an FSA to pay for eligible recurring expenses, you can cut down on your taxable income which will result in additional spendable income.		

Healthcare Flexible Spending Account (Healthcare FSA)

A Healthcare FSA allows you to allocate money on a pre-tax basis to reimburse yourself for qualified medical expenses for you and your family. Qualified expenses include anything from copayments, medical deductibles, prescriptions and much more.

Minimum Annual Deposit: \$150

Maximum Annual Deposit: \$3,200

Carryover Provision - Typically, any Healthcare FSA amounts not used by the end of the plan year are forfeited. The Internal Revenue Service (IRS) guidance gives employers the ability to allow Healthcare FSA participants to carry over up to \$550 of unused contributions from one plan year to the next. This carryover amount may then be used to reimburse eligible medical expenses incurred anytime during the next plan year.

Healthcare FSA Funds Availability

Your full annual election is available to you on the first day of the plan year.

For a complete list of eligible FSA expenses, please visit www.americanfidelity.com

Benefits Debit Card

American Fidelity will provide a Benefits Debit Card to all employees who elect to participate in a Healthcare FSA (where offered by your employer.) The debit card gives immediate, convenient access to Healthcare FSA funds at the point of sale for prescriptions, copays, and other common qualified medical expenses. The card can only be used for the Healthcare FSA and is not available for the DCA.

Using Your Benefits Debit Card

Simply swipe your card like you would with any other credit card. Whether at the doctor's office or the dentist, the amount of your eligible expenses will be automatically deducted from your Healthcare FSA. Save ALL receipts!

Cards for Healthcare FSAs can be used at:

- Health care related facilities which include: hospitals, physician offices, dental offices, vision offices; and,
- Merchants participating in the Inventory Information Approval System (IIAS).
- The card is for medical expenses only; dependent day care expenses are not eligible.
- The card cannot be used for over-the-counter drugs filled with a prescription. You will need to file a manual claim for these types of expenses.

Dependent Day Care Account

A (DCA) allows you to allocate money on a pre-tax basis to reimburse yourself for the cost of dependent care services such as after school care and dependent day care centers.

Minimum Annual Deposit: \$240

Maximum Annual Deposit*: \$5,000

If you participate in a DCA, you must provide the IRS with the name, address and taxpayer identification number (TIN) or Social Security number of your dependent care provider(s) by completing either Schedule 2 of Form 1040A or Form 2441 and attaching it to your annual income tax return. Be sure that you follow the current instructions given by the IRS for preparing your annual income tax return. Failure to provide this information to the IRS could result in loss of the pre-tax exemption for your dependent care expenses.

Dependent Care Account (DCA) Funds Availability

Unlike the Healthcare FSA, the entire elected amount is not available on the first day of the plan year, but rather as contributions are received.

Important FSA Notes

- Participants are allowed a 90-day run-off period after the plan year ends to submit claims that occurred during the plan year but were not yet submitted.
- If you are a new employee entering the FSA during a plan year, expenses must be incurred after you are eligible to participate in the FSA.
- If you are enrolled in the Healthcare FSA and take a leave of absence during the plan year, you may:
 1. Prepay the contributions pre-tax;
 2. Continue the contributions on an after-tax basis (pre pre-tax contributions may continue when you return to work); or
 3. Prorate the unpaid contributions over the remaining pay periods when you return to work.
- Failure to make all elected contributions will result in termination of your account as of the date contributions ceased.
- Healthcare FSAs must comply with COBRA and offer COBRA continuation rights to qualified beneficiaries who lose their Healthcare FSA coverage as a result of termination of employment. Generally, COBRA may only be offered upon termination of employment if you have a balance remaining in your Healthcare FSA. The balance is calculated by subtracting the reimbursements made from the contributions received. You may choose to continue your contributions by either sending your contributions to your employer on an after-tax basis each pay period, or, you can choose to make a pre-tax contribution for your remaining election for the plan year from your severance pay. Expenses incurred while contributions are being made are eligible for reimbursement. The coverage generally may not continue beyond the current plan year. If you do not elect to continue the contributions on an after-tax basis, only expenses incurred during the period of employment will be reimbursed. Coverage under the Healthcare FSA ceases when the contributions cease.

IMPORTANT NOTICE: The Health Flexible Spending Account and Dependent Day Care Spending Account require a new election each year. Any current FSA election from the current plan year will be terminated as of first day of the new plan year.

Why Life Insurance?

No matter where you are in life, there are many reasons to consider Life Insurance. Group Life Insurance protects you and your family from the unexpected loss of life and income during working years. If you die, Life Insurance benefits are disbursed to your beneficiaries to help pay for things like:

- ✓ Your mortgage or rent
- ✓ Childcare or education costs
- ✓ Medical bills or other expenses
- ✓ Funeral and burial costs

How much Life Insurance do I need?

To estimate the amount of Life Insurance you need, you'll want to determine what you must protect in the event of your death. Determine your needs today.

Naming a Beneficiary:

Naming a beneficiary is an important right of Life Insurance ownership; this determines who receives the death benefit. It is recommended that you review and update your beneficiaries periodically. Events such as marriage, birth/adoption of children, divorce or death may change how you want your Life Insurance benefit paid.

Continuation:

If you are no longer eligible for coverage as an active employee, you may be eligible to continue your coverage after employment. No health questions are needed and rates are generally higher than active rates. If you would like to continue your coverage, be sure to enroll within 31 days of your current coverage ending.

City of Oklahoma City **Retiree Benefits Guide**

About this Guide

This benefit guide was developed to provide information about available benefit options, explain the enrollment and change process, and serve as a valuable resource for information about benefits available through the City of Oklahoma City. We recommend reading this guide before attending the annual Open Enrollment and/or completing enrollment forms. If you are married, please share the information in this guide with your spouse or beneficiary.

The guide is merely a compilation of City-sponsored retiree benefits. It is intended for informational purposes only. Actual benefits available and full descriptions of these benefits are governed in all cases by the relevant plan document, insurance company contracts, ordinances, and/or resolutions of The City of Oklahoma City. If there are discrepancies between this benefit guide and actual plan documents, insurance company contracts, ordinances and/or resolutions; the documents, contracts, ordinances and/or resolutions will govern.

Clerical Error/Delay

Clerical errors will not invalidate coverage or cause coverage to be in force. Upon discovery of any such error or delay, an adjustment will be made. The City has the right to collect contributions owed by a retiree. Conversely, the retiree will be reimbursed if an overpayment occurs.

Eligibility

Eligibility is determined by requirements stated in the appropriate plan document, insurance policy, plan contract, and/or certificate of coverage for the year in question. Since plans are subject to change at any time, eligibility requirements may also change. If you change coverage from one plan to another, you and your dependent must meet the requirements of the plan you have selected. An eligible retiree cannot be a member and a dependent on the same health and/or dental plan.

If any relevant fact has been misstated, whether intentionally or unintentionally, by or on behalf of any person that results in improper coverage under the Plan, the individual is subject to termination from the Plan and other appropriate action. Upon discovery of such misstatement, equitable adjustment of any contributions or benefits paid will be made.

Monthly Premiums

Medical, dental, vision, and/or life insurance premiums are automatically deducted from a retiree's pension check each month (12 times per year). As an example, for the month of May the health, dental and/or life insurance premium is deducted from the pension check issued on the last day of May. When a pension check is less than the premiums due, deductions from the pension check will cease and the retiree is responsible for the monthly payment.

If you need to meet with Employee Benefits, please call 297-2144 to set up an appointment.

Remember:

- If you are not making any changes, you do not have to contact us or submit the enclosed election form.
- If you are under age 65 and are Medicare eligible, remember to provide a copy of your Medicare card to Employee Benefits.
- If you are Medicare eligible, you must enroll in Medicare Part A (Hospital Insurance) and Medicare Part B (Medical Insurance).
- Medicare does not allow participants to be enrolled in more than one Medicare Part D prescription plan. The City sponsored plans include either a Medicare Part D prescription drug plan or credible prescription drug coverage in lieu of Medicare Part D. If you have a non-City sponsored plan with Medicare Part D prescription drug coverage, you will need to decide which plan you wish to continue.

This provision does not apply to the Medicare secondary plan or the Medicare Advantage plan as outlined in the Affordable Care Act. Copays, coinsurance and deductibles for all in-network plan benefits generally apply toward the out-of-pocket limits. For plan year 2025, the maximum essential health benefits in-network out-of-pocket limits for the City of Oklahoma City's plans are as follows:

<u>BlueCross BlueShield PPO Plans:</u>	\$9,200 retiree only coverage

Please take this opportunity to complete the Group Life Beneficiary Designation form located on the retiree website: www.okc.gov/retirees

****Dependent Verification****

Employee Benefits may periodically request verification to ensure current documentation for dependents enrolled in the City's medical and dental plans are on file. You may receive a letter requesting documentation for verification of eligibility. You must comply with the request. Failure to do so may result in loss of coverage for your dependent(s). You do not need to contact Employee Benefits to inquire about your file. If your file is selected for verification, you will receive a letter.

Elections must be made within 31 days of qualifying event. Retirees are responsible to provide any required supporting documents that establishes eligibility. Retirees and eligible dependents must maintain continuous coverage. Once coverage is waived, coverage cannot be re-elected at a later date.

Surviving spouse may elect coverage at initial enrollment for any child(ren) that were covered at the time of retiree's death. New spouses and any new dependents are not eligible to be added to a survivor's elected coverages.

About Your Coverage

Which medical plan is right for me?

The City offers retirees four health plan options - the EPO plan, Medicare Advantage Plan, the Group Indemnity Alternate Plan, and the Group Indemnity Standard Plan. Each plan offers a large network of providers, prescription drug benefits, and basic medical and preventive care such as office visits and immunizations.

The EPO plan (non-Medicare retirees only) and the Medicare Advantage Plan (Medicare retirees only) are a zero deductible, no co-insurance plan. Copays on both plans are designed to give retirees and their covered dependents affordable options for in-network benefits.

The PPO plan is a deductible and co-insurance plan. The Standard PPO option offers the lowest deductible and co-insurance but has the higher monthly premium. The Alternate Plan offers a lower monthly premium that, in most instances, will save retirees money overall even with a higher deductible and co-insurance. Regardless of which option is selected, retirees should expect higher out-of-pocket expenses compared to the EPO/MAPD plans. The PPO plans are offered to both non-Medicare and Medicare retirees and their dependents as well as "split" families (when one participant is enrolled in Medicare while other participants are not Medicare eligible).

Which medical plan am I eligible to enroll myself and/or dependents?

- ***Myself and ALL covered dependent(s) are not Medicare eligible***
BCBS EPO Plan
BCBS Group Indemnity Plan (Standard or Alternate option), non-Medicare rate
- ***Myself or at least one covered dependent(s) are Medicare eligible but not ALL covered individuals***
BCBS Group Indemnity Plan (Standard or Alternate option), Medicare rate
- ***Myself and ALL covered dependent(s) are Medicare eligible***
UHC Medicare Advantage Plan (MAPD)
BCBS Group Indemnity Plan (Standard or Alternate option), Medicare rate

HIPAA Compliance

The City of Oklahoma City advises members of the Group Indemnity Health Plan that the HIPAA Notice of Privacy Practices is available to you by accessing the internet. Simply type in the following information in the address field - www.okc.gov and navigate to Careers → Benefits to download a copy of the Notice of Privacy Practices. If you do not have access to the internet and you would like a copy of the HIPAA Notice of Privacy Practices, or if you have any questions, please contact a representative of the Employee Benefits Division at (405)297-2144.

UnitedHealthcare® Group Medicare Advantage (PPO) is a Medicare Advantage plan that delivers all the benefits of Original Medicare (Parts A and B), includes prescription drug coverage (Part D) and offers additional benefits and features. It is not a supplement plan and does not pay secondary to Medicare. All claims are submitted directly to UnitedHealthcare for payment, not Medicare.

When you join a Medicare Advantage plan, it is considered Part C. Part C is the combined coverage of Medicare Parts A and B with additional benefits administered by the plan. Instead of paying for Medicare deductibles and coinsurance, you pay health plan premiums, co-insurance and co-payments.

This health plan is attractive to retirees. Monthly premiums and/or out of pocket expenses can be much less than other plans. This plan is the complete Medicare solution offered by the City. All participants must be eligible for Medicare and maintain enrollment in Part A and B.

To enroll in the Medicare Advantage Plan, you must notify Employee Benefits a minimum of 31 days prior to the effective date of Medicare and/or start of coverage. Additional information can be found at retiree.uhc.com.

IMPORTANT NOTE: If you enroll in another Medicare Advantage Plan and/or Part D prescription drug plan, you will automatically be disenrolled from the City's MAPD plan. This is a Medicare rule.

Highlights include:

No Deductible - Low Copays for Office Visits and Prescriptions

BlueCross BlueShield of Oklahoma EPO Medical Plan

Group ID #293447

BlueCross BlueShield of Oklahoma administers the City's Group EPO health plan. Under this health plan you may go to any physician. However, it is to your advantage to go to a network provider to maximize your health plan's benefits and lower out-of-pocket expenses. For questions regarding the plan or a list of BlueCross BlueShield of Oklahoma PPO providers, visit the account representative on-site during the enrollment period, contact a representative of the Employee Benefits Division or visit the City's BlueCross BlueShield of Oklahoma web site at www.bcbsook.com/okc.

Prescription Plan

Prime Therapeutics is the pharmacy manager for this Plan. For questions, regarding your pharmacy benefits please contact the 1-877-546-2779. Please visit, www.myPrime.com, or download the MyBlueRxOK app to compare drug costs, prescription refill reminders, search for in-network pharmacies, find drug costs, coverage information and any additional self-help inquiries. The City of Oklahoma employees utilizes the Basic drug list for medications approved for use and/or covered by the plan.

The Advantage network does not include CVS pharmacies. If you have prescriptions with CVS, you must transfer your prescriptions to an in-network pharmacy in order to receive benefits.

- **Mail Order**

If you are taking a covered, maintenance (or long-term) medicine, consider using the home delivery pharmacy service, Express Scripts® Pharmacy. With home delivery, you enjoy the ease of having your maintenance drugs delivered anywhere in the U.S. You could also save time and possibly money. To start using the home delivery pharmacy service visit express-scripts.com/rx. Click on "Register Now" or "Get Started" to create an account using your Member ID and follow the steps, or you can call (833) 715-0942. Your doctor can send a new prescription electronically to EXPRESS SCRIPTS HOME DELIVERY, or by phone or fax.

- **Specialty Pharmacy**

Specialty medicines are used to treat conditions like multiple sclerosis, hepatitis C and rheumatoid arthritis. These prescriptions that are approved for self-administration (like oral capsules or injections you can give yourself) must be filled through an in-network specialty pharmacy to avoid paying higher out-of-pocket costs. Your drug list may have a mark for specialty drugs, and if it requires prior authorization.

- **Prior Authorization**

A prior authorization is a requirement that the physician obtain approval prior to prescribing a specific medication. Your physician will be responsible for submitting the required documentation.

- **Step Therapy**

Some medications require that alternatives be prescribed and determined to be ineffective or not appropriate treatment options. Your physician will be responsible for submitting the required documentation.

BlueCross BlueShield of Oklahoma PPO and EPO Medical Plans

The BlueCard Program

The BlueCard Program allows you to use a BlueCross BlueShield of Oklahoma EPO/PPO Physician or Hospital outside the state of Oklahoma and to receive the advantages of EPO/PPO benefits and savings.

Health Plan Provisions

Coverage is provided only for a service or supply, which is *“necessary for diagnosis, care or treatment of a physical or mental condition involved.”* Only that part of a charge that is *“reasonable and customary”* is payable.

Pre-Certification is required for inpatient hospital services, skilled nursing facility services, services received in a Coordinated Home Care Program, and private duty nursing services, at least one day prior to the scheduling of the admission.

Private room limit is the Institution’s semi-private rate. If the institution does not offer a semi-private rate, a semi-search rate will be utilized for coverage.

Medical or dental benefits paid by *“other plans”* will be taken into account when determining benefits under this Plan. Medicare benefits will be calculated before the medical benefits of this Plan are determined.

Claims

Claims must be filed with the Claims Administrator within twelve (12) months of the date of service. Claims received after twelve (12) months will be denied.

The Claims Administrator will have discretionary authority to construe and interpret the Plans and determine whether a particular claim is covered.

BlueCross BlueShield of Oklahoma has established a process to review your dissatisfactions, complaints and/or appeals. If you have a question or complaint, an initial attempt should be made to resolve the problem by directly communicating with a BlueCross BlueShield of Oklahoma Service Representative. In most cases, a Customer Service Representative will be able to provide you with a satisfactory solution to your problem. However if a resolution cannot be reached in an informal exchange, you may request an administrative review of the problem through the appeal process described in the Oklahoma City Group Indemnity Healthcare Plan Document.

Right of Subrogation

In the event you are injured in an accident caused by the negligence of a third party, (i.e. automobile accident, supermarket slip and fall, etc.), the Plans will pay eligible claims. However, the Plans reserve the right to recover expenses paid on your or your dependent’s behalf, from the negligent third party or from you if you receive a monetary settlement. You are required to notify the Plan Administrator of all such injuries.

Plan Modification and Amendment

The Mayor and City Council may modify or amend the Plans from time to time at its sole discretion and such amendments or modifications may affect Covered Persons, which could include elimination of any Plan

Two PPO Plan Options

There are two plan options available: Alternate Plan and Standard Plan. Summary charts are available on the previous pages to identify the differences.

Medicare

The plan offers retirees and covered dependents to be split participants under one plan. Split participant coverage is when one or more individual(s) is Medicare eligible and the other covered individual(s) are not Medicare eligible. Premiums reduce to the Medicare rate upon the first individual reaching Medicare eligibility. No further reductions in rate occurs for subsequent covered individual(s) becoming Medicare eligible.

Once a participant becomes Medicare Eligible, Medicare becomes the primary payer. BCBS will process claims and payments based on enrollment in Part A and B. Failure to maintain enrollment in Part A and/or Part B will result in you being responsible for payment of services that would have been covered under Medicare.

Employee Information

This is a general summary of your benefit design. Please refer to your dental benefit booklet for other details and for limitations and exclusions.

Eligibility

The following eligibility provisions apply:

- Dependent children are covered to age 26. Disabled dependent children can be covered beyond age 26.
- Retirees are eligible for coverage.

Pre-Existing Condition

A pre-existing condition exclusion will apply to expenses involving the replacement of teeth that were missing prior to the effective date of the dental contract. This exclusion will not apply to:

- Any participant who becomes eligible on the dental contract date who was covered under a previous group dental care contract by the Employer.
- Any participant who has been continuously covered for 24 months under a group dental care contract with BlueCross BlueShield of Oklahoma, which included prosthetic benefits.

Limitations

When the course of treatment will be in excess of \$300, a predetermination request should be submitted to BlueCross BlueShield of Oklahoma in advance of treatment. It is the covered persons responsibility to ensure the request is submitted.

Freedom of Choice

The dental plan allows you the freedom to choose any dentist you wish. Below highlights the differences between choosing a Contracting Network Dentist and a Non-Contracting Dentist, who is not part of BlueCross BlueShield of Oklahoma's Dental network

Contracting Network Dentist

Regardless of which plan you are enrolled in (Low Plan Option or High Plan Option), when you receive services from a Contracting Network Dentist, you receive the following advantages:

- Reduced out-of-pocket costs due to the provider accepting a negotiated (discounted) allowed amount;
- No balance billing for amounts over the allowed amount. However, you are still responsible for your co-insurance amount;
- No referral needed for specialty dentists;
- Contracting network dentists will submit claims for you.

When you receive services from a Non-Contracting Dentist, your out-of-pocket cost will be greater, as Non-Contracting Dentists do not accept any negotiated (discounted) fees. Therefore, the dentist will be reimbursed based on the Allowed Amount, as determined by the plan, and you are balance billed for costs exceeding the BlueCross BlueShield of Oklahoma Maximum Allowable Amount.

Please note, there is a difference on how Non-Contracting Dentists are reimbursed, based on the plan you may be enrolled in:

• Low Plan Option:

Claims will be reimbursed at the Maximum Allowable Charge (MAC). This is where the plan will pay a set dollar amount for each procedure, regardless of the actual billed charge. You will be balance billed for the difference between BlueCross BlueShield of Oklahoma MAC and the total billed charge. You are required to file claim forms.

• High Plan Option:

Claims will be reimbursed at a Usual and Customary (U&C) Allowed Amount, which is based on the geographic location of the rendering dentist. The U&C Allowed Amount may be higher or lower than what your dentist charged, so you may be balance billed for the costs exceeding the BlueCross BlueShield of Oklahoma U&C Allowable Amount.

Please note that our dental plan is a "freestanding" product and can be purchased separately from the health product (i.e., an employee can elect employee only coverage for health, but elect dental for the family).

Health Care Reform Changes

The impact of health care reform on employees/former employees requires you to take action — enroll yourself in minimum essential coverage or pay a penalty.

The Patient Protection and Affordable Care Act, also known as health care reform or the Affordable Care Act, was enacted on March 23, 2010. In its current form, the law has resulted in a steady stream of regulations and guidance as various governmental entities clarified employers' requirements under the law.

As your former employer, we continue to implement provisions to comply with the requirements of the health care reform law. This summary focuses on the changes that affect you as an individual, as well as changes in the benefit programs we offer in 2025. We encourage you to pay careful attention to your health care benefits so you can keep up with the changes.

ACA Individual Mandate

Beginning in 2018, the Tax Cuts and Jobs Act (TCJA) repeals the penalty tax associated with the individual mandate under the Affordable Care Act.

Do I have to take the coverage my former employer offers me?

No. But you should be aware that in most cases, the election you make is considered irrevocable and cannot be reversed if you change your mind. If you did not elect to take employer-sponsored coverage at retirement, you should purchase coverage elsewhere, such as through a health insurance exchange. Additional information on health plans offered through the health insurance exchange can be found at www.healthcare.gov.

Where can I get coverage if I do not want my former employer's coverage?

The federal government and states have set up online public health insurance exchanges. You may hear these referred to as marketplaces. There are also many private exchanges and marketplaces being formed. Some states have already created marketplaces.

Importantly, the public exchanges set up and administered by the federal government and the states will be the only avenue for qualifying employees/former employees to receive assistance with paying premiums and reducing other cost-sharing normally associated with health insurance (including deductibles, co-payments and co-insurance) in the form of advance tax credits and subsidies. These will not be available in private exchanges. Income parameters and other eligibility requirements apply to qualify for a tax credit or subsidy. To qualify for subsidies, the household income must be between 100 percent and 400 percent of the federal poverty line. Plus, the cost of health insurance premiums must exceed 8.39 percent of household income.

What should I consider when deciding whether to enroll in coverage offered through my former employer versus an exchange?

Employer-sponsored coverage is generally subsidized by the employer offering the coverage. This means the cost to you is most likely less than it would be if you purchased it on your own. In many cases, the amount of the employer contribution is more than the federal subsidy or tax credit that you would qualify for through a public exchange. Allowing us, as your former employer, to handle the design choices and narrow down the network of providers, as well as issue the required tax filings, can relieve you of many of the tasks that are inherent when purchasing coverage on your own.

Will my former employer continue to provide coverage as it always has or is it getting out of the medical and prescription benefits business?

The City of Oklahoma City currently offers medical and prescription benefits to retirees. Medical coverage must be elected within 31 days of retirement to be eligible to participate.

REQUIRED NOTICES

Important Notice from City of Oklahoma City About Your Prescription Drug Coverage and Medicare under the United Healthcare of Oklahoma and BlueCross BlueShield of Oklahoma Plan(s)

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with City of Oklahoma City and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO, EPO, or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. City of Oklahoma City has determined that the prescription drug coverage offered by the United Healthcare of Oklahoma and BlueCross BlueShield of Oklahoma plan(s) is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current City of Oklahoma City coverage may not be affected. For most persons covered under the Plan, the Plan will pay prescription drug benefits first, and Medicare will determine its payments second. For more information about this issue of what program pays first and what program pays second, see the Plan's summary plan description or contact Medicare at the telephone number or web address listed herein.

If you do decide to join a Medicare drug plan and drop your current coverage, be aware that you and your dependents may be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with City of Oklahoma City and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information about This Notice or Your Current Prescription Drug Coverage...

Contact the person listed at the end of these notices for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through City of Oklahoma City changes. You also may request a copy of this notice at any time.

For More Information about Your Options under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- » Visit www.medicare.gov
- » Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- » Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Medicare Part D notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

Women's Health and Cancer Rights Act

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- » All stages of reconstruction of the breast on which the mastectomy was performed;
- » Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- » Prostheses; and
- » Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other medical and surgical benefits provided under this plan. For deductibles and coinsurance information applicable to the plan in which you enroll, please refer to the summary plan description. If you would like more information on WHCRA benefits, please contact Human Resources Employee Benefits Division at 405-297-2144.

HIPAA Privacy and Security

The Health Insurance Portability and Accountability Act of 1996 deals with how an employer can enforce eligibility and enrollment for health care benefits, as well as ensuring that protected health information which identifies you is kept private. You have the right to inspect and copy protected health information that is maintained by and for the plan for enrollment, payment, claims and case management. If you feel that protected health information about you is incorrect or incomplete, you may ask your benefits administrator to amend the information. For a full copy of the Notice of Privacy Practices, describing how protected health information about you may be used and disclosed and how you can get access to the information, contact Human Resources Employee Benefits Division at 405-297-2144.

HIPAA Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to later enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage).

Loss of eligibility includes but is not limited to:

- » Loss of eligibility for coverage as a result of ceasing to meet the plan's eligibility requirements (i.e. legal separation, divorce, cessation of dependent status, death of an employee, termination of employment, reduction in the number of hours of employment);
- » Loss of HMO coverage because the person no longer resides or works in the HMO service area and no other coverage option is available through the HMO plan sponsor;
- » Elimination of the coverage option a person was enrolled in, and another option is not offered in its place;
- » Failing to return from an FMLA leave of absence; and
- » Loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP).

Unless the event giving rise to your special enrollment right is a loss of coverage under Medicaid or CHIP, you must request enrollment within 30 days after your or your dependent(s) other coverage ends (or after the employer that sponsors that coverage stops contributing toward the coverage).

If the event giving rise to your special enrollment right is a loss of coverage under Medicaid or the CHIP, you may request enrollment under this plan within 60 days of the date you or your dependent(s) lose such coverage under Medicaid or CHIP. Similarly, if you or your dependent(s) become eligible for a state-granted premium subsidy towards this plan, you may request enrollment under this plan within 60 days after the date Medicaid or CHIP determine that you or the dependent(s) qualify for the subsidy.

In addition, if you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.

To request special enrollment or obtain more information, contact Human Resources Employee Benefits Division at 405-297-2144.

Medicare Secondary Payer Laws

In order to comply with Medicare Secondary Payer (MSP) laws, it is very important that you promptly and accurately complete any requests for information from the City or the Claims Administrator (UnitedHealthcare or BlueCross BlueShield of Oklahoma) regarding the Medicare eligibility of you, your spouse and covered dependent child becomes eligible for Medicare, or has Medicare eligibility terminated or changed. Please contact the City or your group administrator promptly to ensure that your claims are processed in accordance with applicable MSP laws.

INELIGIBLE DEPENDENTS

You must notify the Employee Benefits Division within 31 days of a qualifying event (Human Resources Policies Sections 717.02 and 717.03).

It is a fraudulent act to knowingly add or maintain ineligible dependents on the City's benefit plans. If the information provided to the Employee Benefits Office of the Human Resources is determined to be false or misleading, you may be subject to legal action up to and including reimbursement to the City of premiums paid on behalf of ineligible dependent and/or termination of retiree coverage(s).

In addition, failure to notify the Human Resources, Employee Benefits Division, in writing of any change in marital status and/or change in dependent status that results in the improper extension of health and welfare benefits, you may be subject to legal action up to and including reimbursement to the City of premiums paid on behalf of ineligible dependent and/or termination of retiree coverage(s).

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance.** If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –
